1. Purpose and Legal Authority

In accordance with Texas Senate Bill 12 (SB 12), effective September 1, 2025, public school districts and open-enrollment charter schools in the State of Texas are prohibited from conducting or permitting diversity, equity, and inclusion (DEI) initiatives, and from teaching certain instructional concepts. Pursuant to Texas Education Code §§ 11.005(c) and 28.0022(h), the Board of Trustees of Gainesville ISD has adopted a formal policy prohibiting DEI duties and establishing strict disciplinary protocols. NOTICE TO EMPLOYEES, CONTRACTORS, VENDORS, and SERVICE PROVIDERS

DATE:
August 4, 2026
TO:
All District Contractors, Independent Service Providers, and Vendors
FROM:
Office of the Superintendent
SUBJECT:
Prohibitions against Discrimination and Diversity, Equity, and Inclusion (DEI) Activities

This memorandum serves as notice to all employees, contractors, vendors and service providers of the District of important changes in state law and District policy prohibiting the consideration of race, sex, color or ethnicity in connection with District operations and decision-making. **All District employees, vendors, service providers and contractors are required to review this memorandum in its entirety**, disseminate its contents to all personnel assigned to District accounts, and maintain operations in strict conformity with District policy. Execution of services under any current or future District agreement serves as an acknowledgment of, and consent to, these contractual conditions.

I. Discrimination Prohibited

The District prohibits discrimination on the basis of race, color, national origin, religion, sex or disability. Additionally, Texas Education Code Section 11.005 and District policy prohibit District employees, contractors, vendors, and service providers from performing, carrying out, or assigning certain responsibilities or job duties at, for, or on behalf of the District. This notice clarifies District policy prohibiting the consideration of race, sex, color, or ethnicity in District operations and decision-making.

Consistent with Texas Education Code § 11.005, the District prohibits certain activities related to Diversity, Equity and Inclusion (DEI) initiatives. The District's policies may be accessed online at: Gainesville ISD Board Policy. Employees, contractors, vendors and service providers are charged with complying with all District policies while providing services to the District.

II. Diversity, Equity and Inclusion Duties Defined

Diversity, equity, and inclusion ("DEI") duties prohibited by District policy are any action, role, or practice that involves the following:

1. **Influencing Employment Practices:** Any effort designed to influence hiring, recruitment, promotion, or general employment practices with respect to race, sex, color or ethnicity, unless strictly necessary to maintain compliance with established state or federal antidiscrimination statutes.

2. **Promoting Differential Treatment:** Proactively promoting differential treatment of individuals, or providing special or exclusive benefits to individuals, solely on the basis of race, color, or ethnicity.

3. **Developing Protected-Class Programming:** Developing, implementing, structuring, or delivering policies, operating procedures, professional trainings, educational activities, or instructional programs that reference race, color, ethnicity, gender identity, or sexual orientation. Exceptions exist for student recruitment collaborations involving historically black colleges and universities, or as otherwise mandated by state or federal law.

4. **Compelling DEI Statements:** Compelling, requiring, inducing, or soliciting any prospective or current employee, contractor, service provider or vendor to submit a diversity, equity, and inclusion statement, or granting preferential consideration or advantage to any individual based on the provision or substance of such a statement.

III. District Policies

The following District policies are of particular importance in regulating the District's prohibition against DEI duties:

1. **Board Policy BT (LEGAL):** Provides that except as explicitly required by state or federal law, the District shall not assign DEI duties to any person and must proactively prohibit independent contractors from engaging in such activities.

2. **Board Policy CJ (LEGAL) and (LOCAL):** These policies govern contracted services and provide that a District contract is subject to termination if a contractor or vendor intentionally or knowingly engages in DEI duties or assigns such duties to another individual. It further establishes the appeal process through which an affected contractor may appeal an adverse contract action.

3. **Board Policy DH (LOCAL):** Outlines employee standards of conduct, including the prohibition against engaging in or delegating to another DEI duties.

4. **Board Policy BJA (LEGAL)**Requiring the Superintendent to certify to the Commissioner of Education the District's compliance with TEC Sections 39.008, 11.005 and 28.0022.

5. **Board Policy CMD (LEGAL):** Regarding the acquisition of instructional materials.

6. **Board Policy DF (LEGAL):** Providing for the appropriate discipline, including termination, of a District employee or contractor who intentionally or knowingly engages in or assigns to another person prohibited diversity, equity, and inclusion duties.

7. **Board Policy DG (LEGAL):** Providing that a teacher may not be compelled to discuss a widely debated and currently controversial issue of public policy or social affairs.

