MARGATE
EDUCATION FOUNDATION

August 24, 2026

Dear Business Owner,

As we head into a new school year, the Margate Education Foundation (MEF) is excited to continue creating meaningful opportunities and experiences for the students, families, and educators in our community.

MEF is a nonprofit organization dedicated to supporting the Margate schools through programs, events, enrichment opportunities, and resources that go beyond what the school budget can provide. The support of local businesses is what makes so much of this possible.

Many of you have generously supported MEF in the past, and we are incredibly grateful for your continued partnership. As we plan another exciting year of events and programs, we would love to have you join us again—or become a new MEF sponsor!

Annual Sponsorship — $2,000
Our annual sponsors receive recognition and promotion throughout the entire school year, including:

- Logo placement on MEF event signage and promotional materials
- Recognition on MEF social media and digital communications
- Promotion and visibility at our events throughout the year
- Recognition as an ongoing supporter of Margate's students and schools

From family events and student activities to our annual Boo Fest and other community programs, your support directly helps us continue offering experiences that our students and families look forward to every year.

mef@margateschools.org margateeducation margateeducationfoundation

When you support MEF, you're investing directly in the children and schools of our community. We hope you'll consider partnering with us for the upcoming school year.

Thank you for supporting Margate's students and for being a part of the community that makes these opportunities possible. We truly appreciate your partnership and look forward to another great year!

Warmly,

Liz Navlen & Jenni Nagle
Co-Presidents
The Margate Education Foundation

The Margate Education Foundation is a 501 (c) (3) non-profit organization.

E.A. Tighe School

Attention Students

The Eugene A. Tighe School will be holding tryouts/sign ups for the following school sports programs. Please be advised that all potential participants must get a physical prior to trying out for any of the school teams. Physical forms can be obtained online at www.margateschools.org ("Tighe School" under the "Programs" tab, then "School Athletics & Intramurals"). Once all paper work is complete, please bring the forms to Nurse's office. If you have any questions regarding physicals, please contact the Nurse's office.
