

Attention **8th, 9th, and 10th graders**, we invite you to join us on an incredible adventure to Japan in 2028! From cutting-edge technology centers to centuries-old cultural sites, students will experience the perfect blend of STEM and Japanese culture. This trip will take place in June 2028 and we would love to have you join us! Highlights include the Japan Aerospace Exploration Agency, exploring traditional temples in Kyoto, experiencing a tea ceremony, and touring the Maglev Exhibition Center.

To learn more, please RSVP for our informational meeting on September 30th at 6:00pm in Chambers B room of the Municipal Building. You do not need to attend if you are already registered for the trip. If you cannot make the meeting, but you would like more information, please fill out the RSVP form and indicate this in the comments section.

DISCOVERING STEM IN JAPAN

We're headed to Japan to explore robotics, engineering, and culture in Tokyo and Kyoto! During this week-long adventure, students will visit famous temples, traditional villages, and cultural landmarks, including the Imperial Palace and a traditional Japanese tea ceremony. With a STEM focus, we'll also explore innovative destinations such as Cyberdyne Studio, JAXA, KEK, and the Maglev Exhibition Center while discovering how technology and tradition connect in modern Japan.

Interested? Come to our Info Meeting to learn more!

**TRIP DATE:
JUNE 2028**

RSVP TO LEARN MORE:

**OPEN TO STUDENTS IN THE CLASS OF
2031, 2030, AND 2029**
