Please consider joining us on Family Night! Family Night will be held on Friday Sept 18. Come by the LHP library anytime between 5:30 pm to 7:00 pm! PTA is hosting spaghetti night as well!

We encourage families to set up an easy payment option called an eWallet. Funds are preloaded into an account for your student so that they can easily shop the fair. Please set up an eWallet from our book fair website. Setting up an eWallet before the start of the fair will give the Scholastic system time to update with your student's information. Cash and card payments are also accepted. No checks please.
