

Arvon Middle School North Yearbook Club

The AMSN Yearbook Club serves North by helping create the student yearbook. Students participate in multiple aspects of the process, such as taking photos, coming up with designs, marketing, and formatting. Being a member requires students to stay after school to photograph events and design pages. Students do not need to have prior photography experience, but they have to be willing to take pictures and learn. As a result of their hard work, each club member will be eligible to receive a free basic yearbook at the end of the year.

1st Semester Sports Schedule (subject to change)

September 10th - Soccer, Volleyball

September 16th - Cross country

November 12th - Boys' basketball

Football TBD

Students need to stay after school until the evening to photograph school sports. These meetings usually last until 7 (sometimes later). In addition to the dates above, the club meets after school to discuss the yearbook, edit pictures, and format pages. Those are typically held on Tuesdays or Thursdays until 5pm. As these meetings aren't weekly, Mrs. Livingston messages students to let them know when meetings are being held. **Students are responsible for checking their Schoology messages regularly.**

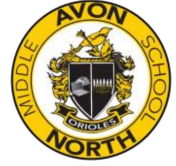

It is expected that students attend the majority of the meetings and a failure to do so/communicate absences results in removal from the club (see contract in application). Students can earn a free yearbook if they attend a minimum of 10 meetings throughout the year. Due to organizational restrictions, only 15 total students can join the club. Please be aware that there are already some students in it who participated last year.

If you are interested in joining the Yearbook Club, separate the attached application and return to Mrs. Livingston (C119) **no later than September 11th.**

Remove this page prior to turning in your application so you have the semester athletic dates.