8. **Board Policy BJCF (LOCAL):** Providing violation of the District's prohibition against engaging in or delegating to another DEI duties is a ground for Superintendent contract nonrenewal.

9. **Board Policy EMB (LEGAL):** Addressing the teaching of controversial topics, and prohibiting instruction, guidance, activities, or programming regarding sexual orientation and gender identity to students.

IV. Consequences for Violation of Policies

Employees and District contractors are on notice that violation of these District policies may result in disciplinary action, up to and including termination of employees, or termination of third-party contracts with vendors and service providers:

- **Mandatory Termination of Contracts:** Policy CJ (LOCAL) provides that any intentional or knowing violation of these prohibitions constitutes a material breach of contract. If the District determines through administrative review or inquiry that a contractor has intentionally or knowingly engaged in DEI duties, assigned DEI duties to another individual, or conducted prohibited instruction or guidance, the violation shall result in the termination of the contract. Penalties for violating the District's policies apply to all contractors, vendors and service providers, regardless of whether the prohibited act was committed by an executive officer, a staff employee, or a third-party agent acting on behalf of the contracting entity.
- **Employee Discipline:** Employees who violate the District's policies and standards of professional conduct may be subject to discipline, up to and including possible termination of employment.

V. Certain Practices Exempted

Policy BT (LEGAL) explicitly clarifies that these prohibitions do not apply to, restrict, or modify several core educational and commercial functions. Contractors and employees may safely engage in the following activities without violating the District's anti-discrimination policies:

1. **Historically Underutilized Businesses (HUBs):** The policy does not limit or prohibit the District from actively contracting with historically underutilized businesses in accordance with applicable Texas procurement statutes.
2. **Commemorative and Holiday Instruction:** Contractors may acknowledge, reference, or teach the historic significance of state and federal holidays, or celebrate federally designated commemorative months, provided the curriculum aligns with the Texas Essential Knowledge and Skills (TEKS) frameworks.
3. **Constitutional Protections:** Nothing in these guidelines shall be construed to infringe upon or affect a student's core constitutional rights under the First Amendment to the United States Constitution or Article I, Section 8, of the Texas Constitution.
4. **Academic Achievement and Data Reporting:** Data collection, standard monitoring, or state reporting are not impacted by the District's policies. Practices, procedures, or programs designed to eliminate unlawful discriminatory patterns, address academic achievement gaps, or enhance postgraduate student success are not impacted by these policies. These programs are structured and implemented entirely without regard to race, sex, color, or ethnicity.

Thank you for your attention to these important policy changes. Anyone wishing to receive a printed copy of any or all of the policies referenced in this memorandum may access the policies from the District's online policy manual Gainesville ISD Board Policy or by contacting

Instructional Materials and Technology Furnished Without Cost to Students

Instructional materials selected for use in the public schools shall be furnished without cost to the students attending those schools. Except as provided by Education Code 31.104(d), a district may not charge a student for instructional material or technological equipment purchased by the district with the district's technology and instructional materials allotment. *Education Code 31.001*

Each instructional material, including electronic instructional material only to the extent of any applicable licensing agreement, purchased as provided by Education Code Chapter 31 for a district is the property of the district. *Education Code 31.102(a)-(b)*

Instructional Materials and Technology Allotment

A district is entitled to an allotment each biennium from the state instructional materials and technology fund for each student enrolled in the district on a date during the last year of the preceding biennium specified by the commissioner of education. The commissioner shall determine the amount of the allotment per student each biennium on the basis of the amount of money available in the state instructional materials and technology fund to fund the allotment. The allotment shall be transferred from the state instructional materials and technology fund to the credit of the district's instructional materials and technology account as provided by Education Code 31.0212. *Education Code 31.0211(a)*

The commissioner shall, as early as practicable during each biennium, notify each district of the estimated amount to which the district will be entitled during the next fiscal biennium. *Education Code 31.0215(a)*

The commissioner shall determine the amount of the Instructional Materials and Technology Allotment for a district based on PEIMS student enrollment data from the fall snapshot collection of the school year preceding the first year of each biennium.

The amount of the allotment determined by the commissioner is final and may not be appealed.

19 TAC 67.1001(a), (d)

Allotment Adjustment

Change in Enrollment

Not later than May 31 of each school year, a district may request that the commissioner adjust the number of students for which the district is entitled to receive an allotment on the grounds that the number of students attending school in the district will increase or decrease during the school year for which the allotment is provided. The commissioner may also adjust the number of students

for which a district is entitled to receive an allotment, without a request by the district, if the commissioner determines a different number of students is a more accurate reflection of students who will be attending school in the district. The commissioner's determination is final. *Education Code 31.0211(e)*

High Enrollment Growth

Each year the commissioner shall adjust the instructional materials and technology allotment of districts experiencing high enrollment growth. *Education Code 31.0214(a)*

Permitted Expenditures

Prohibited Expenditures

The allotment funds may not be used to purchase instructional material that:

The commissioner shall pay the cost of instructional materials requisitioned by a district under Education Code 31.103 using funds from the district's instructional materials and technology account.

