4th In State

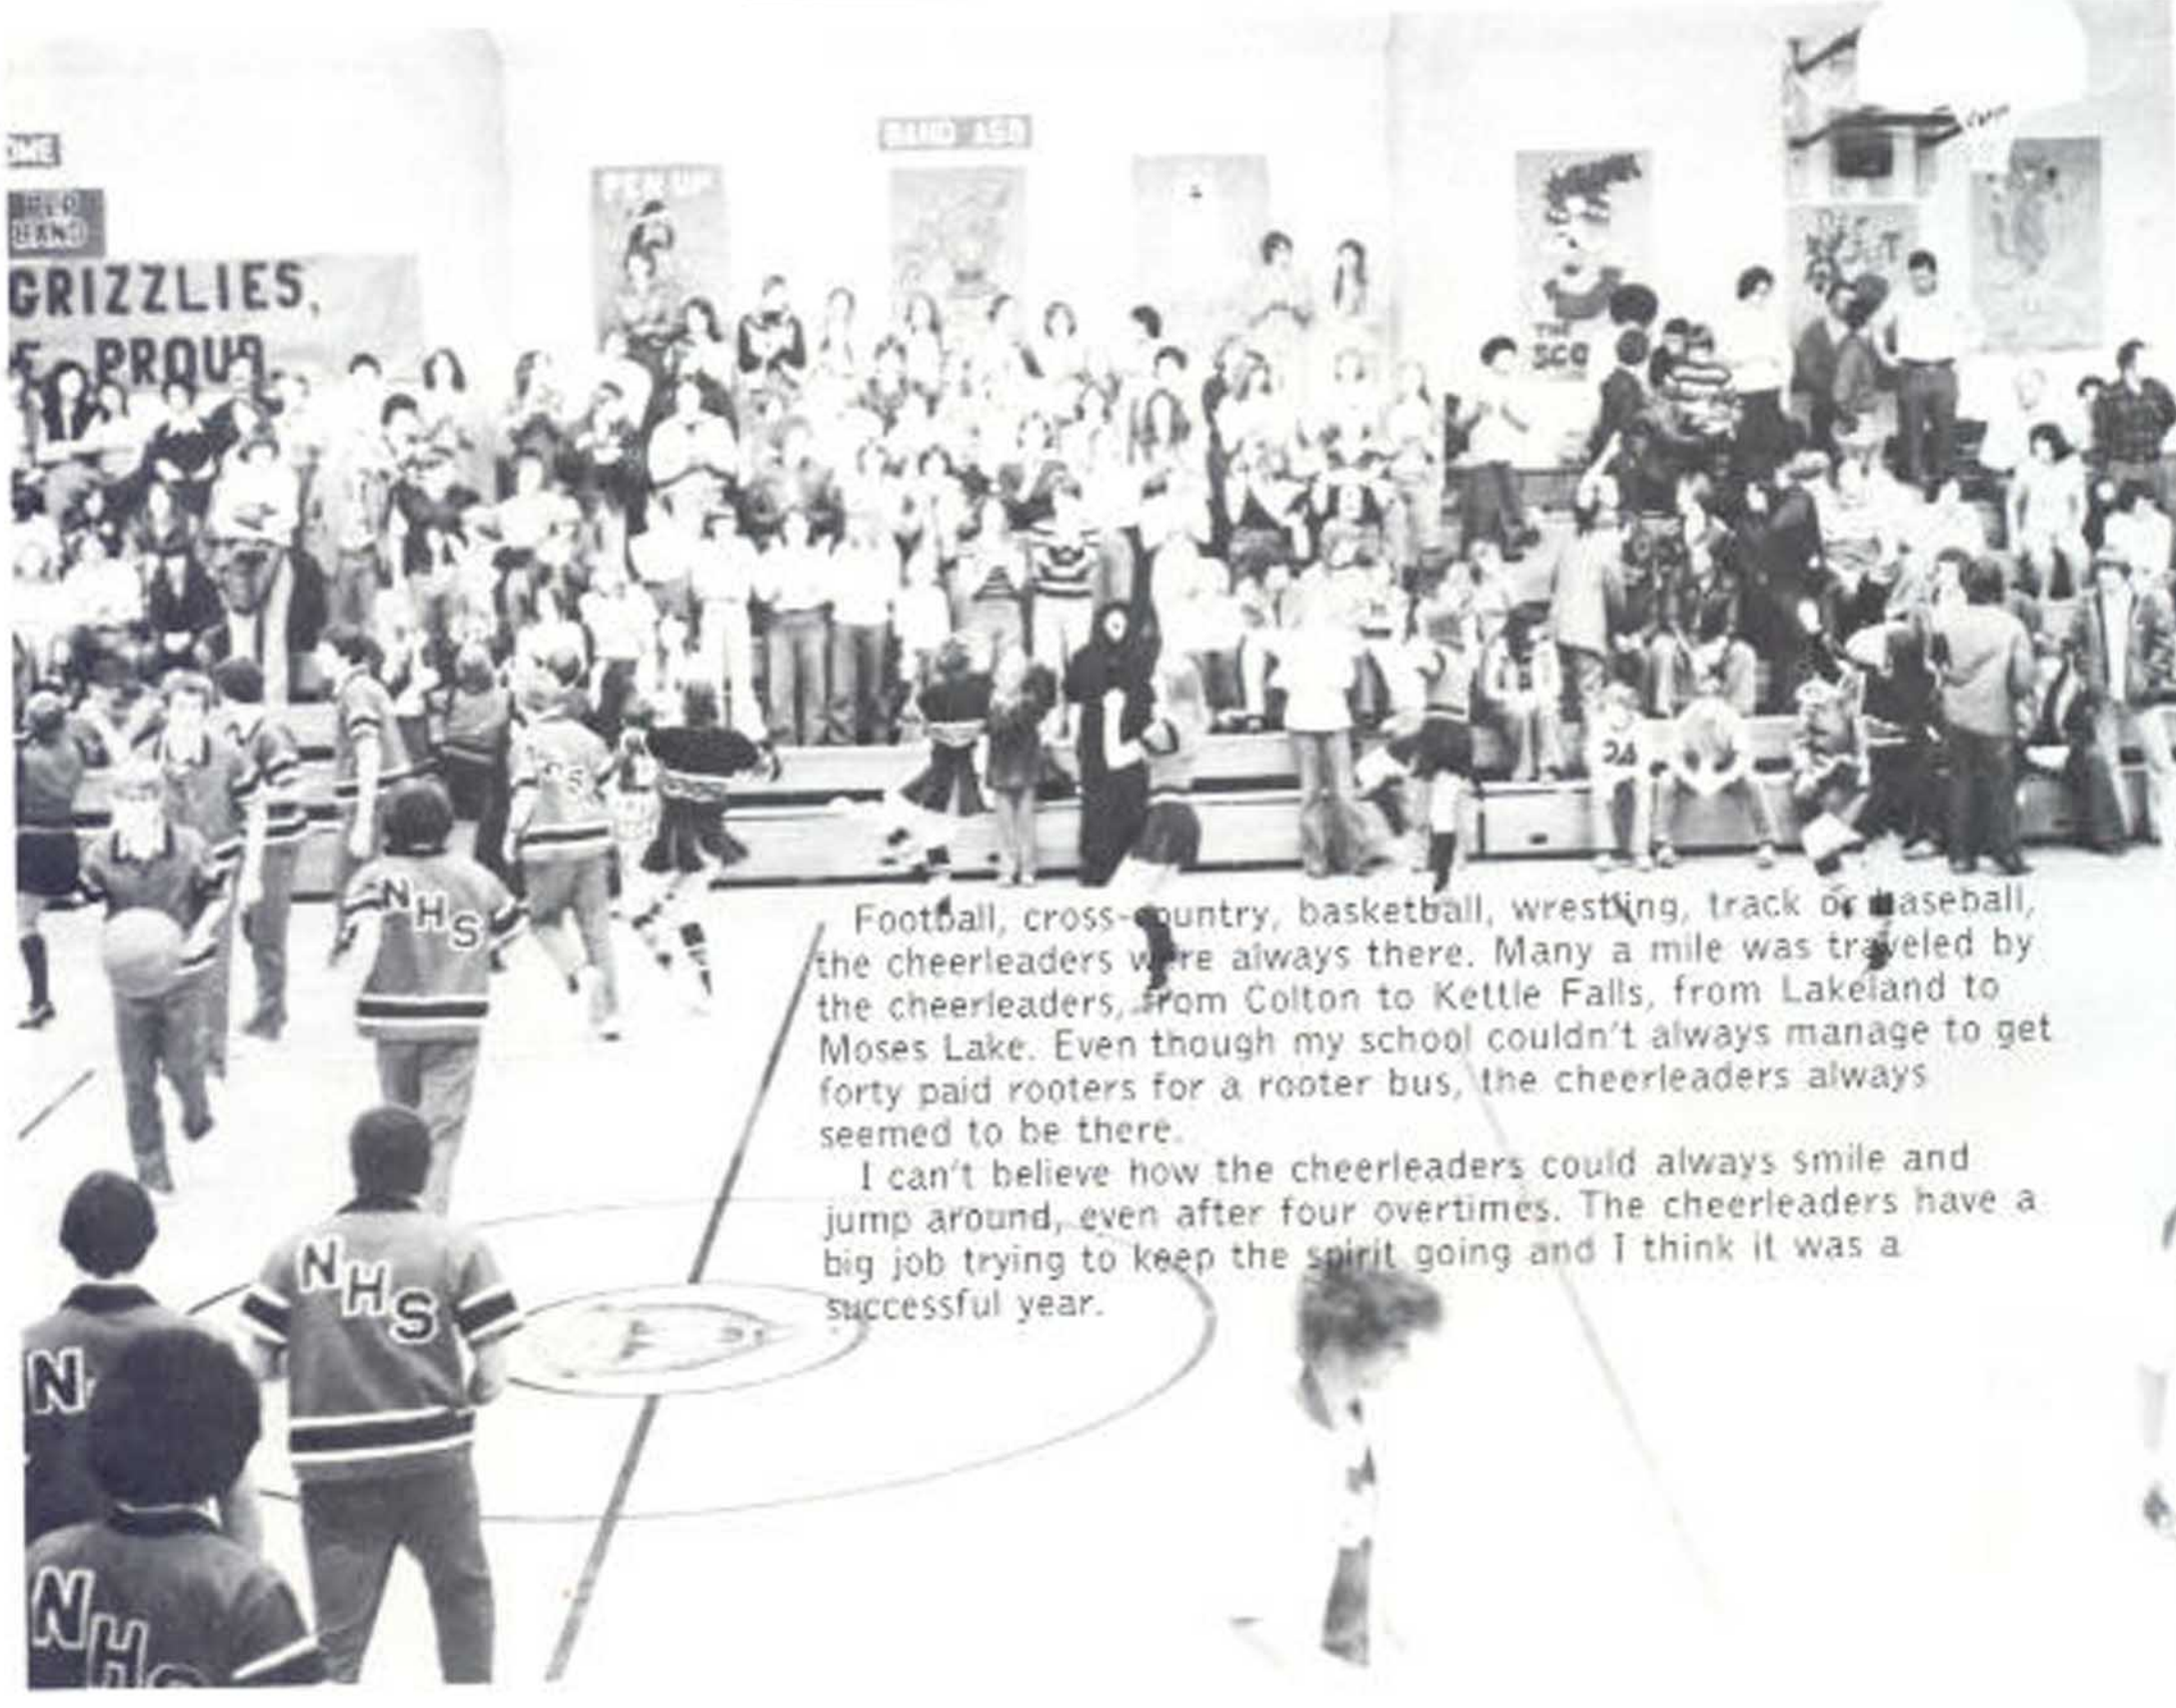

Boy am I tired! I just tried running with the cross-country boys in the state meet and I have to admit, I had a tough time keeping up with them. Wow! That Tom Sutton can sure get where he's going in a hurry! I never did catch another glimpse of him since the beginning of the race.

By the time I reached the finish line I found out that Tom placed 7th and our team was 4th in state! I was so proud that day! It was a perfect ending of a great season.

Spirit Squad

Football, cross-country, basketball, wrestling, track or baseball, the cheerleaders were always there. Many a mile was traveled by the cheerleaders, from Colton to Kettle Falls, from Lakeland to Moses Lake. Even though my school couldn't always manage to get forty paid rooters for a rooter bus, the cheerleaders always seemed to be there.

I can't believe how the cheerleaders could always smile and jump around, even after four overtimes. The cheerleaders have a big job trying to keep the spirit going and I think it was a successful year.

I feel like I've been run over by a semi and then it reversed! Football is a harder sport than I imagined. I thought I'd wilt wearing those pads. Funny, it doesn't seem to bother the team members but those Grizzlies are tougher than one old bear. They proved that every game!!

My debate team was small but they worked hard. I had three debaters and a new coach who worked on the topic "Resolved: That a Comprehensive Program of Penal Reform Should be Adopted Throughout the United States." They were: Lori Noble, Cary Renfro, Chris Bowling, and Coach Armantrout, top left to bottom right.

Debaters Suffer Losing Season

Sports Broadcasts Draw Record Audiences

While KUBS • FM is a part of my school system, it isn't something that is confined to five class periods a day. We have a responsibility to provide services to our entire community and those services are provided six days a week, in sixteen hour days. Therefore this makes us more than a school class and even more than an extra curricular activity.

