Dear Stilwell Families,

Welcome to the 2026–2027 school year at **Martha E. Stilwell School of the Arts**! I am so excited to begin this new journey with you and your scholars as we work together to make this a year filled with growth, achievement, and artistic excellence. At Stilwell, we are committed to fostering a vibrant learning community where students reach high academic standards, develop strong character, and thrive in a creative environment.

My name is **Sherronda Varnado**, and I'm honored to serve as your **Title I Parent Liaison** at Martha E. Stilwell High School of the Arts. My role is to help bridge the gap between home and school by ensuring parents and families feel supported, informed, and engaged throughout the academic year. Whether you have questions, need resources, or just want to get more involved—I'm here for you! I am available during regular school hours: **8:30 AM – 3:00 PM**, and I welcome your calls, emails, and visits.

Located just outside the main entrance, the center is full of helpful brochures, books, learning materials, and college prep tools. You'll also find a **Lending Library**, where you can check out resources for up to 30 days. Plus, our **Community Board** features hiring events, volunteer opportunities, and other valuable information for students and families. If you have anything to share—such as job openings or community events—you're welcome to post them for others to see!

I'm truly looking forward to getting to know each of you, listening to your ideas and concerns, and working together to support the success of every Stilwell student. Let's partner to make this school year one of purpose, passion, and progress!