Money deposited in a district's instructional materials and technology account during each state fiscal biennium remains in the account and available for use by the district for the entire biennium.

At the end of each biennium, a district with unused money in the district's account may carry forward any remaining balance to the next biennium.

A district shall provide to TEA the title and publication information for any instructional materials requisitioned or purchased by the district with the district's instructional materials and technology allotment.

Education Code 31.0212(a)-(d)

Availability of Allotment Funds

The allotment for each biennium will be made available for district use through EMAT as early as possible in the fiscal year preceding the beginning of the biennium for which the funds have been appropriated.

A district may access its allotment funds for an upcoming school year after submitting to the commissioner:

Additional State Aid

For State-Approved Instructional Materials

For each student enrolled in the district, a school district is entitled to additional state aid for each school year in an amount equal to $40, or a greater amount provided by appropriation, to procure instructional material that has been reviewed by the Texas Education Agency (TEA); placed on the SBOE list of approved instructional materials; designated by the SBOE as being included or capable of being included in an instructional materials parent portal; and acquired from a publisher, manufacturer, or other entity that has not been found to violate Education Code 31.151. *Education Code 48.307(a)*

A district is entitled to the amount of state aid provided by 19 Administrative Code 67.1003(a) each school year, regardless of whether the district uses the amount during the school year for which the amount was provided. *19 TAC 67.1003(i)*

For Open Education Resource Instructional Materials

Subject to Education Code 31.0751 (Open Education Resource [OER] transition plan), a district is entitled to additional state aid for each school year in an amount not to exceed $20 for each student for the costs incurred or for which the district is obligated to pay during the school year in which the aid is provided for the printing and shipping of OER instructional material made available under Education Code Chapter 31, Subchapter B-1. *Education Code 48.308(a)*

Amount of Additional State Aid

The commissioner of education shall determine the amount of the additional state aid for OER instructional materials for a district based on PEIMS student enrollment data from the fall snapshot collection of the current school year.

Before PEIMS student enrollment data from the fall snapshot collection of the current school year is available, a district will have an expected allotment amount that is based on 90 percent of the PEIMS student enrollment data from the fall snapshot collection of the previous school year.

Funds may only be used for the costs incurred or for which a district is obligated to pay during the school year in which the aid is provided.

Requisitions

Requisitions for funding must be submitted in TEA's online requisition and disbursement system (EMAT) before August 31 of the fiscal year in which the aid is provided.

The entitlements for each year will be made available for district use through EMAT as early as possible in the fiscal year for which the funds have been appropriated.

Permissible Use of Additional State Aid

The additional state aid for OER instructional materials may be used to purchase:

1. OER instructional material placed on the list of approved materials outlined in Education Code 31.022, including any non-text components of the approved product, such as manipulative kits; and
2. OER instructional material components placed on the list of approved materials outlined in Education Code 31.022, only after an initial purchase of all components of the product.

The additional state aid for OER instructional materials may not be used to purchase or reimburse for:

1. Instructional material or material components not on the list of approved instructional materials;
2. Instructional material placed on the rejected list of instructional materials;
3. Instructional material that promotes three-cueing as defined in Education Code 28.0062(a-1); or
4. Printing of SBOE-approved OER material, which may be otherwise procured through a requisition in EMAT.

The commissioner may grant a waiver to exempt a district from an initial purchase of each component of an approved product if the district can demonstrate that it already possesses an identical or near-identical component for each student and/or teacher as indicated by the product design.

19 TAC 67.1004

Purchasing Method

A district is not required to use a method provided by Education Code 44.031(a) to purchase instructional materials that have been reviewed by TEA and included on the list of approved instructional materials maintained by the SBOE. *Education Code 31.102(d)*

Requisitions, Use, and Distribution

The board may delegate to an employee the authority to requisition, distribute, and manage the inventory of instructional materials, consistent with Education Code Chapter 31 and rules adopted under that chapter. *Education Code 31.104(a)*

Delegation of Authority

Local Funds

A district may use local funds to purchase any instructional materials in addition to those selected under Education Code Chapter 31. *Education Code 31.106*

A district shall make a requisition for instructional materials using EMAT. A district may requisition instructional materials for grades above the grade level in which a student is enrolled. *Education Code 31.103(b)-(c)*

Distribution

The board shall distribute printed instructional materials to students in the manner that the board determines is most effective and economical. *Education Code 31.102(c)*

OER Instructional Materials

A district may adopt OER instructional material at any time. A district may only adopt or otherwise use an OER instructional material that is not included on the list of rejected instructional materials maintained by the SBOE.

