

Washington Elementary School News

BACK TO SCHOOL EDITION

Principal's Message

Welcome Back, Washington Families!

We are off to a wonderful start! Our students returned with excitement and enthusiasm as they met their new teachers and classmates. A special thank-you to our teachers, front office, custodial, and cafeteria staff for working so hard to prepare our school for the year ahead. Third and fourth grade are important years of growth and learning. Our students will strengthen their reading and writing skills, take on greater responsibility, and become more independent in managing their time and routines.

I am so excited to begin another wonderful year at Washington Elementary! Thank you, as always, for your continued support and partnership from home!

~Amanda Borger, Principal

Open House Recap

The Washington Elementary Open House event was held on Wednesday, August 26th and it was so nice to see new and returning faces. Students and their families were able to explore the building, visit their homerooms and meet their teachers. It was wonderful to have outreach tables from our community. The Girl Scouts and Slater Family Network were present to provide information to our families.

Thank you to all of the families that came out to participate in our Open House event! If you couldn't make it, scan the QR code to the left to learn about Washington.

Sapphire Parent Portal

Sapphire is our online student information system. This online system will give you access to your student's information, attendance, report cards and other forms of information.

Your student's 26-27 Digital Packet forms are located in the Sapphire Parent Portal. This packet is necessary, so we have the most updated contact information, annual authorization for your student to be photographed, to use school technology and general information for our school nurse. If you have not yet completed your 26-27 Digital Packet, please do so as soon as possible. The Digital Packet needs to be completed every year.

Portal

Nurse Notes

Welcome back to school! Students in third grade need to have an updated dental form submitted for the 2026-2027 school year. Once the dental form is completed, please send it to the nurse as soon as possible.

Reminder: If your student needs any medication administered during school hours, a medical authorization form will need to be filled out by a parent/guardian and a physician. Please do not send any medications to school with your student. All medications must be delivered to the nurse by an adult. Screenings (height, weight, vision, hearing) will begin after the Labor Day break. If you have any questions, please feel free to reach out. We are looking forward to a healthy, happy year!

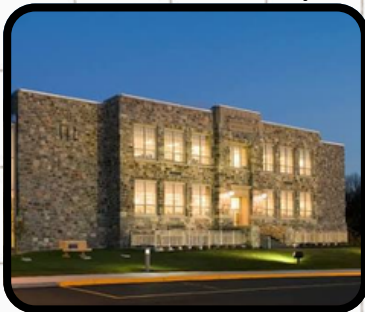

~Chrysa Policelli, School Nurse

Washington Elementary

Food Service Message

Welcome back Bangor families. We would like to remind everyone that breakfast is again FREE for all students. No need to feed your students breakfast at home, they can grab a FREE breakfast when they arrive at school each day. We have an assortment of cereals, muffins, Pop-Tarts, and cereal bars. Breakfast also comes with fruit and milk. We offer hot choices two days each week! We are looking forward to seeing all of your students for breakfast each day.

Helpful Information and Reminders

- ✓ Our doors open at 8:10 AM each morning. Please do not leave your child outside before this time. If you arrive after 8:30, please park your car in a space and escort your child into the building to sign them in for the day.
- ✓ If you would like to participate in parent pick up, please contact the Main Office to register and receive the number assigned to your student.
- ✓ Toys and valuable items should be kept at home. Please check your student's backpack to make sure they are not bringing toys or valuable items to school.
- ✓ Check out the Elementary PTO website for up-to-date information about our PTO events! <https://bangorelempto.ptboard.com/>
