

WHAT IS THE STUDENT HUB?

The Student Hub is an online system for students to track their TOPS status in high school and throughout their college careers.

High school students whose schools report their grades in the Student Transcript System (STS) can use the TOPS Tracker to track their progress towards completing the TOPS core curriculum, view their TOPS Core GPA, and view the highest ACT scores LOSFA has on file.* Parental consent must be granted in STS to allow LOSFA to access high school transcript records.

After high school graduation, students can track their award letter, Rights and Responsibilities, and all notices sent by LOSFA via their Student Hub account. Once in college, all information relating to TOPS continuing eligibility and TOPS postsecondary GPA will be delivered via the TOPS Award Tracker.

*9th-grade students cannot set up a Student Hub account until their school reports grades via STS midyear or at the end of the school year.

HOW DO I LOG INTO THE STUDENT HUB?

To log into the Student Hub, go to losfa.laregents.edu and click on "Student Hub" at the top of the homepage.

In order to set up an account, you will need to use your assigned LOSFA ID or LA SecureID. *TCHS students use LA SecureID. (social security #)*

Once logged into your account, you will be able to check your TOPS status, ACT score, notifications, etc.

While logged into your account, you will also have the ability to choose to grant your parent(s) permission to access your information.

WHEN WILL I KNOW IF I HAVE TOPS?

LOSFA begins processing eligibility for TOPS in June each year. Although some high schools announce anticipated TOPS Awards at graduation, LOSFA is the only entity who determines eligibility, and you will receive an email notifying you of your eligibility from LOSFA once your eligibility has been determined. You can also monitor your TOPS eligibility status in your Student Hub account.
