THE BOYS' LATIN SCHOOL OF MARYLAND

2026-2027 PROFILE

OUR MISSION

The Boys' Latin School of Maryland instills the core values of courage, integrity, and compassion in each boy as embodied in our motto, Esse Quam Videri – To Be, Rather Than To Seem. Founded in 1844, Boys' Latin is a PK-12 boys' boarding and day school, and is the oldest nonsectarian college preparatory school for boys in the state.

By understanding how boys learn best, our talented faculty fosters enduring personal relationships and empowers each student to strive for academic and personal excellence.

PROGRAM HIGHLIGHTS

STUDENT LIFE PROGRAM Students receive added support and guidance through the advisory and seminar programs. Each boy meets weekly with an advisory group of 7-8 students, led by an upper school faculty member. The advisor acts as a liaison between school and parents, an intermediary between advisee and teachers, and a consultant for academic, social, and individual growth.

RETREAT PROGRAM Boys' Latin is committed to a strong character education that produces well-rounded citizens. Ninth graders spend a day together early in the school year to get acquainted, build trust, and orientate to the upper school. Tenth graders spend a day off-campus in October engaging in community service and team-building exercises. Eleventh graders go off-campus in May for a one night retreat meant to prepare them for senior leadership at Boys' Latin. The retreat program culminates senior year with a four day retreat in the winter. This retreat is a capstone experience grounded in self-reflection, self-understanding, and goal setting.

GPA range (weighted)

SENIOR SPEECH PROGRAM Each senior prepares a five-minute speech with the support of BL faculty. Students receive individual coaching focused on tempo, articulation, projection, eye contact, and anxiety management. The expectations of this experience are that each senior develops the ability to speak in front of a large audience and produces an engaging, appropriate, and well-structured presentation. Seniors present their speeches at upper school assemblies, attended by family and friends.

WILLIAMS SCHOLARS PROGRAM Named for Jack H. Williams '38 – Headmaster from 1962 until 1978 – this program identifies and rewards students who honor Boys' Latin with their individual academic achievement and service. Benefits include summer grants for programming and experiences relating to academic pursuits. Induction requirements include a record of commitment to all aspects of school life, a cumulative weighted grade point average of at least 3.95, and enrollment in a minimum of three honors or AP level courses each semester.

CO-CURRICULAR OFFERINGS At Boys' Latin we put a premium on a rich co-curricular experience. We offer many varsity and JV sports and several club sports. Our theater arts program allows students to pursue their passion as actors, set designers, lighting technicians, and even directors. Robotics is a thriving program at Boys' Latin. Our team competes in local and regional robotics tournaments throughout the year. Boys' Latin students have myriad opportunities outside the classroom to pursue their passion in visual art, which culminates in a student art show at the end of each semester. Students interested in music partake in a robust choral and instrumental music program whose groups perform on and off campus. The Laker Buddy program allows upper school students to mentor boys in the lower and middle schools. Each September, students are invited to take initiative and create a new club to augment the dynamic list of existing student-led clubs. Some examples of clubs at Boys' Latin include: The Michelin Men, Jewish Awareness Club, Mock Trial, Model UN, and Spirit Club.
