### CARES Team (Concern, Assess, Refer, & Educate for Success)

The Lee College CARES Team serves as a resource to the campus community by providing students in need support and resources. Examples of referrals may include issues related to mental health (such as coping with stress, anxiety or a mental health illness), family concerns, support with basic needs, or behaviors that are considered threatening or unusual (not related to conduct).

Referrals can be made to the CARES Team by completing the online referral form ([www.lee.edu/go/bit-referral](http://www.lee.edu/go/bit-referral)).

While referrals are typically from faculty and staff, students may also submit a referral when concerned about another student or as a self-referral. All information shared with the CARES Team is confidential.

More information can be found online at

[www.lee.edu/cares-team/](http://www.lee.edu/cares-team/) or by contacting Dr. Rosemary Coffman ([rcoffman@lee.edu](mailto:rcoffman@lee.edu)).
