We are committed to creating a school where there is a sense of belonging, a desire for community, and a place where we encourage one another to take risks, which is part of the learning process. Our school has a long record of successfully preparing students for entry into colleges and universities across America, and this year our students will take over 800 Advanced Placement tests. Magazines such as Newsweek and US News and World Report have designated NAHS as one of America's finest high schools. In athletics, NAHS consistently wins conference and state championships and is recognized as having one of the finest athletic programs in Ohio. Our arts form a vital part of our mission to prepare students for a dynamic future, and our drama, music, and visual arts programs are outstanding.

THE HUMANITIES AT NEW ALBANY HIGH SCHOOL

Students complete a rigorous Introduction to the Humanities course in their freshman year. This course is a combination of English (1 cr) and social studies (1 cr) which meets 2 periods each day and is co-taught by English and social studies faculty. The importance of writing, critical thinking, and developing an appreciation for ideas from the past are ingrained into our humanities, English, and social studies curricula.

GRADUATION REQUIREMENTS

Students are required to earn twenty-one (21) credits to graduate. Eighteen (18.5) are required courses while the remaining are student chosen electives. All required courses are rigorous college preparatory coursework taught by a dedicated, dynamic staff.
