

Course Syllabus Report

PE005O Phys Ed 5

Meets Graduation Requirements: No

Details

Description

This section of the course helps young learners establish a basic understanding of health and fitness. Students focus on health-related fitness and learn how to become more fit and healthy. Topics of study include exercise safety, making healthy choices, nutrition, the benefits, components and principles of fitness, basic anatomy and physiology, and values of cooperation and teamwork. In addition, students learn age-appropriate motor, non-locomotor, and manipulative skills. Students are required to participate in regular physical activity.

Ale Course Essential Learnings:

demonstrate competency in a variety of motor skills and movement patterns.

? demonstrate competency in a variety of motor skills and movement patterns through balance, weight transfer, and rhythmic skills.

? demonstrate competency in a variety of motor skills and movement patterns through skill for controlling or manipulating objects.

? apply knowledge of concepts, principles, strategies, and tactics related to movement and performance.

? demonstrate the knowledge and skills to achieve and maintain a health-enhancing level of physical activity.

? demonstrate the knowledge and skills to achieve and maintain a health-enhancing level of fitness.

? exhibit responsible personal and social behavior that respects self and others.

? recognize the value of physical activity for health, enjoyment, challenge, self-expression, and social interaction.

Default Ale Certificated Teacher: Jodie Davis

Ale Course is Active: 1

Ale Course is Parent Template: 0

State Course Codes:MISC0007 (Elementary Curriculum)

Ale Course Type:NCAA n/a

State Subject Area:Physical, Health, and Safety Education

SIS Course Code: PE0050

Ale Course Grading Scale: Excelling – EX - 3.50-4.00 Meeting – ME - 2.75-3.49 Approaching - AP- 2.00-2.74 Beginning – BE - 1.99 or below

Ale Course Available Credits: N/A

Ale Course Prerequisites:

Ale Course Texts:

Ale Course Additional Resources:

Instructional Materials needed: Internet access, computer, printer, printer paper and ink, modern OS/ software/web browser, webcam, headphones with microphone- if not built into computer, binder, filler paper, tabs, pencil, crayons, scissors, glue, small whiteboard with eraser and markers, camera (cell phone is fine) Sports Materials: gym shoes, various sports balls, and clothing for exercise.

Average Number Of Hours Of Study Per Week:
1.50

Syllabus

This section of the course helps young learners establish a basic understanding of health and fitness. Students focus on health-related fitness and learn how to become more fit and healthy. Topics of study include exercise safety, making healthy choices, nutrition, the benefits, components and principles of fitness, basic anatomy and physiology, and values of cooperation and teamwork. In addition, students learn age-appropriate motor, non-locomotor, and manipulative skills. Students are required to participate in regular physical activity.

Objectives

Ale Course Objectives:

demonstrate competency in a variety of motor skills and movement patterns.

? demonstrate competency in a variety of motor skills and movement patterns through balance, weight transfer, and rhythmic skills.

? demonstrate competency in a variety of motor skills and movement

patterns through skill for controlling or manipulating objects.
? apply knowledge of concepts, principles, strategies, and tactics related to movement and performance.
? demonstrate the knowledge and skills to achieve and maintain a health-enhancing level of physical activity.
? demonstrate the knowledge and skills to achieve and maintain a health-enhancing level of fitness.
? exhibit responsible personal and social behavior that respects self and others.
? recognize the value of physical activity for health, enjoyment, challenge, self-expression, and social interaction.

Ale Course Standards:

Course is aligned with current Federal Way Public Schools Priority Standards and Washington state standards.

Ale Course Learning Requirements:

Weekly Work Completion: Scholars will submit original work in all classes each week.

Original Work Submissions: Scholars will only submit their original work. If a scholar uses outside sources in the creation of their original work, citations must be present in the format requested by their teacher.

Weekly Communication: Scholars will communicate weekly with their teachers regarding their academic progress.

Functioning Technology/Required Materials: Scholars will always have constant and consistent access to the functioning hardware, software, technology, and required materials necessary to complete their coursework in all classes.

