SEPTEMBER NEWSLETTER 2026

Message From the Principal

OHS Families and Friends,

I hope this message finds you safe and well! The school year is officially in full swing, and it has been wonderful seeing our students back on campus, connecting with friends, learning, and enjoying all that OHS has to offer.

Our students had a busy August, with many participating in athletics and getting involved in a wide variety of clubs and activities. The positive energy from our students and staff has been evident throughout campus, and we are proud of the strong start to the school year. A big thank you to everyone who joined us for Back to School Night last week. We loved seeing so many of our families on campus!

Progress reports and report cards are available digitally and will not be mailed home. With 1st Quarter Progress Reports coming up on September 11th, now is a great time for students to check in on their grades and get the support they need. Students are encouraged to attend Consultation at 8:00 AM on Monday, Tuesday, Thursday, and Friday to meet with their teachers and receive additional help. Below, you will find our daily tutoring schedule as well.

Tiger Football is Back! We are excited to invite our OHS families and community to join us for our first home football game of the year on Friday, September 11th! Come out, fill the stands, and help us cheer on our Tigers. We look forward to seeing our families, friends, and fans there showing their Tiger pride!

This update includes additional information and important reminders for the school year. As always, please don't hesitate to reach out if you have questions or need assistance. We are here to support our students and families every step of the way!

Here's to a fantastic school year, Tigers!

Sincerely,

Kristen Wiedenman

Report Cards

The **1st Quarter Progress Reports** will be available on **September 11, 2026** through the Aeries Portal. The **1st Quarter ends on October 8, 2026**, and report cards will be sent to families through **ParentSquare** the following week.

As we begin another exciting school year, we'd like to remind students and families about Oroville High School's **Cell Phone Expectations & Procedures**.

Beginning this year, California's **Phone-Free School Act (AB 3216)** requires schools to limit cell phone use during instructional time. At Oroville High, our expectation is simple: **cell phones are put away during class time—both inside and outside of the classroom**. Students are welcome to use their phones **before school, during passing periods, lunch, and after school**. During class, our focus is on learning, building relationships, and creating an environment where every student has the opportunity to succeed without distractions.

Parents and guardians can help by not calling or texting students during class time. If you need to get a message to your student, our office staff is always happy to help.

Thank you for partnering with us as we work together to create a productive learning environment. Together, let's make it a great year by supporting our students in being engaged and making the most of every class period!

Attendance

Attendance

Attendance Matters

Good attendance benefits your child's education. Please call our attendance staff at extension 3310 or 3311 whenever your child is absent. Please provide the following information:

- Child's Name
- Date of the Absence and the Reason
- You can also email us at mmedina@ouhsd.net or smedina@ouhsd.net
- Only persons listed in Aeries can excuse an absence.

[Attendance Policy](#)

Students not feeling well while at school are to let the teacher know so they can be sent to the attendance office where the nurse can check them or the we will contact the parent/guardian to come pick them up. To avoid texting in class, we will not send passes for sick students.

Every Minute Matters: Be On Time!

At Oroville High School, we believe that **being on time matters**. Arriving to class on time helps students start the lesson with their classmates, stay connected to learning, and build habits of punctuality that will serve them well in college, careers, and life. Our goal isn't simply to reduce tardies—it's to help every student be successful. That's why our Tardy Policy is designed to provide support before consequences. Teachers begin by having conversations with students, reinforcing expectations, and partnering with families. If tardiness continues, students will be assigned an intervention through our Tardy Intervention Team to help them get back on track.

For every six tardies, an intervention will be assigned. Interventions can be served one of three ways:

- **CONSULTATION**: Before school, completing work with a teacher during the full Consultation time.
- **LUNCH**: At lunch in the library (room L3) on their assigned day
- **CAMPUS CLEAN UP**: After school, meet at the Attendance Office to conduct campus clean up from 3:35-4:00pm.

Students must serve their intervention by the assigned day to attend any home sporting events, field trips, dances, and other extracurricular activities. Families can also make a big difference by encouraging regular attendance and helping students arrive at school on time each day. Every class period is an opportunity to learn, connect, and grow.

Appropriate Attire: Dress for Success!