There are many assignments and people involved in our radio station. For example, weekly we have programs sent to us from other stations which we have to edit and cart up in order to keep up with our schedule everyday. There are logs to be made and my broadcasters have to relay them from paper to radio for program results.

Although there is a lot of work involved in KUBS • FM, we also had a lot of good times and lazy days. Such as the pizza parties, station aces-basketball team, trips to WSU, and last but not least the good times we make out of studying for the FCC tests.

Being a member of pep club kept me constantly busy. Some of our activities included painting signs, decorating lockers, selling concessions, working at the Booster banquet, having a dime a dip lunch at the baseball tournament, and most of all being consistent rooters at the games!

Looking Toward

Being in F.F.A. gave me an opportunity to learn and do many new things. We had lots of fun and learned many things on cattle judging trips, and in all our other activities. This group of future farmers gave me some really good information and experiences.

Front Row: Mr. Yahn, Linda Gratias, Janet McAteer, Vickie Jamison, Sharon Biss. 2nd Row: Jeff Huling, Brian Orr, John Bushby, Chris Krogh, Jeff Cunningham, Logan Monk. 3rd Row: George Lake, Scott Slusser, Doug Hixon, Joe Ockert, Jim Roberts, Mike Huling, Mike Schultz. The Future

Front row: Connie Young, Debbie Teall, Debbie Kleeman, Valorie Persyn. Middle row: Marilyn Hiebert, Melody Wells, Ann Wareham, Mrs. Jones. Back row: Laura Smith, Sandy Campbell.

My Homemakers group had many activities in pursuit of the F.H.A. motto—"HELP PROMOTE FAMILY, HOME, COMMUNITY, SCHOOL, AND SELF IMPROVEMENT." Some of our activities included a bowling party, going to Deer Park for an F.H.A. meeting, traveling to Ellensburg for the state F.H.A. meeting, and one of the most exciting, a breakfast for the baseball players during their tournament. My group of homemakers is already looking forward to next year, when our first project will be a membership drive.

