# Drug-Free Awareness

In an ongoing effort to maintain safety and security for all District personnel and students, the Brooks County Independent School District would like you to know that if you or someone you know has a problem with drugs (including overuse of prescription drugs) or alcohol, help is available. BCISD policy DH Legal-P and DH Local-A, sets out the rules and parameters for reporting procedures and the establishment of our "Drug-Free Awareness" program. The following agencies can be contacted for assistance and guidance on how to help yourself or your loved one with substance or alcohol addiction.
