Dukes EDUCATION

UNIFORM AND DRESS CODE

Wearing a uniform is compulsory from Nursery/Pre-Prep up to Year 11 (4º ESO). Sixth Form (Bachillerato) students are exempt from wearing the uniform, though it is essential that they dress appropriately. The dress code details are provided at the start of the academic year.

It is important that students arrive properly attired in their uniform

- PE Days: On sports days, students must arrive in their tracksuit.
- Footwear: Navy blue or black shoes are required with the standard uniform, and trainers/sneakers with the tracksuit.
- Extracurricular Activities: On days with extracurricular activities, students arrive in uniform and change in the changing rooms before the activities.
- Art Smock / Painting Apron (Babi): Compulsory up to Year 5 (4º Primaria). It must be taken home on Fridays to be washed and returned on Mondays.
- Name Labels: All items of clothing must be clearly labelled.

In order to foster good school harmony and respect for established rules, students must refrain from wearing non-uniform items to school. This includes long-sleeved or polo-neck tops underneath the polo shirt in a different colour, non-school sweatshirts used instead of a cardigan or jumper, neck scarves, caps, or garments covering the face.

Please note that piercings, dreadlocks, earrings on male students, dyed hair, painted nails, wearing makeup to class, excessively short skirts, and any other external display that, in the Headteacher's/Management's opinion, breaches correct uniform standards are not permitted