My annual was made by a small, dedicated group of people. After losing some people to work, sports, or other activities, we set down to putting the annual together. Sometimes it was hard and feelings were hurt but my staff wanted to make the best annual ever. I'm proud of them and I want to thank them for their contributions, no matter how big or small.

My Varsity Squad faced many problems during the course of the season but in the end they seemed to overcome. The season had its good points and its bad. We lost at home to Priest River, in four overtimes, for the first time in thirteen years which was a shock to everyone's system, including mine. In league play my Grizzly Cubs finished fourth and won a play-off game with Kettle Falls for the chance at district. By then we were hot. The first night we played Riverside (the league champions) and won 61 to 53. The second night we lost to the Chewelah Cougars. So we found ourselves playing the Deer Park Stags. After a tough game, we came out ahead. By the end of the week, and after four games in six days my boys were tired. To get a State Berth we had to beat Chewelah two games in a row. The first game gave us a loss and our season was over. I am proud of my team for finishing second in district and they will always be number one to me.

My Junior Varsity team was a group of seventeen hard working boys. Although our record was 6-12 we came within five points in five games. My J.V. also showed strong unity and a lot of talent. With the practice schedules always changing I found them practicing at all hours. For some reason, the attitude of the team seemed to brighten up with the presence of a certain poster. My J.V. coach Mr. John McGregor.

