Dear PCSD Elementary Families,

To help ensure the safety of our students, staff, and visitors, vehicles arriving to pick up students at dismissal will not be permitted on school property until 3:00 PM.

This procedure is being implemented at all elementary buildings as a general safety precaution to help keep school entrances and driveways clear and accessible at all times, including for buses, families, staff, deliveries, and emergency responders if needed. Maintaining clear access to our buildings is an important part of our overall school safety and daily operations efforts.

We kindly ask for your patience and cooperation during dismissal procedures. Your support helps us provide a safer environment for all students and staff.

Thank you in advance for your understanding and cooperation.

Sincerely,

Dr. Scott J. Hunt, Superintendent

Dr. Amy Cruse, Assistant Superintendent

Mr. Bill Pelko, Supervisor of Safety, Security, and Student Wellness
