The Newport Football Team, coached by Bill Hegler, assisted by Bill Thurston, attacked their season schedule with the usual Grizzly Pride.

Looking ahead and hoping to make the play-offs the Grizzlies defeated all their league opponents, except defending state "A" champs, the Chewelah Cougars. The Grizzlies used their power and stamina to tie the game at 22-22. After two Kansas City Tie-breakers, Newport was defeated by 1 point, the final score 29-28; they finished the season 7-2.

Triumphant Grizzlies lay it all on the line at Chewelah

After trouncing Kettle Falls, 28-0, with such feats as a crushing goal line stand and an 80-yard touchdown romp by Mike Murray, Newport High's Grizzlies will have to do it all over again and then some this Friday night as they invade Chewelah to decide the Northeast "A" League football championship.

Unbeaten Chewelah, the state's No. 4 ranked class-A team, figures as a solid two-touchdown favorite by any comparison of past performances.

The Cougars, pound pound probably the defensive outfit east Cascades, were score the first time since state playoffs as off Ephrata, a d by 36-14 last

Our parade this year was rather short. The Seniors led with their 3rd place float. The Juniors and Sophomores followed with 2nd and 1st place respectively. The Frosh finished off the parade with their float and tied with Seniors for 3rd place. The Homecoming game was the highlight of the week. The royalty this year was as follows: Queen Brenda Hunt escorted by Bernie Raven; Princess Janet Foster escorted by David Mohr; Princess Penny Dorcey escorted by Troy O'dell; Princess Sherrie Hayden escorted by Mark Larson; Princess Romona Persyn escorted by Dan Murray. The highlight of the night was the Grizzlies walking all over the Kettle Falls Bulldogs.

Homecoming

Homecoming this year was a great success. The week started on Wednesday with each class dressing in their designated costumes. Thursday everyone dressed in something besides jeans for Formal Day, and Friday people got in Red and Black. Our outdoor pep rally, held at the football field was also a great success with all classes really getting in the spirit of things by participating in the Obstacle Course and Car Push. Homecoming activities ended on Saturday with the Gong Show and a dance followed with the sounds of "Kracker", from Spokane.

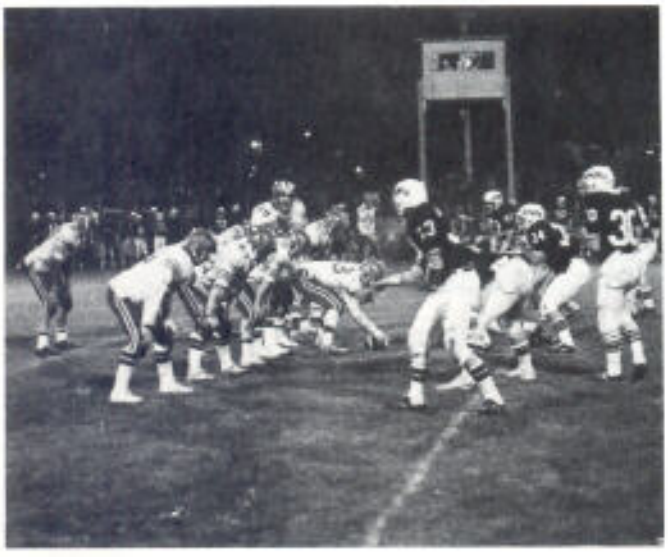

The Grizzly Junior Varsity, coached by a new face, that of Mr. Bill Thurston, had a good year. With a 6 game schedule, they got in some extra playing time. They finished the season with an even 3-3 record, and are looking forward to a spot on the varsity next year, and maybe a chance for the league championship.

Newport's powerful Grizzly Volleyball team is steadily improving; each year the spikes and serves become more deadly and the sets get more accurate. The varsity team went 18-2 in season play, losing only to a triple "A" school Rodgers, and a close contest to Colville, who they later defeated. The Grizzlies went on to capture the Northeast "A" League Title and the District "7" Championship for the second year in a row. Newport, a virtual unknown, went to the state playoffs at Yakima with high goals, and came away with new confidence and a second place trophy. A new addition to Newport's sports program was the Frosh Volleyball team who had a record of 8-2 for an outstanding start.

Cross Country. . .