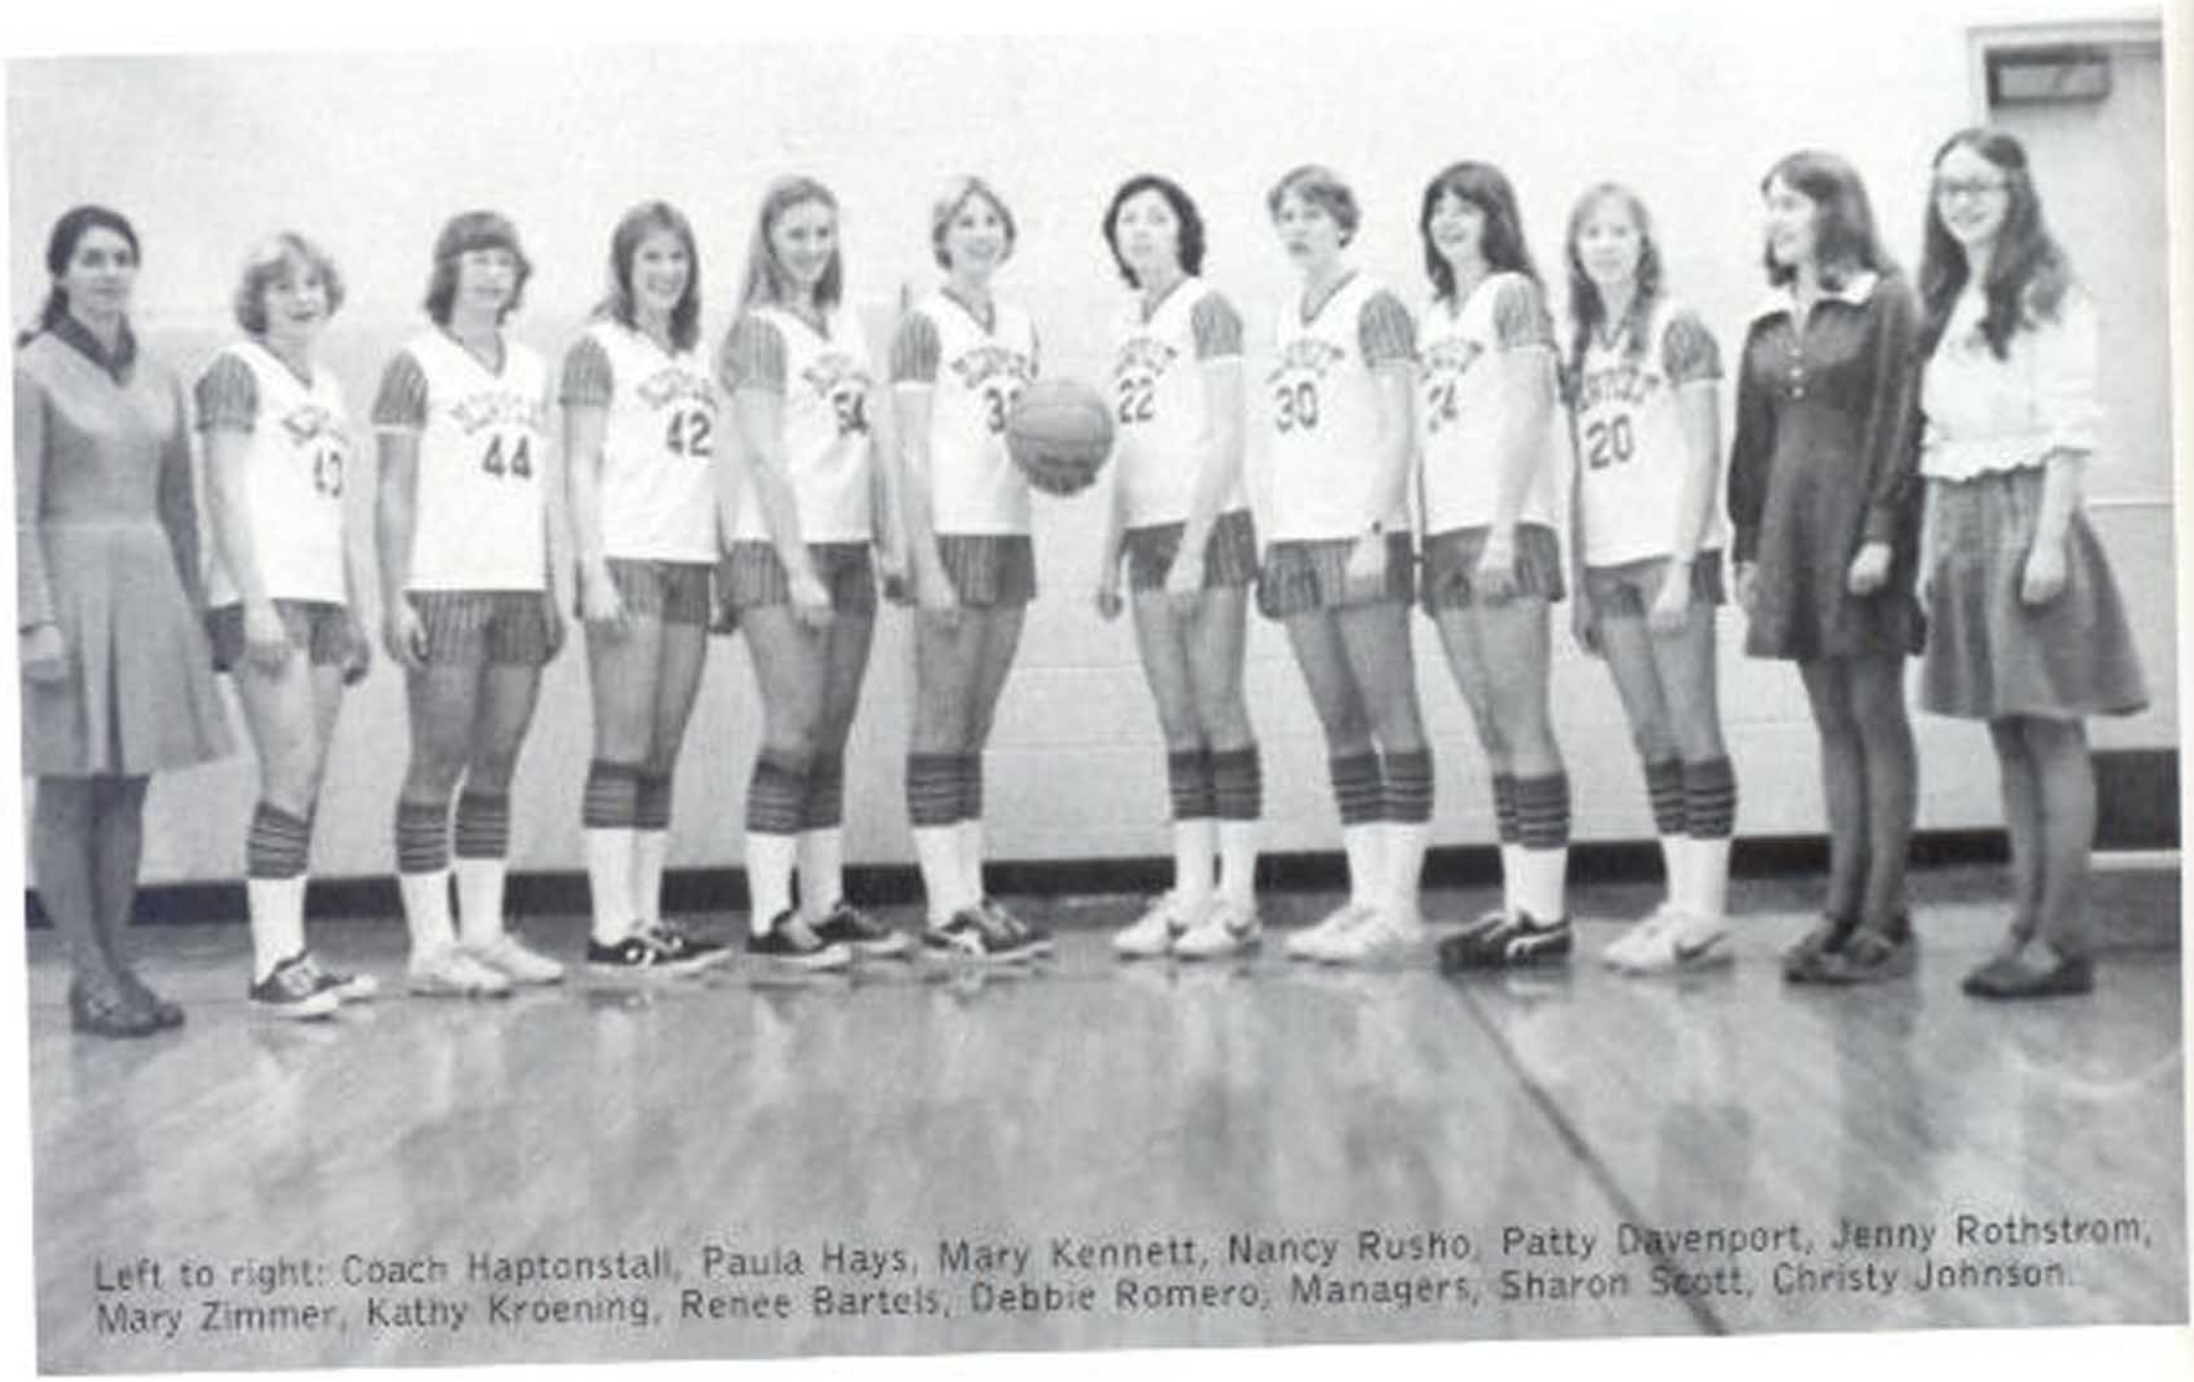

Girls Tie For

Left to right: Coach Haptonstall, Paula Hays, Mary Kennett, Nancy Rusho, Patty Davenport, Jenny Rothstrom, Mary Zimmer, Kathy Kroening, Renee Bartels, Debbie Romero, Managers, Sharon Scott, Christy Johnson.

Girl's Varsity Basketball seemed to be my sport this winter. The team tied with Chewelah for the league championship and advanced to districts. We didn't fare so well there but being young, my team's future looks quite bright.

League Title

My trophy, shown at left, was the first one ever won by a girl's basketball team in interscholastic competition at Newport High School. I'm proud to be a part of this first in our history.

J.V.'s Go

J.V. basketball was the same as the Varsity, winning all the time. Being a J.V. is difficult, to some J.V. has little meaning, but I believe it does.

