Name _____ E-Learning Day 1

PAUL BUNYAN

Paul Bunyan weighed 86 pounds when he was born. The first thing he wanted to do was eat flapjacks. Paul's parents used to sit him in an oxcart that they used as a cradle. Baby Paul would cut his teeth on an ax. By the time he learned to walk, he decided to become a logger!

See if you can be as energetic as Paul Bunyan. Answer these problems.