Except as otherwise provided by the Education Code, the commissioner may not require a district to adopt or use an OER instructional material. A district may not be charged for a cost associated with the selection of an OER instructional material, except for the cost of printing copies of the material. *Education Code 31.073*

OER Transition Plan

To qualify for additional state aid under Education Code 48.308, the board must adopt an OER instructional material transition plan to assist classroom teachers in the district who will be using an OER instructional material in a specific subject or grade level for which the teacher has not previously used an OER instructional material.

The plan must ensure that OER instructional materials are used in a manner that maintains the instructional flexibility of a classroom teacher to address the needs of each student.

A district that participates in the program developed and maintained by TEA under Education Code 31.0752 is not required to adopt a transition plan under this provision. [See OER Instructional Material Support Program, below]

Education Code 31.0751

The OER instructional material transition plan shall be submitted in a format determined by the commissioner.

A district is required to have a locally maintained OER transition plan that complies with 19 Administrative Code 67.1315 to access funding allotted under Education Code 48.308.

A district is required to submit an OER instructional material transition plan only when:

1. First adopting an SBOE-approved OER product for a grade level or subject/course; or
2. Expanding implementation of an SBOE-approved OER product to additional campuses and/or grade levels.

The OER instructional material transition plan adopted by the board of trustees shall include the plan of the district to ensure the following:

1. Clear communication and stakeholder change management plans and timelines;
2. Timely access to print materials and related manipulatives through OER procurement and distribution;

3. Sufficient planning and instructional time evidenced by instructional calendars and master schedules aligned to the requirements of the materials;

4. Clear expectations for the implementation of:

   a. Instructional materials;

   b. Internalization and student work analysis protocols; and

   c. Curriculum-embedded assessments;

5. Processes for stakeholder communication and public posting, as outlined in Education Code 26.006, if materials have been modified by the district;

6. The maintenance of instructional flexibility through clear guidance for acceptable teacher modifications to instructional pacing, sequencing, and lesson content to address the needs of each student; and

7. Sufficient professional learning and development for school leaders, instructional coaches, and teachers, including:

   a. Pre-service product onboarding and orientation; and

   b. Ongoing, job-embedded, curriculum-based professional learning, including cycles of observation and feedback.

The commissioner may request and review OER instructional material transition plans before funding is released and reject a plan subsequent to review.

19 TAC 67.1315

OER Instructional Material Support Program

TEA shall develop and maintain a program to assist school districts in adopting and using OER instructional material, including by assisting districts to:

1. Maintain the instructional flexibility of classroom teachers to address the needs of each student; and

2. Schedule instructional periods in a manner that allows classroom teachers sufficient time to effectively prepare and present instructional material within the teacher's normal work day.

TEA shall engage in efforts to meet the demand from districts that request assistance for the 2024-25 or 2025-26 school year. Until September 1, 2027, a school district may apply assistance received to offset the payment of costs related to implementing OER

instructional material, regardless of whether the district incurred the cost before receiving the assistance.

Education Code 31.0752

Requisition

A district that selects OER instructional material shall requisition a sufficient number of printed copies for use by students unable to access the instructional material electronically unless the district provides to each student:

1. Electronic access to the instructional material at no cost to the student; or
2. Printed copies of the portion of the instructional material that will be used in the course.

Education Code 31.103(d)

Parent Portal

An entity that hosts an instructional materials parent portal must comply with requests regarding parental access to the portal made by a district in compliance with Education Code 31.154 or Education Code 26.006 [see EFA]. *Education Code 31.154(e)*

[For more information regarding the requirements for certain entities that supply instructional materials to host a parent portal, see Education Code 31.154.]

Bilingual Instructional Materials

A district shall purchase with its allotment or otherwise acquire instructional materials for use in bilingual education classes. *Education Code 31.029*

Certification of Instructional Materials

Prior to the beginning of each school year, a district shall submit to the SBOE and commissioner certification that the district:

1. For each subject in the required curriculum under Education Code 28.002, other than physical education, and each grade level:
    a. Provides each student with instructional materials that cover all elements of the essential knowledge and skills adopted by the SBOE for that subject and grade level; and
    b. In the provision of instructional materials, the district protects students from obscene or harmful content as necessary for compliance with the Children's Internet Protection Act (Pub. L. No. 106-554) [see CQ], Education Code 28.0022 [see EMB], Penal Code 43.22, and any other law or regulation that protects students from obscene or harmful content [see EFA]; and

2. The district used money allocated to the district or school under the instructional materials and technology allotment only for purposes allowed under Education Code 31.0211.

