

Metro Tech Mentor Program - Parental Consent Form

In accordance with Oklahoma House Bill 3958

Student Name: _____

School/Career Major: _____

Dear Parent/Guardian,

Your student has expressed interest in participating in the Metro Tech Mentor Program. This program is designed to foster positive relationships between students and professionals, promote career readiness, and support academic and personal growth.

As part of this program, your student will be paired with a vetted adult mentor. Mentorship activities may include:

- One-on-one meetings held in person on school grounds or in supervised locations
- Weekly communication by phone or email
- Goal setting, career exploration, and academic support

In compliance with HB 3958, we are required to obtain your written consent before your child can participate in any one-on-one mentoring sessions with an adult.

All mentors have undergone a background check and received training on youth safety, confidentiality, and professional boundaries. Metro Tech staff will monitor the program and maintain open communication with both mentors and students throughout the year.

Please complete the following consent form and have your student return to their campus counselor by September 25, 2026.

Applications received after September 25, 2026 may be placed on wait list.
