## Story: *Lila's New Shoes*

Lila got a new pair of red shoes for her birthday. She was very excited to wear them to school. When she walked into class, her friend Emma said, "Wow, those are so bright and shiny!" During recess, Lila ran across the playground as fast as she could. She felt like the new shoes made her run even quicker. After recess, Lila told her teacher, "These are the best shoes I've ever had!" When she got home, Lila carefully placed the shoes back in the box so they would stay clean for the next day.

# Answer the following questions.

1. What color were Lila’s new shoes?
2. Who noticed Lila’s shoes at school?
3. Why did Lila think her shoes were special?
4. What did Lila say about her shoes after recess?
5. How did Lila take care of her shoes at home?
