Evergreen Boys' and Evergreen Girls' State:
Doug Forseth and Kristine Knutson.

"The purpose of Girls' and Boys' State is to teach that good citizenship is the basis of our American way of life. It is basically a one-week course in the fundamental proceedings and ideals of the American form of government. It is also a wonderful opportunity to learn about other people because "politics is people." Doug attended Boys' State on the Gonzaga University Campus and served as a State Representative. Girls' State was held on the Central Washington State Campus and Kristine was elected a State Senator."

Knights of Pythias, National Speech Contest fourth place: Carol Vanairsdale.

"Last August, Carol Vanairsdale took fourth place in the National Knights of Pythias Speech Contest at Indianapolis, Ind. and recieved a $500 scholarship for her speech on "Liberty Regulated by Law." Prior to this she placed first in the local, district, state and regional contests."

"Greg Bradbury and Carol Vanairsdale were Newport High School's delegates to Twinlow Student Leadership Conference, held last summer at Twin Lakes, Idaho. The camp was an enjoyable experience and provided the delegates with valuable training."

FUTURE HOMEMAKERS

This year has been a busy one for the F.H.A. The year's activities began with the F.H.A. and F.F.A. co-sponsoring a barbeque at the county fair. During the following months the chapter held a formal initiation, sponsored Courtesy Week, and staged a vigorous campaign which raised over $400 for the March of Dimes. A highlight of the year was being Hostess Chapter for the Regional Meeting which was attended by about 425 F.H.A. members and advisors. The club was also honored by the election of Mary Anne Saunders (pictured at right) to the office of 1st. Vice President of Region IV.

DRAMA CLUB

"Not Far From the Gioconda Tree" is a play written by Tim Kelly. The plot revolves around seven once regal Russian noblewomen who are now nothing but ragged beggars. Their conversation is a continual battle to avoid reality. This play won the "Best Play" award in the Newport Play Festival and will compete at the District Competition in Cheney for a place in the state competition.

In the fall they sponsored a Play Festival and gave awards to Theresa Zimmer and Mary Gregson for Best Actresses, Rosie Eppley for Best Supporting Actress and to Herb Jones for Best Actor. In the spring the club staged the most difficult play ever attempted at Newport High school. A musical production of the "Wizard of Oz" was presented with elaborate costumes and a large cast including several grade school children. Following the play they had a cast party which was well earned.

"The Octogenerian" was presented in the Fall Play Festival. It was a Greek style play with a chorus.

The 1966-67 Grizzlies fooled the basketball experts and fell only one game short of the goal the team had set for itself, the state tournament. The Grizzlies had a 16-6 season record which is the best a Newport team has had since joining the "A" League 7 years ago. This team won most of their ball games on sheer determination, hustle and great desire.

Some season statistics which show the power of the the 66-67 Grizzlies: They outscored their opponents by 201 points. They scored 1454 points, a new school record. They had 100 less lost balls than opponents. They out-rebounded opponents by nearly 400 rebounds and yet in every ball game they were out sized by their opponents on on average of 4 inches per man.

The 1966-67 Grizzlies leave very big basketball shoes to be filled next year and challenge future Grizzly teams to fill them.