To determine whether each student has instructional materials that cover all elements of the essential knowledge and skills, a district may consider:

1. Instructional materials adopted by the SBOE;
2. Instructional materials developed, purchased, or otherwise acquired by the district; and
3. OER instructional materials and other electronic instructional materials included in the repository under Education Code 31.0722.

Education Code 31.1011

Annual Report

Each district shall annually report to TEA information regarding the instructional materials used by the district during the previous school year, including the cost of each material. *Education Code 31.1012*

Ownership

Except as otherwise provided, a student must return all instructional materials to the teacher at the end of the school year or when the student withdraws from school. At the end of the school year for which OER instructional material that a district does not intend to use for another student is distributed, the printed copy of the OER instructional material becomes the property of the student to whom it is distributed.

This provision does not apply to an electronic copy of OER instructional material.

Education Code 31.104(c), (g)-(h)

Responsibility for Instructional Materials and Equipment

Each student or the student's parent or guardian is responsible for all instructional material and technological equipment not returned in an acceptable condition by the student. A student who fails to return in an acceptable condition all instructional materials and technological equipment forfeits the right to free instructional materials and technological equipment until all instructional materials and technological equipment previously issued but not returned in an acceptable condition are paid for by the student, parent, or guardian.

As provided by board policy, a district may waive or reduce the payment required if the student is from a low-income family. [See FP] The district shall allow the student to use instructional materials and technological equipment at school during each school day.

If instructional materials or technological equipment is not returned in an acceptable condition or paid for, a district may withhold the student's records. A district may not prevent the student from graduating, participating in a graduation ceremony, or receiving a diploma. [See FL and GBA regarding student and parental right to access records; and FD, FFAB, and FL regarding a district's duties to provide records to another district]

The board may not require an employee of the district who acts in good faith to pay for instructional materials or technological equipment that is stolen, misplaced, or not returned by a student. [See DG]

These provisions do not apply to an electronic copy of OER instructional material.

Education Code 31.104(d), (e), (h) [See also EFA]

Acceptable Condition

Printed instructional materials are considered to be in acceptable condition if:

1. The cover, binding, pages, spine, and all integral components of the instructional materials are wholly intact and the instructional materials are fully usable by students; and
2. No component of the instructional materials is soiled, torn, or damaged (whether intentionally or by lack of appropriate care) to the extent that any portion of the content is too disfigured or obscured to be fully accessible to other students.

Electronic instructional materials are considered to be in acceptable condition if:

1. All components or applications that are a part of the electronic instructional materials are returned;
2. The electronic materials perform as they did when they were new;
3. The electronic instructional materials do not contain computer code (e.g., bug, virus, worm, or similar malicious software) that has been designed to self-replicate, damage, change, or otherwise hinder the performance of any computer's memory, file system, or software; and
4. The electronic instructional materials have not been installed with plug-ins, snap-ins, or add-ins without the prior approval of the district.

Technological equipment is considered to be in acceptable condition if:

1. The equipment is returned with the software and hardware in their original condition unless the district authorized changes; and
2. The physical condition of the equipment is fully usable as it was originally intended to be used.

19 TAC 66.1310

Lost or Damaged Instructional Materials

A district may order replacements for instructional materials that have been lost or damaged directly from the publisher of the instructional materials or any source for a printed copy of OER instructional material. *Education Code 31.104(b)*

Sale or Disposal

The board shall determine how the district will dispose of discontinued printed instructional materials, electronic instructional materials, and technological equipment.

Sale

The board may sell printed instructional materials on the date the instructional material is discontinued for use in the public schools by the SBOE or the commissioner. The board may also sell electronic instructional materials and technological equipment owned by the district.

Use of Proceeds

Any funds received by a district from a sale must be used to purchase instructional materials and technological equipment allowed under Education Code 31.0211.

Disposal

The board may dispose of printed instructional material before the date the instructional material is discontinued for use in the public schools by the SBOE if the board determines that the instructional material is not needed by the district and the board does not reasonably expect that the instructional material will be needed. A district must notify the commissioner of any instructional material the district disposes of under this provision.

Education Code 31.105

Note: For a detailed treatment of termination and nonrenewal of educator contracts, see policies DFAA and DFAB (Probationary Contracts), and DFBA and DFBB (Term Contracts).

