YOUR PARTNERSHIP MAKES A DIFFERENCE!

Dear Stilwell Families,

Welcome to the 2026–2027 school year at Martha E. Stilwell School of the Arts! I am so excited to begin this new journey with you and your scholars as we work together to make this a year filled with growth, achievement, and artistic excellence.

My role is to help bridge the gap between home and school by ensuring parents and families feel supported, informed, and engaged throughout the academic year.

Whether you have questions, need resources, or just want to get more involved—*I'm here for you!*

YOUR PARENT RESOURCE CENTER

Located just outside the main entrance, the center is full of resources to support you and your scholar!

- Helpful brochures, books, and learning materials
- College and career preparation resources
- A Lending Library with resources available for up to 30 days
- Community Information Board featuring hiring events, volunteer opportunities, family resources, and community events

You can also share opportunities and events to help other Stilwell families!

Let's Partner for Student Success!

Your voice matters! Throughout the school year, I will provide opportunities for parents and families to share ideas, participate in workshops and events, provide input, connect with resources, and become active partners in their scholar's educational journey.

Together, let's make 2026–2027 a year filled with purpose, passion, creativity, and progress!

WELCOME TO STILWELL!

Here's to a successful, creative, and inspiring school year!
