Whitley Road Elementary School – Parent Compact
2026-2027

Whitley Road Elementary School and the parents of students participating in activities, services, and programs funded by Title I, Part A of the Elementary and Secondary Education Act agree that this compact outlines the collective responsibility for improved student academic achievement. The school and parents will build a partnership that will help children achieve and surpass the state's high standards.

School Responsibilities

In order to provide effective service to our students and to ensure success, the school's responsibilities are as follows:

- Provide high-quality curriculum and instruction in a supportive learning environment that enables students to meet the State's student academic achievement standards.
- Hold students to the highest expectations and believe in their ability to meet and exceed them.
- Hold parent-teacher conferences during which this compact will be discussed as it relates to the student's achievement.
- Provide parents with frequent reports on the student's progress.
- Provide parents reasonable access to staff and administration and respond to parent concerns in a timely manner.
- Provide informational sessions and academic workshops where parents can become knowledgeable in Title I topics, curriculum, assessment, and ways you can become personally involved in campus decision-making opportunities that affect the education of your child.
- Provide materials, resources, and tools to facilitate the learning process and ensure the delivery of high-quality instruction for students.

Parent Responsibilities

A child's first educators reside within the home. As a result, the parents' role in supporting their child is valuable to their overall success. In order to aid in their success, please see the following parent/guardian responsibilities:

- Ensure the student gets food, adequate sleep, and attends school daily and on time when they are healthy.
- Support school staff in maintaining discipline and high academic expectations.
- Set aside a specific time and place for learning, and provide support as needed.
- Read with my child regularly and read the teacher's weekly newsletter.
- Volunteer to assist with school projects at home.
- Become familiar with Keller ISD curriculum, state academic standards, and Title I topics of interest.
- Attend virtual informational and workshop sessions provided by the school and district.
- Support the school's high expectations by ensuring the student actively participates in learning activities and live instruction.

Student Responsibilities

The student has a personal responsibility for his/her own learning. In order to be successful, the student's responsibilities are as follows:

- Be an active learner and complete your assignments.
- Actively participate in remote and in-person learning.
- Work cooperatively with classmates.
- Follow the school's Code of Conduct, Whitley Road Pledge, and the KISD Safety Protocols and Procedures.
- Set and maintain attainable goals for all content areas.
- Contribute academically and socially to the school's success.
