

HERITAGE ELEMENTARY SCHOOL · HOSTED BY THE HERITAGE PTA

Family Math Night

Discover your child's **math personality**

One free evening for grades K-5 children and their families. Entirely hands-on, and every child leaves with a tote of everything they made.

Six math personalities, sealed. **Every child opens one on the night** and finds out which one is theirs.

EVERY CHILD GOES HOME WITH

A **keepsake Compass** · a **canvas tote** · everything they build at the four challenges · a sealed **personality card**

Four hands-on challenges. Doors open at 5:30 and the room closes at 7:00 PM, so please come right at 5:30 to get through all four.

Nothing is scored or ranked. Grown-ups play too, and you leave knowing how your child thinks about math.

DATE

Thu, Sep 17

TIME

5:30 - 7:00 PM

WHERE

Cafeteria

WHO

Grades K-5

RESERVE YOUR CHILD'S SPOT · FREE

One kit per child.

Every child needs their own spot. Sign each child up separately, adding + to your email: jane@email.com, then jane+1@email.com.
