...trying to enthuse the crowd when the team is losing

Cheerleading means responsibility. You're responsible not only to yourself but to the team, school, and town. You plan cheers, pep assemblies, and contests to promote pride and spirit to your fellow students. Many fall to gossip and criticism but a cheerleader doesn't know the meaning of defeat.

CROSS-COUNTRY

74

. . . going to State, running in the rain, and the hill of St. George's.

In it's second year at N.H.S., Cross Country is an up and coming sport. The eight man team and coach, Mr. Longshore, worked their hardest to become first in the league and district. The team then participated in the state competition at Evergreen High School in Seattle, where they placed eleventh in the A league.

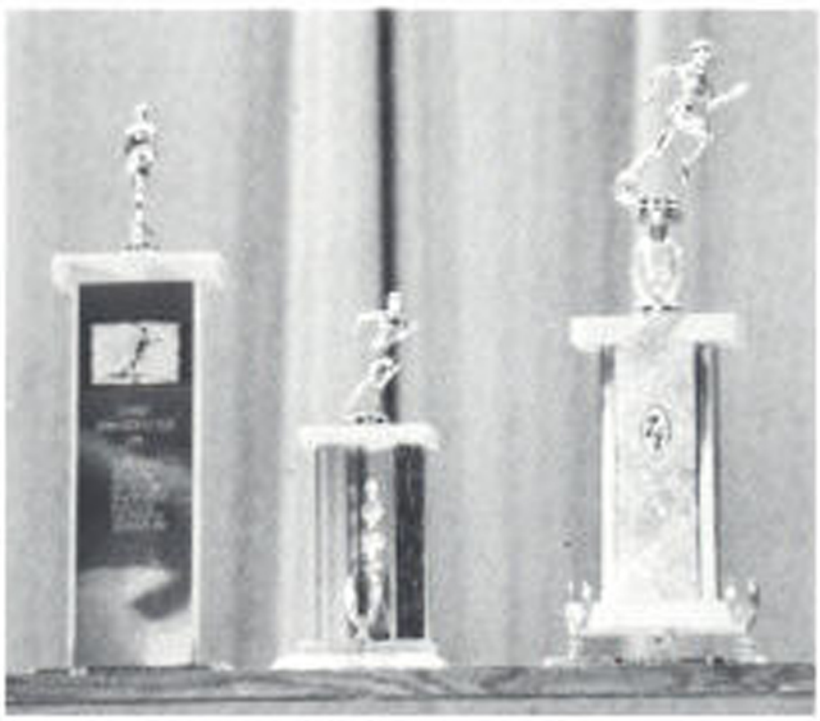

Standing: Joe Zimmer; Mgr., Earl Strickler, Matt Stevens, Mark Rednour, Mike Tunnell, Coach Longshore. Kneeling; Tom Sutton, Blaine Davis, Henry Strickler.