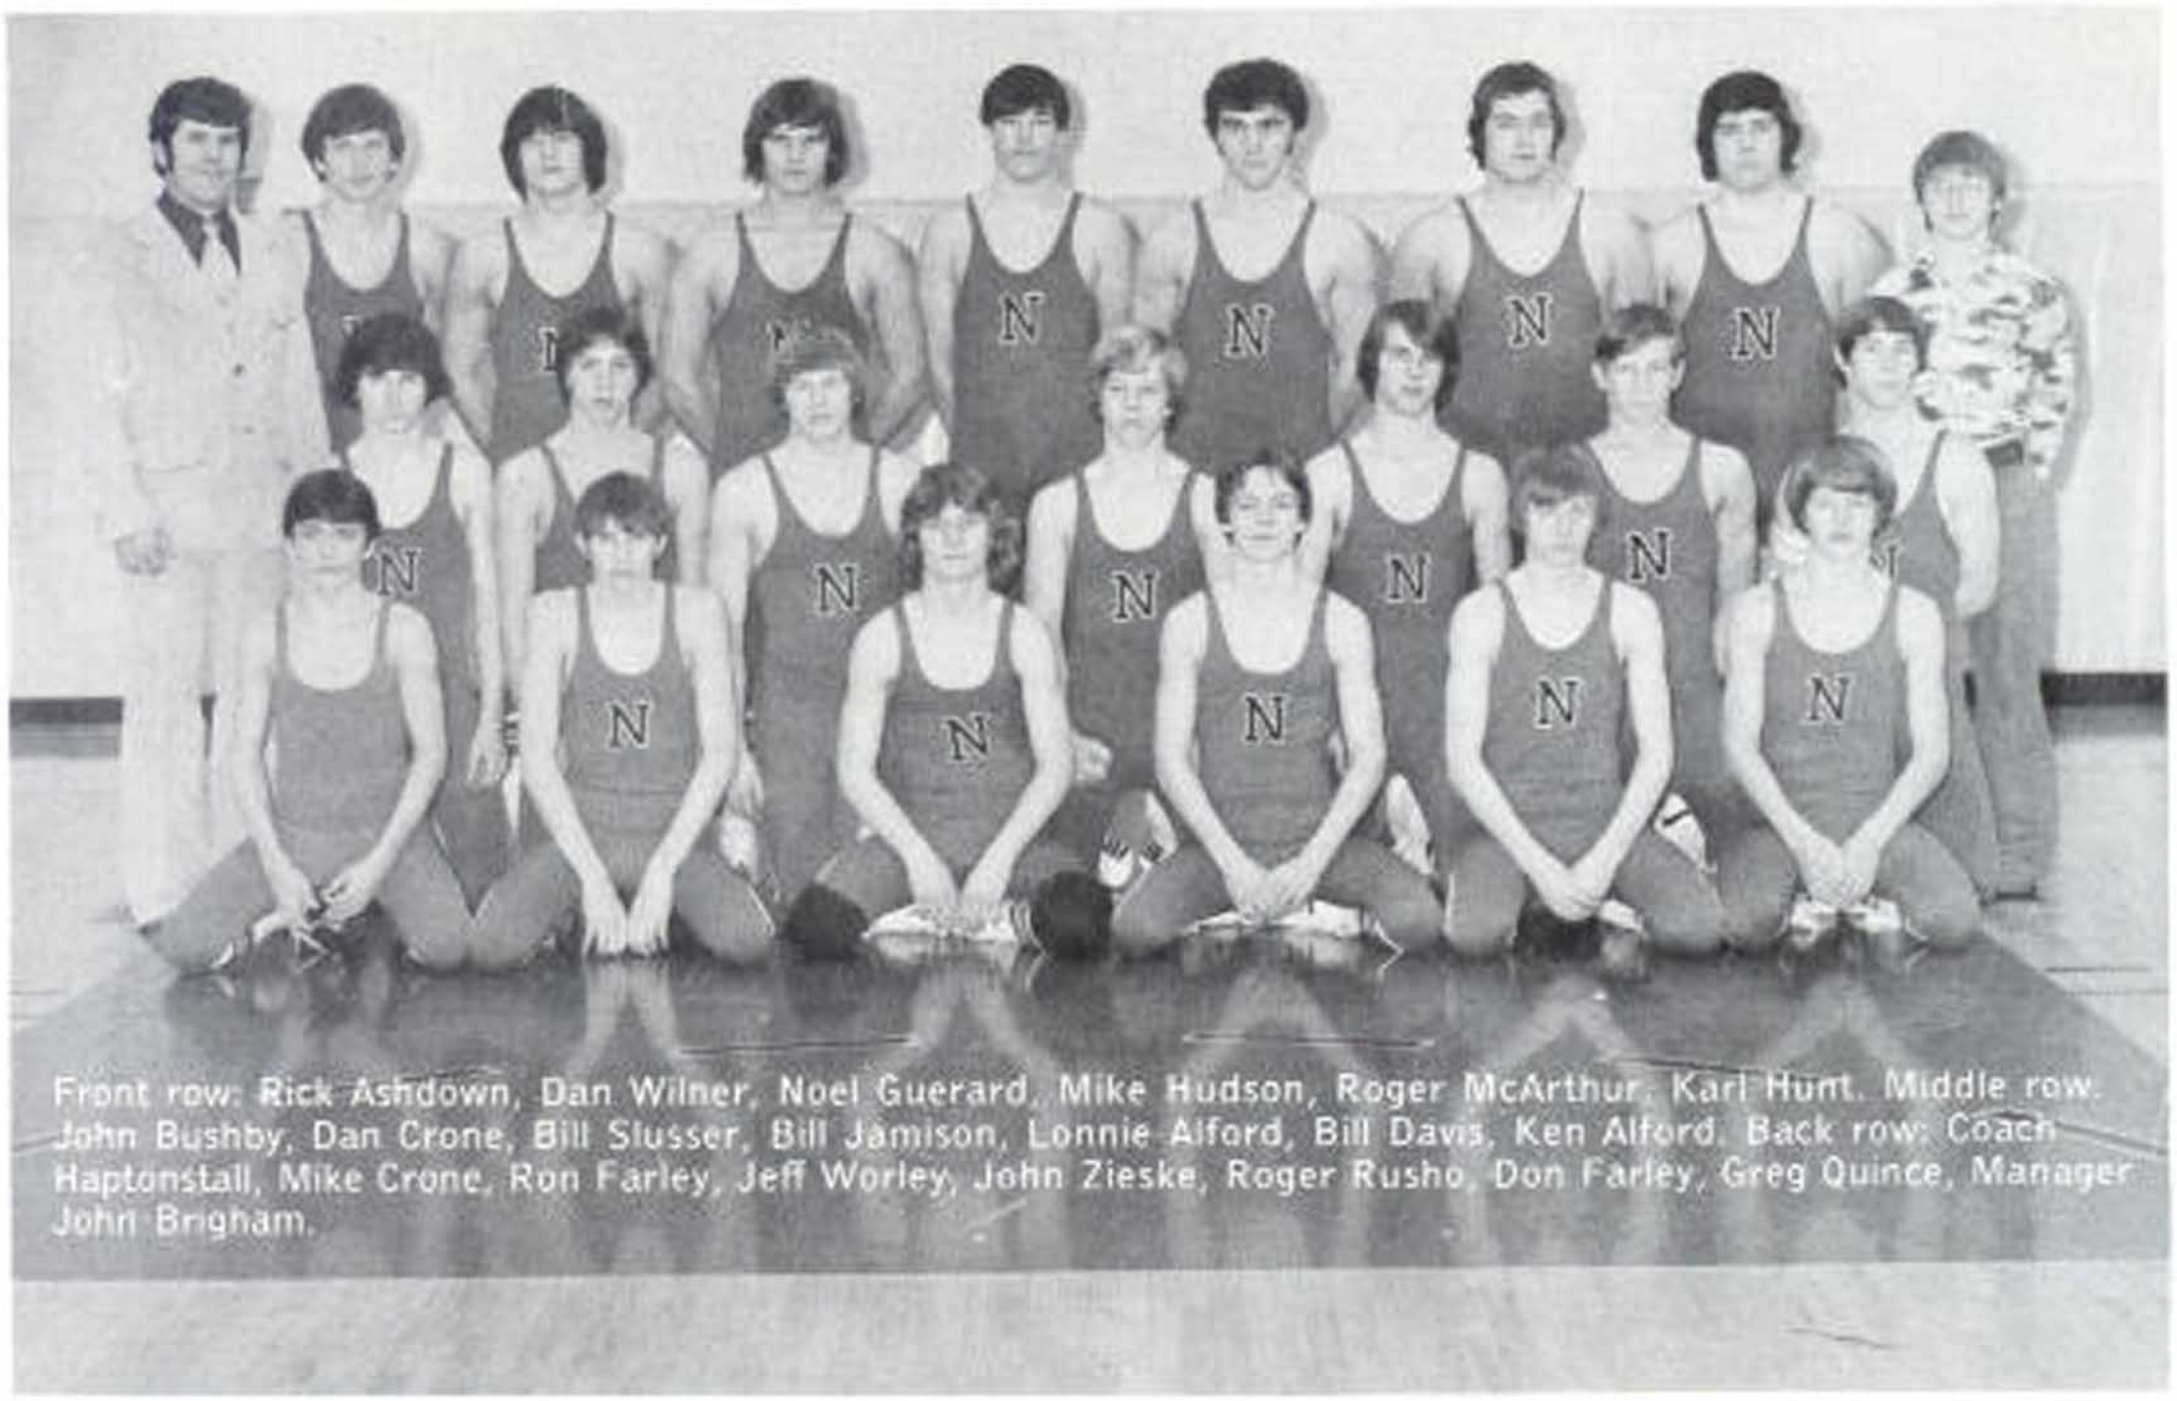

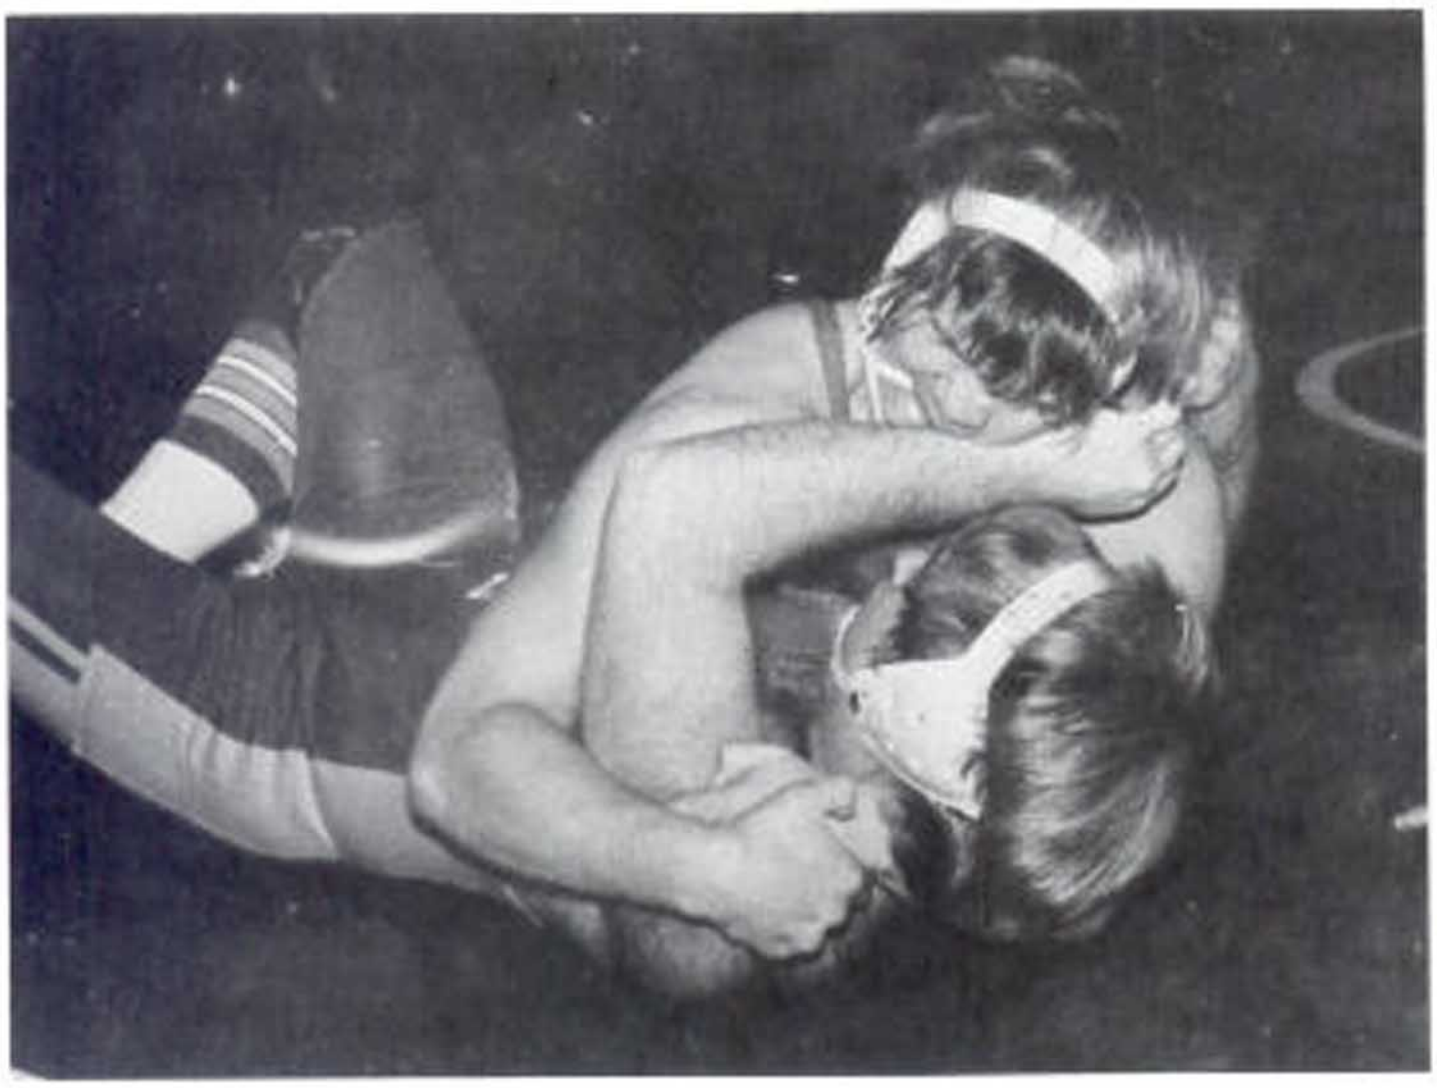

Left to right: Coach Haptonstall, Penny Dorcey, Linda Myers, Leslie Deerwester, Rachelle Carnes, Peggy Reed, Sandy Romero, Angie Strange, Gayle Hayden, Mary Wilson, Sandra Heine, Valorie Iron.

Three to State

Front row: Rick Ashdown, Dan Wilner, Noel Guerard, Mike Hudson, Roger McArthur, Karl Hunt. Middle row: John Bushby, Dan Crone, Bill Slusser, Bill Jamison, Lonnie Alford, Bill Davis, Ken Alford. Back row: Coach Haptonstall, Mike Crone, Ron Farley, Jeff Worley, John Zieske, Roger Rusho, Don Farley, Greg Quince, Manager John Brigham.

The Big Three

Improving every match, my wrestlers surprised many of their opponents. They were tough as a team and people watched them. Three of my members accomplished their goal and made their way to state. Ken Alford at 148 placed third while Mike Hudson at 115 and Roger Rusho at 190 placed in the top twelve.

