

Scheduling a Visit to UPrep

UPrep uses Scoir to schedule visits.

If you do not have an account in Scoir already, college representatives can create one for free.

Wendy Robbins in the College Counseling Office coordinates college representative visits. Please direct any questions to her.

UPrep's College Counseling Office staff will be on vacation during the summer months, from mid-June to mid-August. We look forward to connecting with you when we return.

We are delighted that UPrep will be included in your fall travel plans!

Scheduling: To schedule a visit, please visit Scoir. Your visit request is pending until confirmed in Scoir. Visit requests are processed on a first-come, first-served basis due to space availability. To see our complete schedule of visit options, please log in to [Scoir](#).

Parking: There is plenty of parking along 25th Avenue, at Dahl Playfield, and in the surrounding residential neighborhoods.

Arrival: All visitors must check in at the Main Office and receive a visitor badge. The main entrance is located on NE 80th Street, about one-half block east of 25th Avenue NE. After checking in, walk across the street to the ULab at 2416 NE 80th Street. Show your badge to the front desk receptionist, who will buzz you in. The College Counseling Office is on the first floor.

If you are using Google Maps, Apple maps, or another GPS system, please use the main UPrep address for directions.

Visits: Visits are held in the College Counseling Office in the ULab. The start time that we advertise to students is the time listed in Scoir. Please allow 10 minutes in your travel schedule for check-in. Each visit is scheduled for 30 minutes. We have found that the most productive visits are conversational and interactive, with opportunities for questions and dialogue between students and college representatives.

The College Counseling Office has created a dedicated web page for visiting college reps. [Here](#) you will find Seattle information, driving directions, and information about the academic program at UPrep.

Sincerely,

Kelly, Britten, Cris, and Wendy
