E-Learning Plans

Day One

If you have any questions, feel free to email Mr. Dixon at gdixon@hcsdsc.org or send me a message via ClassDojo.

- iReady Personalized Pathway (30-40 Minutes)
- • Log into iReady and complete one math and one ELA lesson on your
- personal pathway.
- • How do I login to iReady?
- • Click the link below to go to your ClassLink page.
- • https://login.classlink.com/my/hamptonsc
- • Once logged into ClassLink, select the iReady icon.
- • Complete one Math iReady lesson under “My Path”
- • Complete one ELA iReady lesson under “My Path”

Solve the math problems below. You must show your work. You can solve on paper or on the computer.

1. 703 – 468 =
2. 542 – 387 =
3. 621 – 459 =
4. 830 – 574 =
5. 764 – 286 =
6. 902 – 745 =
7. 615 – 437 =
8. 781 – 493 =
9. 654 – 378 =
10. 827 – 648 =

Read the story and answer the following questions. You must write in complete sentences. You can write on paper or type on the computer.

The Lost Puppy

One sunny morning, Mia walked to the park with her mom. As they entered, Mia heard a soft bark. She looked around and saw a small brown puppy sitting near the slide. The puppy had no collar. Mia gently picked up the puppy and said, “Where is your home?” The puppy wagged its tail but didn’t move. Mia’s mom suggested they ask the other children in the park if anyone had lost a puppy.

After asking around, no one knew who the puppy belonged to. Finally, Mia and her mom decided to take the puppy to the animal shelter. At the shelter, the worker smiled and said, “We will take good care of this puppy until we find its owner.”

Mia felt happy knowing the puppy would be safe.

Questions From The Story: The Lost Puppy

1. **Who** found the puppy at the park?
2. **What** did Mia hear when she entered the park?
3. **Where** was the puppy sitting?
4. **Why** did Mia and her mom go to the animal shelter?
5. **When** did Mia and her mom go to the park?
6. **Which** person said they would take care of the puppy?