You'd think I was a polar bear the way those cubs go after snow! My Varsity skied throughout the Northwest in practice and in racing a tough six race P.N.S.A. schedule, but it always felt good to get them back on home snow - 49° North. It is said that one always hibernates best in his own snow.

Though the size of my band may be smaller than it has been in the past, the finished product sounds fine. This year we went to Colville for a band division contest and we came back with superior ratings. We also marched in many parades, representing Newport to our finest.

I always say "the third time's a charm" but it seems that doesn't always hold true. My Grizzlies fought their way to the league championship in fine style and earned their way to a state playoff. After much excitement, my team set off for Colton but the ride home wasn't quite the same. They suffered a 7-0 loss to Colfax and ended the season. All is not lost, however, with 11 returning players, my future looks great.

How can I tell you that I love you,
But I can't think of right words to say,
I long to tell you that I'm always thinking of you,
But my words just blow away
It always ends up to one thing
Wherever I am I'm always walking with you
But I look and you're not there.
Whomever I'm with I'm always talking to you
And I'm sad that you cannot hear, sad that you can't hear
It always ends up to one thing
When I look and you're not there,
It always ends up one thing,
Still I kneel upon the floor,
How can I tell you that I love you.
But I can't think of right words to say.
It always ends up to one thing.
But I can't think of the right words to say.