Withholding Information

An attempt by any district employee to encourage or coerce a child to withhold information from the child's parent is grounds for discharge or suspension under Education Code 21.104 (probationary contracts) and 21.211 (term contracts) or by the State Board for Educator Certification (SBEC), if applicable. *Education Code 26.008(b)*

Registry of Persons Not Eligible for Employment

2. Convicted of:
    a. A felony under Title 5, Penal Code; or
    b. An offense under the laws of another state or federal law that is equivalent to an offense under item 2a, above.

Exception

However, a district is not required to discharge an employee if the person committed an offense under Title 5, Penal Code, and:

1. The date of the offense is more than 30 years before the date the person's employment will begin; and

2. The employee satisfied all terms of the court order entered on conviction.

Education Code 22A.157(a)-(b), 22A.201(a) [See DBAA]

Certification to Commissioner

Each school year, a superintendent shall certify to the commissioner that the district has complied with the above provisions. *Education Code 22A.157(f)*

Sanctions

SBEC may impose a sanction on an educator who does not discharge an employee if the educator knows or should have known, through a criminal history record information review, that the employee has criminal history described in Discharge of Convicted Employees, above. *Education Code 22A.157(e)*

Termination for Failure to Disclose

A district may discharge an employee if the district obtains information of the employee's conviction of a felony or of a misdemeanor involving moral turpitude that the employee did not disclose to SBEC or the district. An employee so discharged is considered to have been discharged for misconduct for purposes of Labor Code 207.044 (unemployment compensation). *Education Code 22A.157(d)*

Certain Offenses Against Students

Mandatory Termination

If a district receives notice that SBEC has revoked the certificate of a person based on the offenses listed at Discharge of Convicted Employees, the district shall:

1. Immediately remove the person whose certificate has been revoked from campus or from an administrative office, as applicable, to prevent the person from having any contact with a student; and

2. For a person employed under a Chapter 21 probationary or term contract, with the approval of the board or its designee:

    a. Suspend the person without pay;

    b. Provide the person with written notice that the person's contract is void [see Notice to Employee, below]; and

    c. Terminate the employment of the person as soon as practicable.

Education Code 22A.201(a), (c)

Discretionary Termination

If a district becomes aware that a person employed by the district under a probationary or term contract under Chapter 21 has been convicted of or received deferred adjudication for a felony offense, and the person is not subject to the mandatory termination provi-

sion above, the district may, with the approval of the board or its designee:

1. Suspend the person without pay;
2. Provide the person with written notice that the person's contract is void [see Notice to Employee, below]; and
3. Terminate the employment of the person as soon as practicable.

Education Code 22A.201(d)

Notice to Employee

A person's probationary or term contract under Chapter 21 is void if, with the approval of the board or its designee, the district provides written notice to the person, under the mandatory or discretionary termination provisions above, that the person's contract is void. *Education Code 22A.201(e)*

No Appeal

Action taken by a district under the mandatory or discretionary terminations provisions above is not subject to appeal under Education Code Chapter 21 and the notice and hearing requirements of Chapter 21 do not apply to the action. *Education Code 22A.201(g)*

Invalid or Expired Certification

An employee's probationary or term contract is void if the employee:

1. Does not hold a valid certificate or permit issued by SBEC;
2. Fails to fulfill the requirements necessary to renew or extend the employee's temporary, probationary, or emergency certificate or any other certificate or permit issued under Education Code Chapter 21, Subchapter B; or
3. Fails to comply with any requirement under Education Code Chapter 22, Subchapter C [criminal history review, see DBAA], if the failure results in suspension or revocation of the employee's certificate.

Education Code 21.0031(a)

A certificate or permit is not considered to have expired if:

1. The employee has completed the requirements for renewal of the certificate or permit;
2. The employee submitted the request for renewal before the expiration date; and

3. The date the certificate or permit would have expired is before the date SBEC takes action to approve the renewal of the certificate or permit.

Education Code 21.0031(f)

3. Retain the employee for the remainder of the school year on an at-will employment basis in a position that does not require a contract under Education Code 21.002, at the employee's existing rate of pay or at a reduced rate.

The employee is not entitled to the minimum salary prescribed by Education Code 21.402.

Education Code 21.0031(b)

Exception

A district may not terminate or suspend an employee under 21.0031(b) because of the employee's lack of a valid certificate or permit, or failure to renew or extend a certificate or permit, if:

1. The employee requests an extension from SBEC to renew, extend, or otherwise validate the employee's certificate or permit; and
2. Not later than the 10th day after the date the contract is void, the employee takes necessary measures to renew, extend, or otherwise validate the employee's certificate or permit, as determined by SBEC.

