Student Code of Conduct and Student Handbook now available

The WSISD Student Code of Conduct and Student Handbook are available online. Parents/guardians should complete the Acknowledgment Form.

Parental Rights Handbook and Overview of School Discipline

The Texas Education Agency (TEA) created a Parental Rights Handbook that explains the rights parent have regarding their child’s education. Visit the link above and the Parental Rights and Options for more information.

As required by TEA, the Overview of School Discipline for Parents is also available online.

Apply now for Free School Meals

Qualifying families can get free or reduced price lunch and breakfast for their students! Applications from last year are valid through the end of September. Click [here](#) to apply. Families must apply through their [Schoolcafe account](#). Paper applications are available in the school front offices or Child Nutrition Office, 817.367.1310.

WSISD seeking parents to serve on School Health Advisory Council

White Settlement ISD is seeking parents and community members who would like to serve on the district's School Health Advisory Council (SHAC). The SHAC works to ensure that students have the knowledge and skills to develop healthy behaviors. It serves as an advisory council, providing recommendations for health education curriculum and instruction and ensuring that local community values are reflected.

This advisory group also addresses issues regarding health services, physical education, counseling and wellness, nutrition, and drug and alcohol awareness. The SHAC will meet twice this year: Thursday, Oct. 22 and Thursday, May 6 at 8:30 a.m. Interested individuals should complete the [School Health Advisory Council Interest Form](#) by Sept. 30.

To enhance safety, WSISD implements the following procedures in all athletic facilities:

- No outside food or drinks are allowed, with the exception of clear water bottles. Stanley and plastic cups are not allowed.
- All Brewer Middle School students and younger must be accompanied by a parent/guardian at both BHS and BMS games. Any student who is not accompanied by a parent/guardian who will be responsible for the student will not be allowed entry.
- BHS students must provide a student ID to enter, and athletes are required to show their Athletic Pass. If the student does not have an ID, they may enter with a parent/guardian who will be responsible for the student. Any student without the proper identification will not be permitted entry.
- A clear bag policy is implemented in all Brewer High School and Brewer Middle School athletic facilities and the BHS auditorium. Students may only bring backpacks into the facility if they are clear.
- All fans are required to pass through metal detectors.

FOR PARENTS OF
Emerging Teens & Teens

My teen will not listen to me.

Teens say parents are the top people they turn to for important information.

My teen should know better by now.

Teens face new choices every day. Extra information helps them choose well.

My teen isn't interested in drinking.

More than 9 in 10 teens try alcohol before they finish high school.

My teen already learned about drugs and alcohol in school!

Schools don't cover every topic. Talk with your teen just to be sure.

My teen knows not to believe everything they see on social media.

3 out of 4 teens say seeing friends drink on social media made them want to try alcohol too.

When you talk, you give them *more than words*—
YOU GIVE THEM PROTECTION.

Learn how to have conversations with your teen about opioid and substance use AND get a \$50 gift card!

WSISD has partnered with UNT Health Fort Worth to provide "How to have difficult conversations about opioids and substance abuse avoidance with your teen!"

Brewer High School and Brewer Middle School families and any community members are invited to attend a presentation at 6 p.m. Thursday, Sept. 10 at the WSISD Administration Building, 8224 White Settlement Road. Individuals who attend and complete the survey at the end of the training will get a \$50 gift card.

WSISD Comfort Dog Program

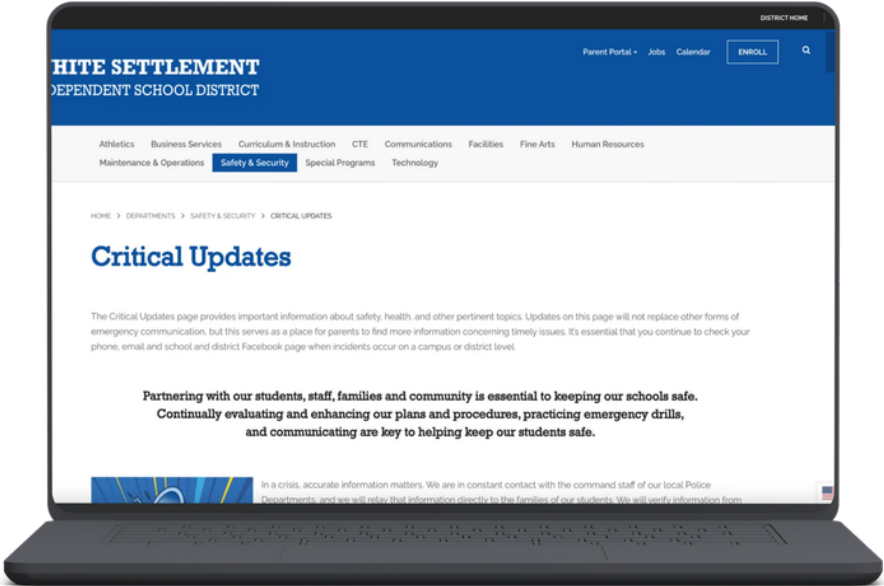

The WSISD Comfort Dog Program offers support to students and staff and fosters healthy environments for learning and socialization. All comfort dogs undergo extensive training, maintain current vaccinations, and are handled and cared for exclusively by a trained staff member through the Good Canine Academy. For questions or to request that your child not interact with a comfort dog, contact Program Coordinator [Heidi Monsees](#), 817-367-5323.

WSISD Safety Protocols

Visit the WSISD Critical Updates webpage to learn about the district's safety and communication protocols: Hold, Secure, Lockdown, Evacuate and Shelter. The webpage outlines what occurs during each scenario as well as the communication that families will receive. By learning what to expect during emergency situations, families can assist school officials in prioritizing our students' safety in the event of a crisis. Click [here](#) for more details.

In a crisis, accurate information matters. If a crisis occurs at your school, factual information will be delivered to you at the contact information you provided through Skyward/Gradebook. It's important that your cell phone is listed as your primary phone number, and it is up-to-date. Whenever a safety situation arises, school officials will communicate as soon as facts are available.
