AGENDA

1. Welcome and Purpose

- Good Things: The meeting opened with participants sharing personal and professional highlights, such as student activities.
- Update on Innovation Specialists
- Reminder of laws/legislation
- Primary Objective: The main purpose of the meeting was to discuss and finalize the book list for the upcoming September 2026 board meeting.

2. Book list with professional reviews where appropriate and vote

After a discussion, the motion was made to approve the entire book list by chair Ellen Burnett. Seconded by Amanda Puffer. The council voted unanimously to move forward with this list for the board.

3. Questions, Answers and Feedback

- Meeting Cadence: Feedback suggested moving toward shorter, more frequent virtual meetings (e.g., 30 minutes monthly). This

would prevent the large books lists that occur in the fall and reduce the wait time for student-requested books. SLAC would like the list ASAP. We need to align with board systems for efficiency. Meet once per semester in person.