Education Code 21.0031(b-1)

No Appeal or Chapter 21 Hearing

A school district's decision under Education Code 21.0031(b) is not subject to appeal under Education Code Chapter 21, and the notice and hearing requirements of that chapter do not apply to the decision. *Education Code 21.0031*

Applicability

These void contract provisions do not affect the rights and remedies of a party in an at-will employment relationship and do not apply to a certified teacher assigned to teach a subject for which the teacher is not certified. *Education Code 21.0031; Nunez v. Simms, 341 F.3d 385 (5th Cir. 2003)*

A principal shall report the educator's termination to the superintendent if the conditions set forth at Education Code 22A.051 exist. [See DPA]

Falsification of Military Record

A district may discharge an employee, regardless of whether the employee is employed under an employment contract, if the district determines, based on a reasonable factual basis, that the employee, in obtaining the employee's employment or any benefit relating to the employee's employment, falsified or otherwise misrepresented any information regarding the employee's military record in a manner that would constitute an offense under Penal Code 32.54.

An employment contract entered into by a district with an employee discharged by the employer under Labor Code Chapter 105 is void and unenforceable as against public policy. [See DF series]

Labor Code Ch. 105

Prohibition on Diversity, Equity, and Inclusion

A district shall adopt a policy and procedure for the appropriate discipline, including termination, of a district employee or contractor who intentionally or knowingly engages in or assigns to another person diversity, equity, and inclusion duties. The district shall provide a physical and electronic copy of the policy and procedure to each district employee or contractor.

The policy and procedure adopted by a district must ensure that an employee or contractor receives adequate due process and an opportunity to appeal disciplinary actions, including termination, in the same manner provided for other disciplinary actions. [See BT]

Education Code 11.005(c)-(d)

Prohibited Classroom Instruction

A district shall adopt a policy and procedure for the appropriate discipline, including termination, of a district or school employee or contractor who intentionally or knowingly engages in or assigns to another person an act prohibited by Education Code 28.0022 (Certain Instructional Requirements and Prohibitions). The district shall provide a physical and electronic copy of the policy and procedure to each district or school employee or contractor. [See EMB] *Education Code 28.0022(h)*

Exemption from Instruction

A parent or person standing in parental relation is entitled to remove the parent's child from a class or other school activity that conflicts with the parent's religious or moral beliefs if the parent presents or delivers to the teacher of the parent's child a written statement authorizing the removal of the child from the class or other school activity.

A parent or person standing in parental relation is not entitled to remove the parent's child from a class or other school activity to avoid a test or to prevent the child from taking a subject for an entire semester. This provision does not exempt a child from satisfying grade level or graduation requirements in a manner acceptable to the district and the Texas Education Agency (TEA).

Education Code 26.002, .010

See also *Mahmoud v. Taylor*, 145 S.Ct. 2332 (2025) (holding that the introduction of certain public school instruction, without parental notice and an opportunity to opt out, would likely burden parents' right to free exercise of religion).

Instructional Requirements and Prohibitions

The following provisions under Education Code 28.0022(a) apply to any course or subject, including an innovative course, for a grade level from kindergarten through grade 12.

Controversial Topics

A teacher may not be compelled to discuss a widely debated and currently controversial issue of public policy or social affairs.

A teacher who chooses to discuss a topic described above shall explore that topic objectively and in a manner free from political bias.

Education Code 28.0022(a)(1)-(a)(2)

Sexual Orientation and Gender Identity

A district or district employee may not provide or allow a third party to provide instruction, guidance, activities, or programming regarding sexual orientation and gender identity to students enrolled in prekindergarten through 12th grade.

This provision may not be construed to:

1. Limit a student's ability to engage in speech or expressive conduct protected by the First Amendment, U.S. Constitution or by Section 8, Article I, Texas Constitution, that does not result in material disruption to school activities;
2. Limit the ability of a person who is authorized by the district to provide physical or mental health-related services to provide the services to a student, subject to any required parental consent; or

3. Prohibit an organization whose membership is restricted to one sex and whose mission does not advance a political or social agenda from meeting on a district campus.

    b. Social policy advocacy or public policy advocacy;

2. Political activism, lobbying, or efforts to persuade members of the legislative or executive branch at the federal, state, or local level to take specific actions by direct communication; or

3. Participation in any internship, practicum, or similar activity involving social policy advocacy or public policy advocacy.