On to state

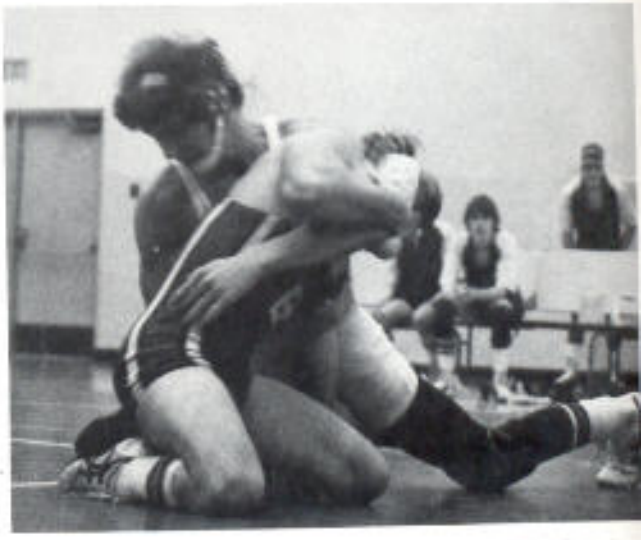

With excellent coaching by Clint Longshore, this year's cross country teams had their usual good showings and fantastic seasons. The boys team finished second in district and tenth in state. The girls team, showing that they knew how to run, came away with first in district and a third place trophy in State competition. Both teams proved to Washington that the Newport Grizzlies don't fool around.

Wrestling "79"

