

CELEBRATION BOOK CLUB

Einstein Elementary Library

Dear Einstein Families,

The Celebration Book Club is an optional program that allows you to make a monetary donation to celebrate a special occasion in your child's life while helping to maintain and update our school's library collection. We invite you to participate.

Possible celebrations:

- ❖ a birthday
- ❖ a holiday or tradition
- ❖ in honor or memory of someone
- ❖ an accomplishment
- ❖ anything you feel called to celebrate

The suggested donation is **\$20**, and donations will be used to purchase new books. Your student will select one book from the new collection to donate to the library. If you are unable to donate funds, please select the *Success Fund* option on the form below and your child will still be able to select a book to donate for their special occasion.

A personalized label, including your child's name and the celebrated event, will be placed in the book to commemorate your child's donation. Your child will be the first to check out the new book, and upon return, the book will become part of our library collection for all to enjoy! The selection of a Celebration Book will take place between October and March, and the book label will reflect the actual celebration month (i.e., a July birthday student might select a book in March, but the book label will still say "July birthday").

To participate:

1. Complete the form below for each child participating.
2. Provide cash (exact amount) or a check *made out to Einstein PTSA*, noting "Celebration Book Club" in the memo. If you have multiple children, one total payment is accepted.
3. Place the form and payment in an envelope addressed to **Einstein Celebration Book Club**.

Thank you for supporting the Einstein library! For questions or form requests, please contact Aimée Ashley at aiashley@lwsd.org.
