E-Learning Plans

Day Two

If you have any questions, feel free to email Mr. Dixon at gdixon@hcsdsc.org or send me a message via ClassDojo.

- *Work on your iReady Personalized Pathway for 40 Minutes*
- • *Log into iReady and complete one math and one ELA lesson on your*
- *personal pathway.*

• How do I login to iReady?

- • Click the link below to go to your ClassLink page.
- • https://login.classlink.com/my/hamptonsc
- • Once logged into ClassLink, select the iReady icon.
- • Complete one Math iReady lesson under “My Path”
- • Complete one ELA iReady lesson under “My Path”

Identify the correct value of the underline digit below for each number listed below. You may type your responses on the computer or complete your work on paper.

Column A	**Column B**
47,328	9,658
6,351	81,045
8,729	4,219
5,164	63,870
92,580	5,436
7,482	7,205
3,597	1,948
14,362	38,256
2,743	6,739
9,847	25,614

Math the effect with the correct cause. You can write the correct matches on paper or type it on the computer.

Causes

1. The power went out during the storm.
2. Sarah studied hard for her spelling test.
3. The dog dug a hole in the yard.
4. Jamal forgot his umbrella.
5. The teacher clapped her hands twice.
6. The baby was very tired.
7. Alex left his bike in the rain overnight.
8. The soccer team practiced every day.
9. The oven timer beeped loudly.
10. Mia watered her flowers every morning.

Effects

A. The flowers grew healthy and tall.

B. Everyone in the class got quiet.

C. Jamal got soaked on his way home.

D. The baby fell asleep quickly.

E. Sarah got a 100% on her test.

F. The cake was ready to come out.

G. The dog’s paws were muddy.

H. Alex’s bike chain got rusty.

I. The soccer team won their big game.

J. The lights in the house went off.

Write one paragraph (at least five to six sentences) about a movie you really like.
You can type it or write it on a sheet of paper.
