

# Meet THE TEACHER

Ms. Rafferty

## ABOUT ME!

Welcome to Autistic Support! I am so happy that you are here! My name is Liz Rafferty and this is my third year teaching. I previously taught Life Skills and student taught Autistic Support! I graduated with my Bachelor's degree in Special Education and Elementary Education from West Chester (and played golf there- Go rams!). I am currently obtaining my master's degree in Special Education with an area of concentration in Applied Behavior Analysis. After my master's is completed, I hope to sit for the Board Certified Behavior Analyst exam!

## My "Why"

I knew that I always wanted to be a teacher ever since I was a little girl. I have a twin sister with autism, and she inspired me to pursue a career in special education! Teaching has been the most rewarding, fulfilling, and of course, fun job ever!

## My favorites

- Philly sports (Go birds!)
- Golf
- Cooking
- Reading

## Things to know:

- In our classroom, instruction consists of 1:1 IEP goal work, small group work, and independent skills building work.
- I utilize the platform, "Seesaw" to send pictures and communication updates. I will send emails as well, whatever your preference is! Please let me know if you do not want your child photographed.
- Once a month, we will do a group, "cooking lesson"! I will send a heads up that week and please let me know if your child has allergies or cannot eat certain foods.

*I will be in touch! Let's have a great school year!*

*Best,*

*Liz Rafferty*

# Supply List

Hello! Below is a list of supplies our classroom is always looking to have. If you wish to contribute, that is much appreciated! Thank you!

Clorox Wipes  
Paper towels  
Hand Santizer
