

MINERAL COUNTY HIGH SCHOOL CLASS OF 2028

Junior Class Parent Letter

Dear Parents and Guardians,

Welcome to an exciting year! As your students begin their junior year at Mineral County High School, they will take on one of the biggest traditions of high school—planning and hosting the Junior/Senior Prom.

Although Prom is typically held in **APRIL**, preparations begin much earlier. Our goal is to have a **PROM THEME SELECTED BY JANUARY** so we can order decorations, supplies, and any specialty items well in advance to ensure everything arrives on time. Planning ahead helps us create a memorable event while staying organized and within budget.

We need your help!

There are many ways families and community members can help make this year's events successful, including:

Donating decorations or supplies for Homecoming floats and/or Prom

Chaperoning school events

Providing food or drinks for students and volunteers

Assisting with decorating before events and cleanup afterward

Helping organize or support fundraising activities

Donating materials or services from your business

WAYS YOU CAN HELP

- ☒ Donate supplies or decorations
- ☒ Chaperone the event
- ☒ Bring food or drinks
- ☒ Help decorate / take down
- ☒ Help students fundraise*
- ☒ Monetary donations (big or small)

*Fundraising activities must have approval by administration, and there is a form that must be completed before any fundraiser can be conducted on behalf of the Junior Class/Mineral County High School/Prom, etc.

MONETARY DONATIONS

Monetary donations can be accepted at the **FRONT OFFICE** from a person or business.

Checks can be written to:

MCHS CLASS OF 2028
