

AISD is committed to the protection of all children and young people from harm. We recognize that child protection and welfare considerations permeate all aspects of school life and must be reflected in all of the school's policies, practices, and activities. We require all staff and faculty applicants to undergo stringent selection and screening processes before being allowed to work with children.

Position Title: Elementary Classroom Teacher

Position Summary: Are you a passionate, innovative educator ready to nurture curious young minds and shape the next generation of global citizens? Do you believe that childhood is a time of wonder, and that an inquiry-driven classroom is where identity, empathy, and academic confidence take root? At the American International School Dhaka (AISD), our commitment in the Elementary School is for every child to be supported, challenged, and growing, and we're looking for an exceptional, collaborative, and nurturing Elementary Classroom Teacher who shares that commitment.

This is more than a teaching position; it's an opportunity to create a dynamic and inclusive learning environment where students observe, wonder, and inquire as they grow into confident, principled learners. You will be a vital part of the Elementary School team, delivering the International Baccalaureate Primary Years Programme (PYP) within our diverse, international school setting. We are seeking an experienced educator to begin in this role in August 2027.

Qualifications:

Education: A Bachelor's degree from a reputed university is required; a Master's degree is preferred, alongside relevant certification.

Experience: At least three years of professional experience as an elementary classroom teacher and experience with the IB Primary Years Programme (PYP) and/or inquiry-based teaching and learning. Preference given to candidates with experience in international school settings.

Reports to and is evaluated by: Elementary School Principal

Employment Arrangements: [Teacher Salary Schedule](#)

MAJOR AREAS OF RESPONSIBILITY INCLUDE

As an Elementary Classroom Teacher at AISD, you will:

- Cultivate a joyful classroom environment where students feel safe, valued, and known, and where trust runs deep with students, families, and colleagues.
- As a teacher in a PYP programme, plan and deliver inquiry-based learning that invites students to observe, wonder, and take action.
- Keep engagement and growth high for every learner using high-impact teaching strategies and supported by UDL principles that make learning flexible and accessible to all.
- Collaborate with Elementary School colleagues to review and enhance curriculum, resources, assessments, and instruction that meet students' needs and support schoolwide priorities.
- Assess learning continuously offering timely, descriptive feedback and using data to guide what comes next for each student within an MTSS framework.
- Communicate openly with families and colleagues, keeping them up to date on student progress.
- Pursue ongoing professional growth to strengthen your practice.
- Engage students beyond the classroom through coaching, clubs, trips, and service, and model the values you hope to see in them.

"Preparing students to become stewards of a just and sustainable world."

- A willingness to *step in* and *step up* in support of colleagues, students, and the wider community.
- A commitment to contributing to the cultural competence of our community. As a progressive international school with families from over 40 nations, we recognize our responsibility to growing engaged global citizens equipped with empathy, courage, optimism, and integrity.
- Undertake other duties as directed by the Principal.

Inspired? We certainly hope so. Our team is waiting to hear from you at applyjob@aisdhaka.org. Send us your one-page response to the above, along with your CV, all in one tidy PDF document.

MISSION: AISD creates an academic and social environment based on American educational principles. We challenge students from an international community to achieve their potential, become life-long learners and contribute to a changing global society.
