

# SERVICE HOUR LOG

Florida Lottery: Student Service Challenge • Collier County Public Schools

Use one log for each organization where you serve. Only new hours earned September 7 – October 5, 2026 count; you need 20 or more in total. Your supervisor must sign below. Email all logs to [studentservicechallenge@collierschools.com](mailto:studentservicechallenge@collierschools.com) by October 6, 2026, 11:59 p.m.

## Service hours

| Date                          | Description of service performed | Hours |
|-------------------------------|----------------------------------|-------|
|                               |                                  |       |
|                               |                                  |       |
|                               |                                  |       |
|                               |                                  |       |
|                               |                                  |       |
|                               |                                  |       |
| TOTAL HOURS THIS ORGANIZATION |                                  |       |

**Supervisor certification.** I confirm the student performed the service described above, on the dates and for the hours recorded. CCPS may contact me to verify.

Supervisor signature \_\_\_\_\_ Printed name \_\_\_\_\_ Date \_\_\_\_\_

**Student certification.** I personally performed these hours between September 7 and October 5, 2026, and they are new hours not counted toward any other requirement.