As we kick off another great year at Oroville High School, we'd like to remind students and families about our **Appropriate Attire Guidelines**.

Our dress code is built around a simple idea: **school is a place for learning, preparing for future careers, and showing respect for ourselves and others**. Just as many workplaces have expectations for professional attire, school helps students develop those habits and responsibilities.

A few reminders:

- Shirts should have **straps, sides, and a front** (no strapless or open-side tops).
- Clothing should cover the **midriff and buttocks** and be worn appropriately at the waist.
- Clothing or accessories with **sexually suggestive messages, gang-related symbols**, or references to **drugs, alcohol, or marijuana (including 420)** are not permitted.
- Shoes must be worn at all times.

If a student's attire doesn't meet school expectations, the student will be expected to change into appropriate clothing.

Thank you for partnering with us to make Oroville High a place where everyone can **Be Safe, Respectful, and Responsible**. Together, let's make it a fantastic school year!

Counseling

Counselors

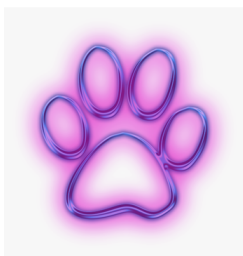

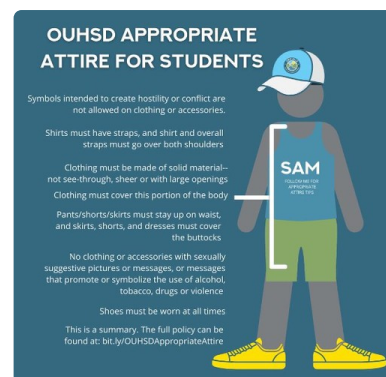

Students can sign up to see their counselor in the counseling office. Make an appointment to see your counselor to organize your academic schedule, for personal and social issues on campus and for planning for college or career path after your high school education.

Work Permits

Even during the summer, work permits are still required for students who want to have a job. These permits help ensure that teens are working in safe, age-appropriate conditions and that employers are following youth labor laws.

For parents, work permits also provide reassurance and involvement—you'll know where your child is working and approve the arrangement ahead of time. It's an extra layer of protection while your teen gains valuable experience. It's also important to remember that the Oroville Union High School District grade and attendance requirements still apply, even over the summer. Students must remain in good standing to keep their work permit, reinforcing the importance of responsibility both on and off the job.

If you would like to obtain a Work Permit, the following steps will need to be completed:

1. Print out and complete both of the following form:

[Work Permit Form](#)

Forms can also be picked up in the Counseling office. Office Hours 8:00 - 3:00

2. Once forms are completely filled out by student, parents and the employer, they can be brought into the office. Please make sure all pages are complete! After forms have been received, grades and attendance will be checked in

Medications

If your student needs to take medication during the school day, a doctor's signed authorization form must be kept on file in the attendance office. Over the counter medications, such as Tylenol or Excedrin, are not allowed on campus, and must be left in the office with doctor permission only. Anyone with unauthorized medications is in violation of the district drug policy and may face disciplinary action. Please take any necessary medications to the Attendance Office and pick up a Medication Authorization form as soon as possible.

ENROLLMENTS FOR STUDENTS NEW TO OROVILLE HIGH

**Excluding 9th graders coming from our local feeder schools already in our database. If your student is new to Oroville High, or the Oroville Union High School District, please contact Michela Monnot in the counseling office. Email: ohsregistrar@ouhsd.net or call 530-538-2320, ext. #3309.

NEED ASSISTANCE WITH THE ON-LINE REGISTRATION/DATA CONFIRMATION

If you are a parent of a student already enrolled with Oroville High, (including 9th graders coming from our local feeder schools), and you need help with the annual data confirmation please give us a call at 530/538-2320, ext. 3309.

Parent Data Confirmation

Online Parent Data Confirmation will open in July. Families should be on the lookout for an email with instructions on how to complete the process.

This step is important to ensure that your contact information, emergency details, and student records are accurate and up to date for the upcoming school year. Please check your inbox (and spam folder) and complete the confirmation as soon as possible once it becomes available.

Aeries. If you have met the requirements, a work permit will be issued. This work permit will only be valid for the employer that is listed. If you have multiple jobs, you will need one for each job.