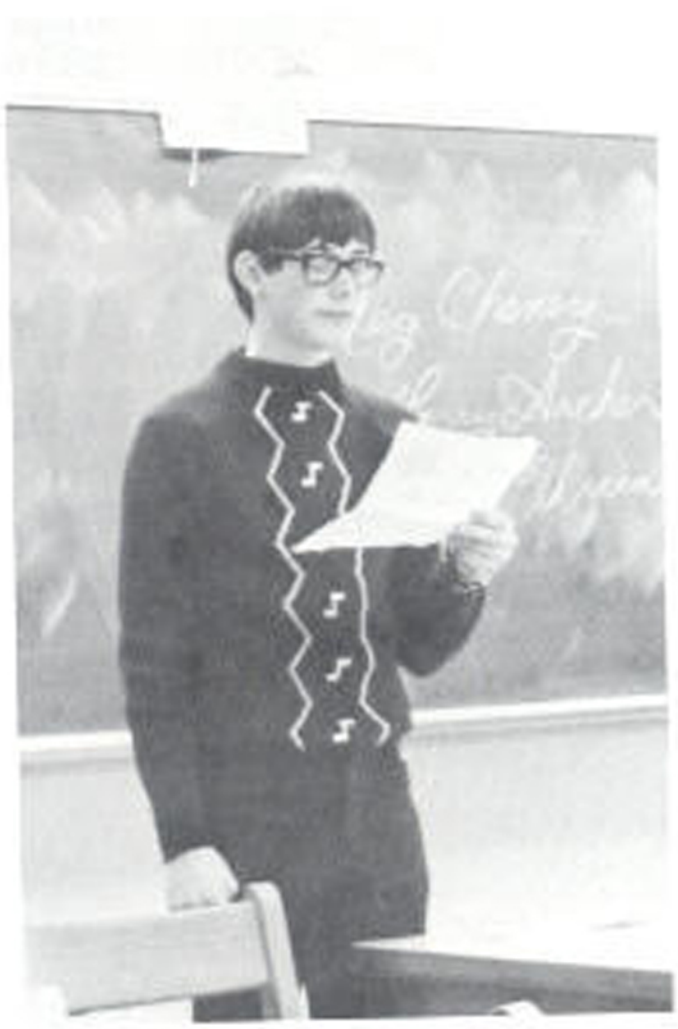

DEBATE

The varsity debate team placing third in the league has already started planning toward the future. They were basically a young team and are striving for the future. The members participated in many tournaments and had a book fair to earn money to go to camp.

FOOTBALL

. . . A winning season, bonus time, and taking showers in full pads.

TRACK

...cutting your time, getting a blue ribbon, going to a meet

The 1974-75 Varsity track team was strong in spirit and in ability. They placed in the top percent in all of their meets and qualified many members for district. At district Mark Redmour and George Hays qualified for state in the 440 run and high hurdles.

For the first time N.H.S. girls competed in inter-acholastic track. They trained and practiced for many hours and qualified 14 girls for the district meet. A.N.H.S. frosh, Jennifer Hilborne qualified for state at Goldendale in the 100 yard dash.

SKI TEAM

...busting out of the first gate

Newport's only co-ed sport, the ski team, spread it's name all over this year. Eight real ski bums and bunnies spent many a Tuesday, Thursday, or any other time they could practicing and preparing for their few seconds of self-esteem. Financed thoroughly by themselves, the ski team is one pride filled organization.

