9/3/26

Grizzly Families,

In an effort to provide the best experience possible for all spectators, we provide a student section at Ellersick Field for those students who are not sitting directly with their parents. Students who are attending the game unsupervised or those students who are not sitting with their parents/family will be directed to the student section on the northwest end of the stadium. *Please see the map on the next page.*

Schools have shown all K-12 students the map and expectations below. This structure began last year and has worked well for all spectators.

Student spectators who choose to attend home football games are expected to:

- Attend with intention to watch the game
- Stay in the designated student sections (see map below)
- Refrain from throwing objects (including footballs, etc.) anywhere within field complex
- Follow directions from supervising staff

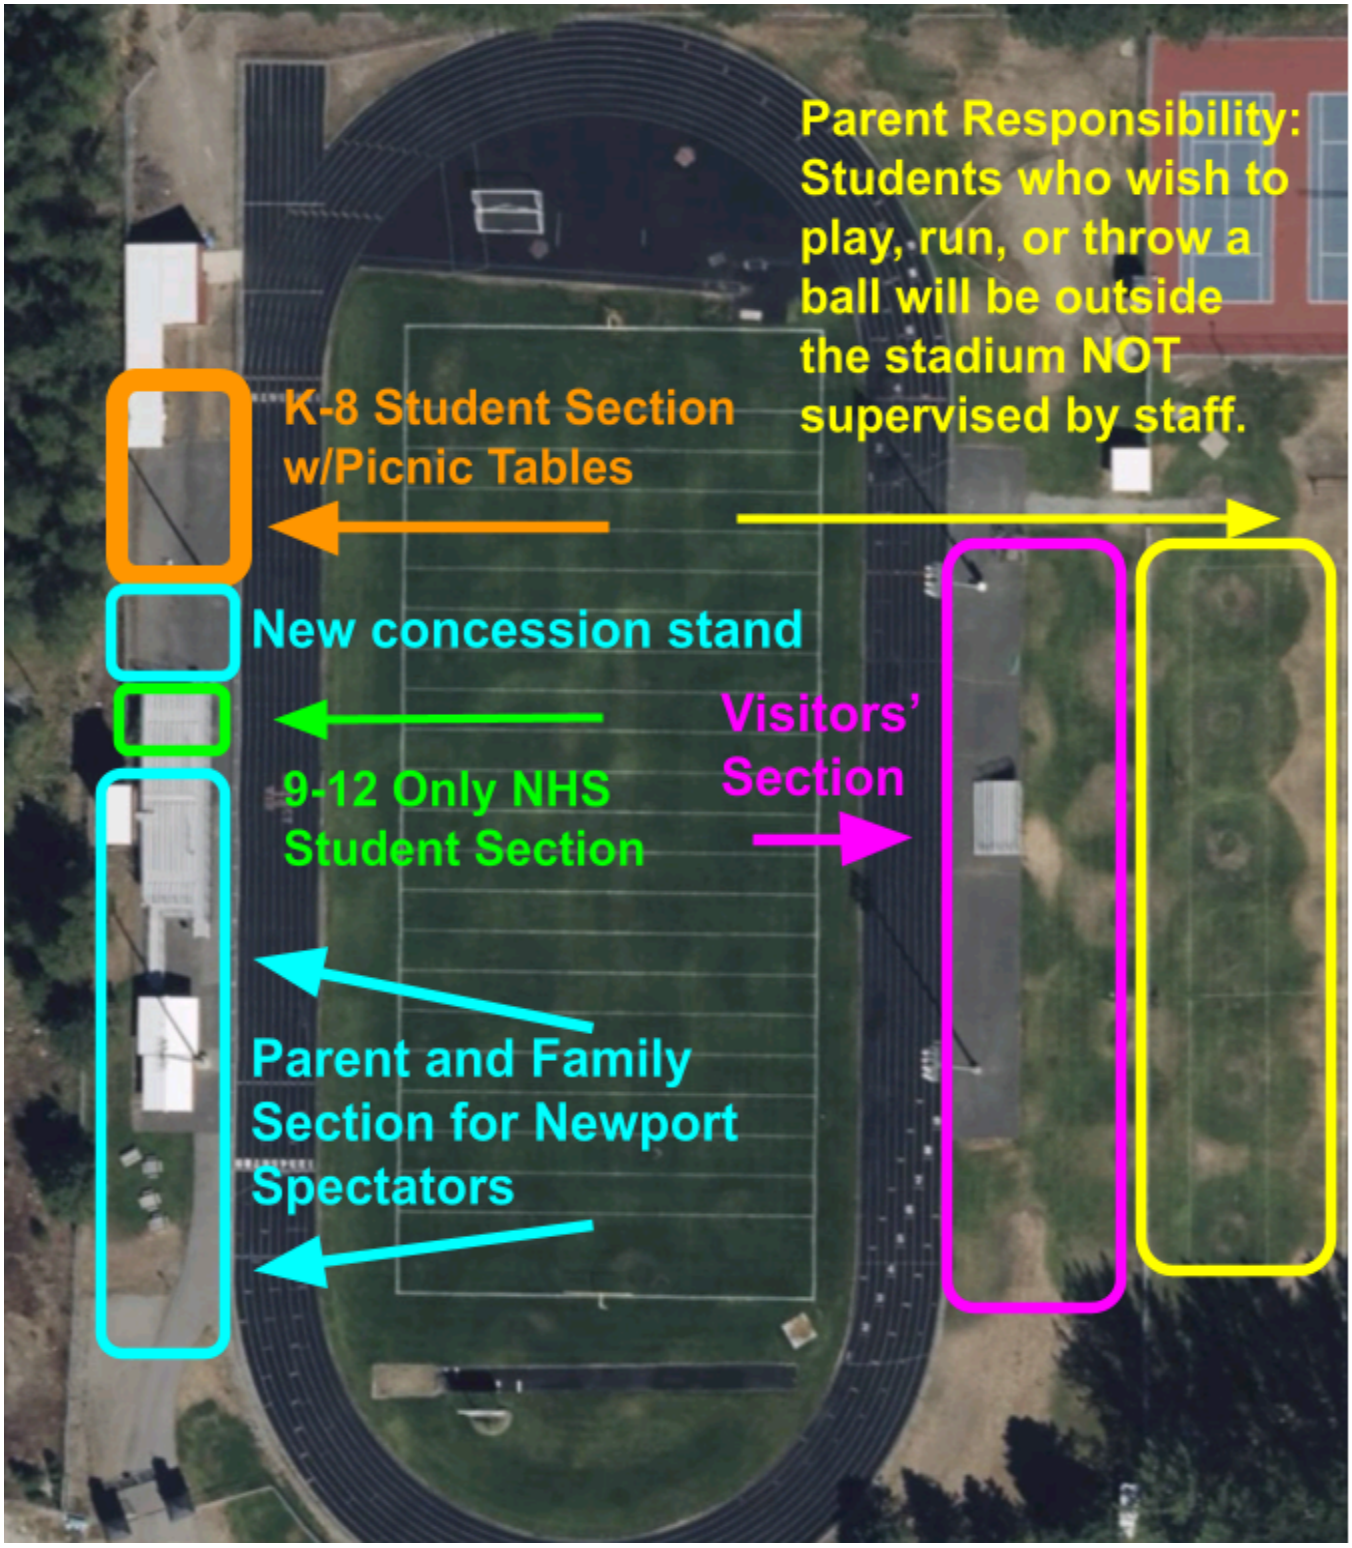

On instances when student spectators are not watching the game, running within the stadium grounds, throwing objects/balls, or causing disruptions to the spirited environment for other spectators, families, or teams, students will be instructed to find their parents and/or leave the stadium boundaries for the remainder of the game. With repeat offenses, student spectators may be asked to leave the complex and may not be allowed to attend home football games for the remainder of the season.

Parents please know that if your son or daughter chooses to play games, throw a ball, or run around on the high school practice field during the game, this area is not supervised and they are not the responsibility of the NSD staff.

With any questions, thoughts, or concerns, please contact one of the school offices in order to connect with a building administrator. Go Griz!

Thank you,

Brett Mackey, Assistant Principal & Athletic Director, Newport High School
Steve Bouldin, Principal, NHS
Tony Moser, Principal, SHMS
Brandon McDaniel, Athletic Director, SHMS
Jennifer Erickson, Principal, Stratton Elementary

Parent Responsibility: Students who wish to play, run, or throw a ball will be outside the stadium NOT supervised by staff.
