August 2026

Dear HHS Parents/Guardians,

As summer winds down, I find myself thinking about how quickly the past year went by, and how much I have valued being part of the HHS community again. I hope you are enjoying these last few days of summer and making the most of the remaining time with family and friends before the new school year begins.

It is with great excitement and pride that I write to you as I begin my second year serving as Interim High School Principal. This past year has been one of the most rewarding of my career. I loved the opportunity to continue building on the relationships I began years ago in the middle school. Watching your children grow and thrive here at Hewlett High School has been an incredible experience. I am thankful for your continued partnership as we work together toward academic excellence, while providing a safe and inclusive environment for all our students. I look forward to building on the momentum of this past year and to another year filled with growth, celebrations, and shared success as we prepare our students for their futures beyond HHS.

I hope you and your families enjoy the rest of the summer. Please be sure that you are able to access your Parent Portal account prior to the posting of student schedules in late August. We will send out notification when schedules are available. If you are having difficulty accessing your account, please email parentportal@hewlett-woodmere.net.

I look forward to greeting your children on September 1st!

Sincerely,

Dr. Al Bauer
Interim Principal