...building a program

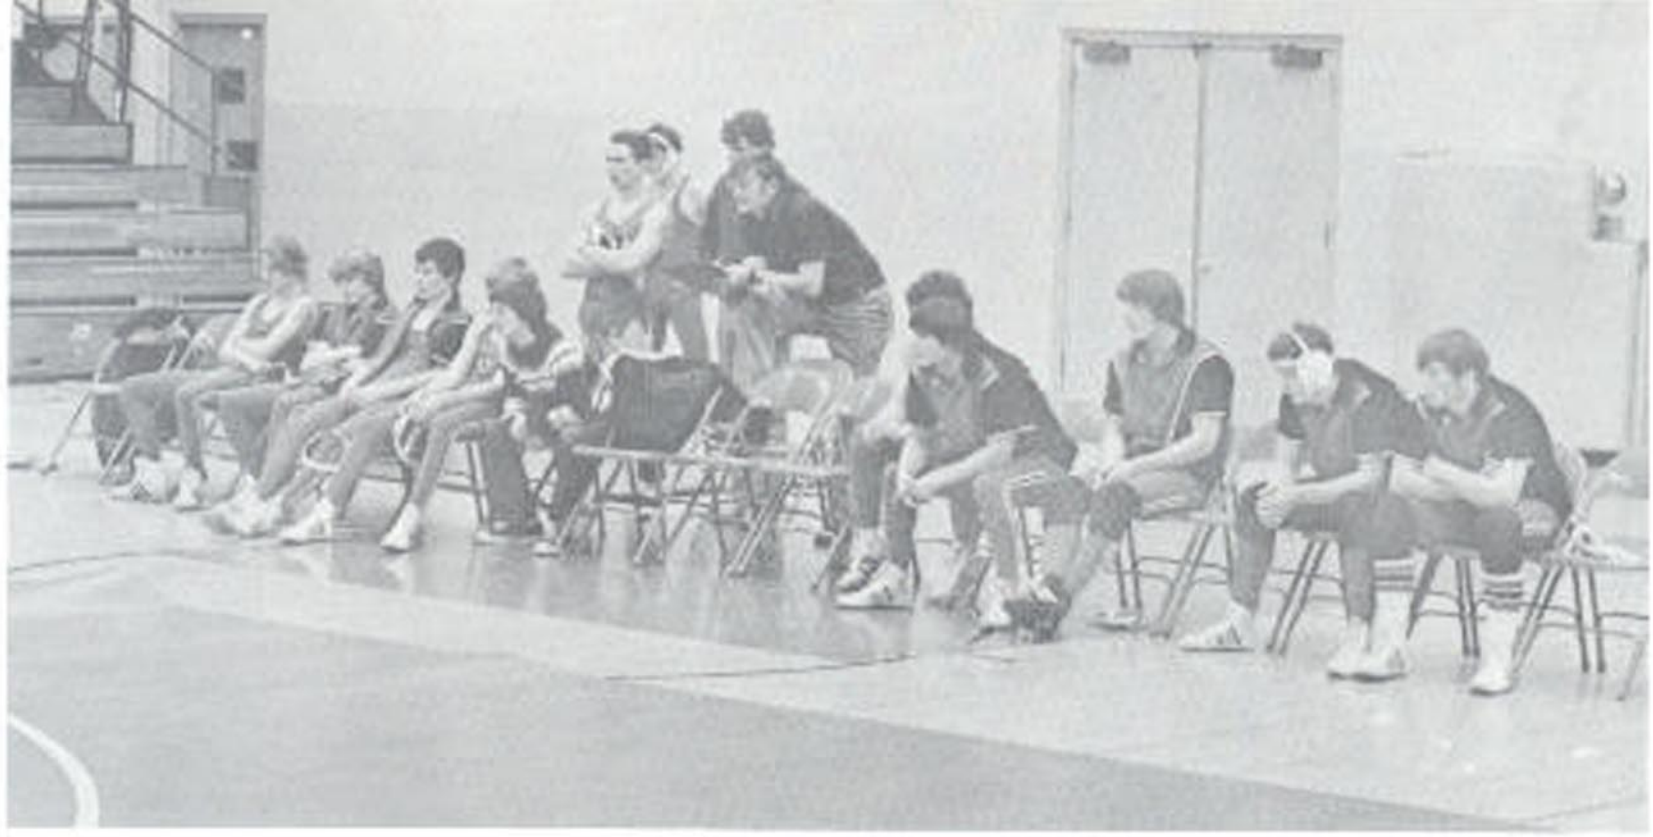

Wrestling at Newport was like a new sport. A new coach, new cheerleaders, some new team members, and a new award. Five wrestlers worked their way up through district competition to earn a spot at the regional competition at Colfax. An added incentive to the members was the animal award given for the most aggressive wrestlers both at meets and at practice.