The above provisions do not apply to a student's participation in:

1. Community charitable projects, such as building community gardens, volunteering at local food banks, or other service projects;

2. An internship or practicum:

    a. For which the student receives course credit under a career and technology education program or under the P-TECH program established under Education Code 29.553; and

3. A program that prepares the student for participation and leadership in this country's democratic process at the federal, state, or local level through the simulation of a governmental process, including the development of public policy.

Education Code 28.0022(b)

Concepts Prohibited

A teacher, administrator, or other employee of a district may not require or make part of a course inculcation in the concept that:

1. One race or sex is inherently superior to another race or sex;
2. An individual, by virtue of the individual's race or sex, is inherently racist, sexist, or oppressive, whether consciously or unconsciously;
3. An individual should be discriminated against or receive adverse treatment solely or partly because of the individual's race or sex;
4. An individual's moral character, standing, or worth is necessarily determined by the individual's race or sex;
5. An individual, by virtue of the individual's race or sex, bears responsibility, blame, or guilt for actions committed by other members of the same race or sex;
6. Meritocracy or traits such as a hard work ethic are racist or sexist or were created by members of a particular race to oppress members of another race;
7. The advent of slavery in the territory that is now the United States constituted the true founding of the United States; or
8. With respect to their relationship to American values, slavery and racism are anything other than deviations from, betrayals of, or failures to live up to the authentic founding principles of the United States, which include liberty and equality.

A teacher, administrator, or other employee of a district may not teach, instruct, or train any administrator, teacher, or staff member of a state agency, school district, or open-enrollment charter school to adopt a concept listed above.

A teacher, administrator, or other employee of a district may not require an understanding of The 1619 Project.

Education Code 28.0022(a)(4)

Student Discussion

A district may not implement, interpret, or enforce any rule in a manner that would result in the punishment of a student for reasonably discussing the concepts described above in school or during a school-sponsored activity or have a chilling effect on reasonable student discussions involving those concepts in school or during a school-sponsored activity. *Education Code 28.0022(d)*

Employee or Contractor Discipline Policy	A district shall adopt a policy and procedure for the appropriate discipline, including termination, or a district employee or contractor who intentionally or knowingly engages in or assigns to another person an act prohibited by Education Code 28.0022. The district shall provide a physical and electronic copy of the policy and procedure to each district employee or contractor. *Education Code 28.0022(h)*
Limitations on Statute	Education Code 28.0022 may not be construed as limiting the teaching of or instruction in the essential knowledge and skills adopted under Education Code Chapter 28, Subchapter A. Education Code 28.0022 does not create a private cause of action against a teacher, administrator, or other employee of a district. Education Code 28.0022 may not be construed as prohibiting a teacher employed by a district from directing a classroom activity that involves students communicating with an elected official so long as the district, school, or teacher does not influence the content of a student's communication. *Education Code 28.0022(e)-(g)*

Note: For purposes of this policy, the terms "gift" and "donation" have the same meaning.

Unsolicited Gifts

Authority to Accept

The Board delegates to the Superintendent the authority to accept unsolicited gifts on behalf of the District. However, any gift that the potential donor has expressly made conditional upon the District's use for a specified purpose, or any gift of real property, shall require Board approval.

Once accepted, a gift becomes the sole property of the District.

Criteria for Acceptance

The District shall not accept any gift that would violate or conflict with policies of or actions by the Board or with federal or state law.

Before the Superintendent accepts a gift or recommends acceptance of a gift to the Board, as applicable, the Superintendent shall consider whether the gift:

1. Has a purpose consistent with the District's educational philosophy, goals, and objectives;
2. Places any restrictions on a campus or District program;
3. Would support a program that the Board may be unable or unwilling to continue when the donation of funds is exhausted;
4. Would result in ancillary or ongoing costs for the District;
5. Requires employment of additional personnel;
6. Requires or implies the endorsement of a specific business or product [see GKB for advertising opportunities];
7. Would result in inequitable funding, equipment, or resources among District schools or programs;
8. Obligates the District or a campus to engage in specific actions; or
9. Affects the physical structure of a building or would require extensive maintenance on the part of the District.

Solicitations

An employee who solicits gifts on behalf of the District or for use in the fulfillment of his or her professional responsibilities shall comply with relevant state and federal law and any District administrative regulations.

All donations solicited on behalf of the District, including solicitations in the name of the District or a campus, or donations solicited using District or campus resources, become the sole property of the District.

Web-Based Solicitations	An employee may solicit web-based donations of money or items for use by the employee in fulfilling his or her professional responsibilities or for the District's use, including "crowdfunding." However, an employee shall obtain prior approval from the employee's supervisor before using the name or image of the District, a campus, or any student.
