- You have the option to select the "Save" button to save all the responses on the current page.
- At the end of the report, you must select the "Submit" button to finalize your submission.
- Please note that any EEF expenditures entered in one section should NOT be re-entered in another section/subsection, as this will result in an incorrect expenditure total.
- Please note that EEF section and subsection totals may NOT equal the overall expenditure total. This is due to the fact that educators may attend multiple professional learning opportunities (and may be counted more than once across allowable use areas).