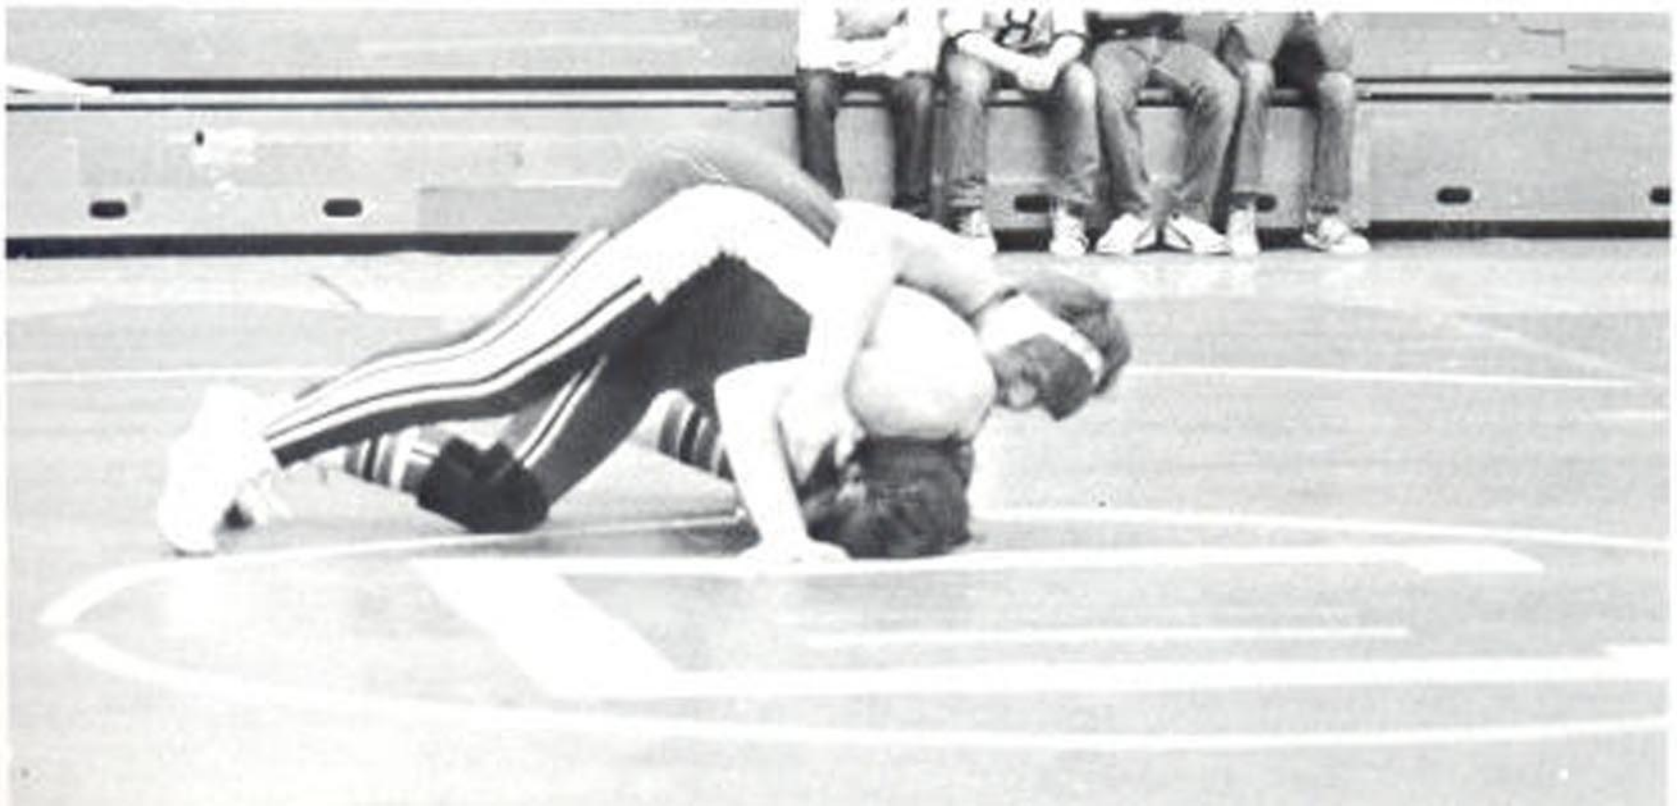

At the district tournament in Medical Lake, five wrestlers earned a place at the regional competition; Ken Alford-3rd, Noel Guerard-4th, Corey Hunt, Don Farley, Chris Morris-5th. Kevin Hahn placed 6th in his weight class, but competed at regionals due to injury of the 5th place finisher. Chris Morris, a senior in his first year of wrestling, went on to place 6th at the regional competition at Colfax.

...putting your best out in front of the wolves

Making a good annual isn't as easy as it seems. Ask any annual staff member; they'll tell you no lies. There are deadlines to meet, pictures to crop, articles to write, and deep and meaningful thoughts to convey.

We hope this annual suits your fancy in some way and even it if doesn't tell us it did. You'll brighten our effort.

DECA

...running the store

Deca (Distributive Education Clubs of America) really got moving this year. Besides running the store in the lunch room, the club members participated in many contests and attended meetings in various places. The members collected money for cystic fibrosis and held a toy drive for the needy kids in Newport. As you can see Deca really lived up to their name.

KUBS*FM

In October, KUBS*FM began its second year of broadcasting. With more members and a larger broadcast staff, the station expanded from its previous weekday broadcast schedule to include Saturdays. Live coverage of varsity sports allowed people to enjoy all the games without leaving their homes. During the local elections, KUBS*FM's live reporting of returns from the courthouse enabled the voters to know the winners on election night. The highlight of the year, however, was the arrival of an Associated Press Teletype. The teletype helped KUBS*FM provide its listeners with sports bulletins, weather reports, and news on both a national and state level. 1974-75 was truly an outstanding year in the growth and development of KUBS*FM.

...turning a perfect corner

The 76 member Grizzly band and cheerleaders again marched in both the Torchlight and Lilac parades. They looked and sounded sharp in their new uniforms playing SEMPER FIDELIS and SMOKE ON THE WATER. After the Lilac parade the band went to a carnival which was enjoyed by all.

Today's the day I graduate;
To this school I come no more.
This, my goal of the last 12 years,
Is what I've been waiting for.
The days were laced with [illegible]
Along with my growing up.
I've developed [illegible]
[illegible]
Not only to tests and teachers--
Had to deal it with my peers;
[illegible]
I feel [illegible] tears.
I'm going to miss my classmates
And teachers' constant calls;
I'm going to miss the notes and such
We passed along the halls.
But with the diploma comes a sad
Thought growing inside of me:
My adolescent years are gone--
I must now face reality.
