WHAT'S HAPPENING AT BRIDGES:

Hello Bridges Families,
I hope you are all enjoying the rest of your summer! Summer Bridges was truly one to remember.

As we wrap up summer, I am already looking forward to welcoming students back to Bridges for the new school year. Whether your student is returning to Bridges or joining us for the first time, we are excited to have them! Bridges registration will be opening soon, so please keep an eye out for more information. Our regular Bridges programming will officially begin on September 8th.

We will also offer a limited Bridges program on the Early Release Day, September 4th, from 1:00-3:00 PM. Space for this day will be limited to approximately 45-50 students, so families interested in attending should be sure to sign up once registration becomes available. I am looking forward to another great school year and can't wait to see everyone again soon!
If you have any questions, comments, or concerns, please feel free to contact me at neverett@cvsu.org. Enjoy the rest of your summer!

Northfield PTNO News:

Welcome Back, NES Families & Friends!

The Northfield PTNO has hit the ground running, and we're excited for another awesome (and busy) school year!

We're kicking things off with our PTNO game booth at the Northfield Labor Day Weekend Festival! There are two big ways you can help make our booth a success: Volunteer: We need volunteers to help run our games. [Sign up here](#).

Donate stuffed toys: We are looking for gently loved, clean stuffed toys to use as prizes. Have some to donate? Message the PTNO and we'll arrange a pickup!

Popcorn Friday: On the last Friday of each month we will be doing a popcorn fundraiser where kids can get a bag of popcorn for \$1. Be on the lookout for sign up sheets

The first PTNO meeting of the new school year will be: Sunday, September 13th at 1:00 PM

We'll kick off the new school year, talk about upcoming events and opportunities, and get to work supporting NES students, teachers, and families.

New and returning members (and their children) are always welcome! We hope to see you there.

Art Studio News from Julie:

News from Julie in the Art Studio: I'm excited to welcome your children back into the Art Studio for another year of exploration, discovery, creativity and growth as an artist. Please begin sending in recyclables for our 3D Sculpture Center on Sept 8th. We are in need of tp and pt tubes, tissue sized boxes (or smaller), and clean plastic bottle caps. Many thanks!!

Notes From Nurse Ruthie:

Meet Your New School Nurse: Ruthie Tintile!

Hello Northfield Elementary Families!

I am so excited to introduce myself as your new School Nurse! I look forward to supporting you and your children to ensure a healthy, happy school year ahead. I bring a unique blend of care and education to our community. I have been a nurse for 18 years, and before entering healthcare, I had the wonderful pleasure of being an elementary Music teacher!

- My Home Life: I live in Waterbury Center with my husband and our three children.
- Our Hobbies: Together, we love hiking, playing music, gardening, and swimming.
- My Promise: My door is always open! Please never hesitate to reach out with any questions or health concerns.

I cannot wait to meet you all!

Wellness News from Ms. Carly:

NES is glad to welcome our students and families back for a great school year! Transitions can be difficult, while exciting at the same time. Focusing on what matters and letting go of lower priorities can help you and your child feel more balanced at this time. At NES, we will focus on social connections, school routines and expectations, and emotional coping as we start things up. Asking open-ended questions can help your child process their school day reflectively. "What was something you were excited about today?", "How did you contribute to that conversation?", "Why do you think those classroom expectations are important for all learners in your class?", "How did you work through feeling that way?". Feel free to reach out anytime with questions or concerns about anything child or family centered and I will always try my best to work through it with you! chumke@cvsu.org.

News from Mr. G

Our popular 'Walking Wednesday' with Mr. G is back. Starting Wednesday, September 9th, we will meet at Norwich University, next to the football gate. The time to meet is 7:00-7:15 AM. At 7:15 AM we will begin our walk to school. Our fall session will continue each Wednesday until November 18th.
