AS THE YEARS GO BY

There comes a time
As the years go by
When we must learn
To say good-bye.

A time to chart
A course and plan
Thus taking hold
Of fate's own hand.

A time to remember
Old friends and places
Before facing a world
Of new ways and faces.

Good-bye to the past
And the course we have run
But as the years go by
More years will come.

Newport High School
Newport, Washington

IN TRIBUTE

By working toward the high goals you set, exemplifying fortitude, giving us inspiration and always displaying courage in the face of defeat, you made us very proud to have you represent us. So, in gratitude for your fine example, we are honored to tribute this 1971 Bruin to you, the athletes and coaches of Newport High School.

LEADERSHIP

Craig Bishop & Nancy Holmes

Both Girls' and Boys' State are experiences in government. The students who attend the session have their own city, county and state governments. Each person has a job and each government has a problem it must solve before the end of the session. Through this experience we learned more about our government.

Sally Peak served as a legislative page for two weeks in February. The main job of a page is messenger, both on the Capitol campus and on the Congressional floor itself. Paging is a unique experience and an excellent way to learn the function of state government.

With the topic being "Today's Soil Tomorrow"; Louise Reidt placed first in the annual Soil Water Conservation District speech contest at the County level. She won this trophy at Colville where again she placed first. The final leg of her journey was at Pullman for the semi-final contest where she placed sixth.

HONOR SOCIETY

The Newport chapter of the National Honor Society began the 1970-71 school year with eighteen members. As in previous years they purchased and wrapped gifts for patients at Eastern State Hospital. On March 5, 1971, eight new members were tapped. They were chosen on the basis of scholarship, character, leadership, and service. An installation followed for the new members.

Officers: Craig Bishop, President; Chris Dahlin, Vice President; Mary Garner, Secretary-Treasurer; Mick Ratcliff, S. C. Representative.

Larry Richter, 2nd highest scorer for the Grizzlies, sets for 2.

Special socks help, Coach?

The 1970-71 Basketball Season for the Grizzlies was one of both joy and sadness. The joy was made possible by only one League loss and one Non-League loss at home; the tremendous attitude displayed by this years team, characterized by hustle, desire, and courage; and perhaps the greatest accomplishment was the reversal of last years disasterous season by the same group of players.

On the sad side was our inability to achieve the goal we had set for ourselves at the end of the 1970 season; to go to the state tournament. But while we failed here we made great strides to perhaps a more important goal - success in life.