Academic Integrity: Academic integrity is essential to learning. scholars are expected to complete their own work. Copying, plagiarizing, cheating, or other methods of intentional deception are prohibited and could result in the scholar's removal from the class or iA entirely.

IA Policy1st Offense: The scholar will be contacted by the teacher via phone call, the scholar will be made aware of the plagiarism and examples of how this can be avoided will be discussed. Direct instruction on plagiarism will be delivered by the teacher. iA Administration and other teachers will be made aware of the plagiarism. The work must be redone without plagiarism.
2nd Offense: The scholar and parents will be contacted by the teacher directly and the scholar will have to complete the plagiarized assignment without plagiarism before moving on in

the course. iA Administration will be made aware.

3rd Offense: The scholar will be withdrawn from the course or iA depending on the severity and/or frequency of the plagiarism.

WAC (Weekly Academic Contact): State regulations require scholars in online programs to have weekly academic contact with each teacher. This occurs by engaging with the curriculum and online instruction, submitting assignments to make progress in learning, and successfully completing courses. Scholars have multiple opportunities and methods to achieve weekly academic contact and receive teacher assistance and feedback: email, message, live online sessions, assignments, phone, and/or face-to-face meetings by appointment when applicable and in accordance with social distancing guidelines. In accordance with new state law the iA Weekly Academic Contact policies are changing. To ensure the success of all iA scholars, Weekly Academic Contact is required to remain enrolled at iA.

1st week missed WAC= Notification of missed WAC that informs scholars and parents of the consequences of additional missed WAC.

(Step 1)

2nd consecutive or 3rd cumulative week of missed WAC= The scholar and parent must conference with a designee to discuss the missed contact, administer a “screener”, and develop a data-based interventions plan. (Step 2)

5th consecutive OR 6 cumulative of missed WAC= BECCA petition will be filed. (Step 3)

Ale Course Academic Goals:

Activities

Ale Course Learning Activities:

Evaluation

Ale Course Evaluation Methods:

Monthly Progress Review: State law also requires enrolled scholars to maintain monthly forward progress toward completing classes with success. Scholars are expected to complete one monthly module of at-standard work or have completed the teacher-prescribed plan as assigned by the certificated teacher of that course. If the assigned at-standard work is submitted, the scholar will be considered having made Satisfactory Progress. If the assigned work is not submitted

and/or is not at standard, the scholar will be considered having made Unsatisfactory Progress.

An overall Monthly Progress Review (MPR) score will be prepared in the ALE App and notification that they are ready to be viewed will be emailed to every family once a month by the Advisory/Homeroom teacher to communicate overall progress towards mastery and passing of the courses.

Scholars are either making Satisfactory Progress or Unsatisfactory Progress. If a scholar is considered having made Satisfactory progress (by the individual teachers in individual courses) in 50% or more of their courses, they will be considered having made Satisfactory progress overall. If a scholar is considered having made Unsatisfactory progress (by the individual teachers in individual courses) in more than 50% of their courses they will be considered having made Unsatisfactory Progress overall. If a scholar is determined to have made Unsatisfactory Progress for consecutive months, the Advisory/Homeroom teacher will include escalating intervention plans each month in the Monthly Progress Review. If a scholar reaches 3 months of Unsatisfactory Progress they may be withdrawn by the administration.

Timelines:

September Timeline:

Complete all lessons and assignments in the September module on your "modules" page in Canvas.

October Timeline:

Complete all lessons and assignments in the October module on your "modules" page in Canvas.

November Timeline:

Complete all lessons and assignments in the November module on your "modules" page in Canvas.

December Timeline:

Complete all lessons and assignments in the December module on your "modules" page in Canvas.

January Timeline:

Complete all lessons and assignments in the January module

on your "modules" page in Canvas.

February Timeline:

Complete all lessons and assignments in the February module on your "modules" page in Canvas.

March Timeline:

Complete all lessons and assignments in the March module on your "modules" page in Canvas.

April Timeline:

Complete all lessons and assignments in the April module on your "modules" page in Canvas.

May Timeline:

Complete all lessons and assignments in the May module on your "modules" page in Canvas.

June Timeline:

Complete all lessons and assignments in the June module on your "modules" page in Canvas.
