

Notice of Withdrawal for Home Education

Per the Home Education Freedom Act, families are no longer required to notify the New Hampshire Education Department or their resident school district when beginning or ending a home education program. The Department no longer oversees home education programs.

However, **families withdrawing a child who is currently enrolled in a public school must notify the school or district in writing of their intent to withdraw.** This form serves as that written notification.

Date: _____

I am providing written notice that I am withdrawing the following child(ren) from the Governor Wentworth Regional School District/Middleton School District to participate in a home education program.
