Foundation Construction

Structural Framing

Building Enclosure

Interior Construction

Project Completion

NEW ADDITION TAKING SHAPE

The new classroom addition saw major visible progress in July. Structural steel and the roof deck are now installed, classroom partition walls are underway, and fireproofing and exterior wall work continue.

WHAT'S NEXT?

Based on work underway at the end of July, crews will continue:

- Continue classroom partition walls
- Advance exterior wall framing
- Continue mechanical, plumbing and electrical rough-in
- Complete drainage and grading around the playground
- Continue fireproofing and interior work

The addition is moving into enclosure and interior construction.

Thank You!

Thank you to our students, families, staff, and community members for your continued support as we invest in facilities that will serve Beekmantown students for generations to come.

STAY INFORMED!

Visit our Capital Project page for the latest updates, photos, and information.
