

Foxview Students & Families,

Will you join the 2026 SCREEN-FREE CHALLENGE?

Are you ready to.....

- unplug and play in your neighborhood?
- put away your devices and play a board game with your family?
- set down your controllers and meet some friends at the park?

Foxview students and their families are invited to join the challenge-- **September 21-27, 2026**. Our local radio station, WIXX, is helping to make this our best year yet! Successful participants will be eligible to win fantastic prizes: cash, a motorized scooter, gift cards, an ice cream truck delivery for their school.

We are so excited to offer this opportunity. And, to make the week easier and more fun, we've also planned some play time-- especially for Foxview kids. Please see the attached schedule of events.

All students (K-12) in the listening area are invited to join. Parents too! Take the pledge posted on the [WIXX](#) Hub Page. And listen in for opportunities to share your screen-free experiences!

Let's connect, Foxview!

Questions? Contact Cara Berken cberken@depere.k12.wi.us

FOXVIEW INTERMEDIATE SCHOOL
SCREEN-FREE WEEK: September 21-27 2026

Monday, September 21 3:00-?