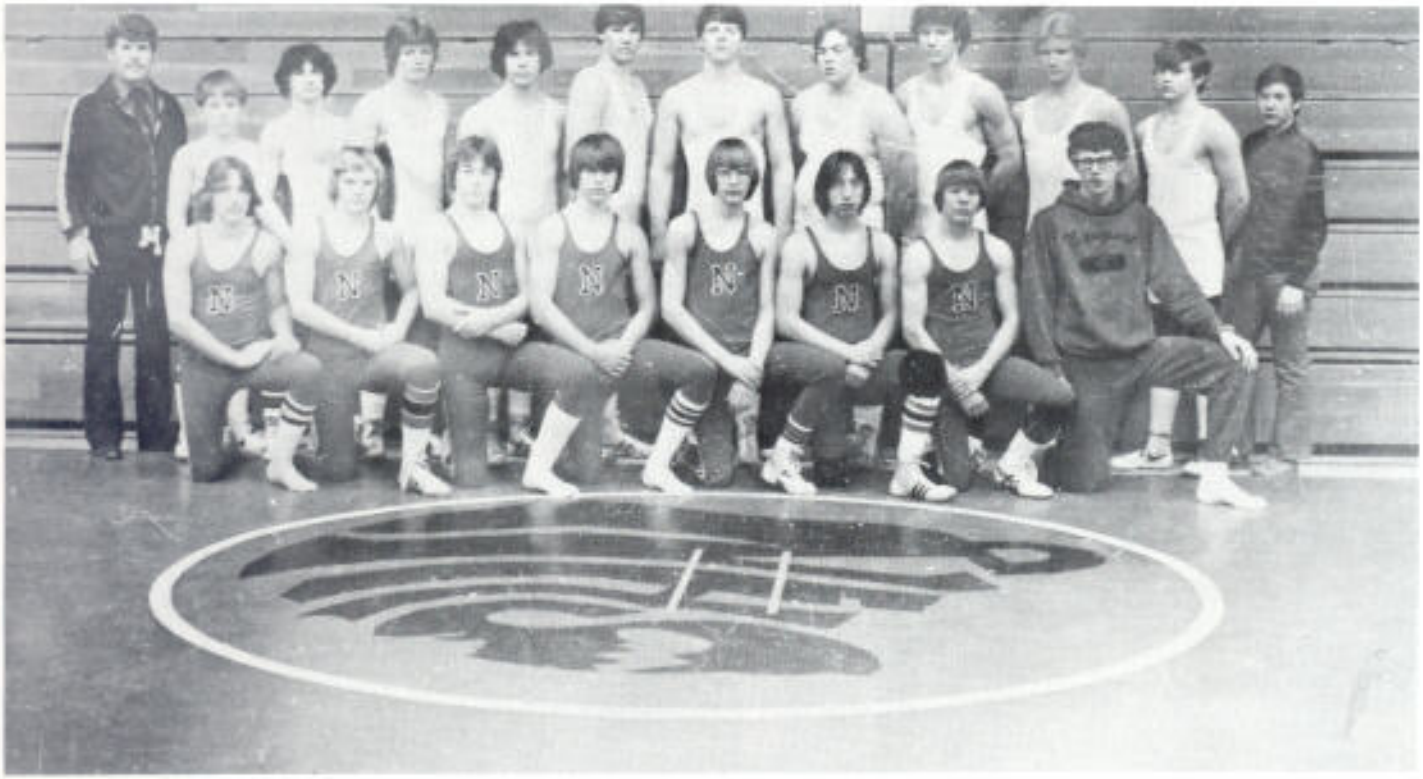

Mike Haptonstall's wrestlers had an outstanding season. They were League Champs with a 5-1 record, and their season record was 14-3. They sent all twelve wrestlers to District, in which they placed second, and Regionals which got them fifth place. The team had three League Champs and six coming in second, they placed one District Champ with five taking second, two seconds at regionals and seven were in the top sixteen at State, two of which were in the top ten and one placed seventh. Two records were broken this year; Most Animal Award points by John Zieske with 37, previously held by Ken Alford; and Best four years record tied by Mike Hudson with 61 wins and 23 losses.

Back Row: Coach Haptonstall, Troy Moody, Shaun Gomez, Karl Hunt, Greg Quince, John Zieske, Gil Langdon, Scott Carey, Dennis Swoboda, Bill Davis, Allan Moody, Manager- Darren O'Neill. Front Row: John Danielson, Chris Hunt, Jeff Raven, Clint Grassel, Steve Wareham, Bob Farley, Barry Monk, Manager- Dan Swoboda

Grizzly Power

The Newport Grizzlies had one of their best seasons ever in '79. The team compiled a 14-5 regular season record coming within 1 point of Colfax, the defending State Champions who recaptured the title this year. The Grizzlies won the District in three games and for the first time in 23 years they went to the State Tourney in Tacoma. Under the direction of a new coach, Gene Cash from Gonzaga, the guys had an outstanding season and the nine seniors on the team left in style with State Tourney in hand.

The Newport High School girls basketball team had its usual good showing. With a returning cast of 10, the Grizzlies staged one of the most successful seasons girls basketball has seen at Newport. Carrying a 17-2 record into the District play-offs, the Grizzlies were Northeast "A" League Champs for the second year in a row. Winning the District in 4 games, they also captured the District "7" Title for a second time. The girls had an outstanding tournament and came away with a seventh place trophy and the satisfaction of knowing they were one of the best in the State of Washington.

Enthusiastic Fans ?!!

Under the direction of Coach Linda Haptonstall, the J.V.'s sported a 15-3 record and showed their strength as the future of Newports basketball team. Playing a demanding schedule which included several AAA schools and B powers they gained valuable experience for the years to come.

C'ers

Back Row: Coach Teresa Silar, Susan Wilner, Jill Howe, Shelly Schultz, Mary Olson, Candi Strange, Front Row: Dona Winterfield, Penny Dorsey, Nina Murtaugh, Robin Halverson and Carla Wilkerson

Coach Theresa Siler's C squad had an excellent season. This being the first year for a C squad team, the gals 9-1 record showed strength for the upcoming years. Losing only to a tough Sandpoint team, the girls got a taste of a winning season, traditional to Newport teams.

Christmas

Tournament

The Newport Christmas Tournament was one to remember as both host teams took home the trophies. The Grizzly gals were victorious the first night, along with rivals Bonners Ferry Badgers which put Reardon and Ritzville in the battle for third and fourth. Reardon downed Ritzville to come away with 3rd, leaving the Bronco's, who became State "B" Champs for 78-79, with 4th place. Newport rallied Bonners Ferry for the Championship, and handily won the battle. The Grizzly guys defeated Bonners Ferry the opening night, while Cusick squeaked by Priest River. The Bonners Ferry Badgers downed Priest River for 3rd, and Newport handled Cusick for the number one spot. It was an excellent showing for both Newport squads, indicating the great potential of both teams which was evidenced as the girls and boys squads qualified for State Tournaments.

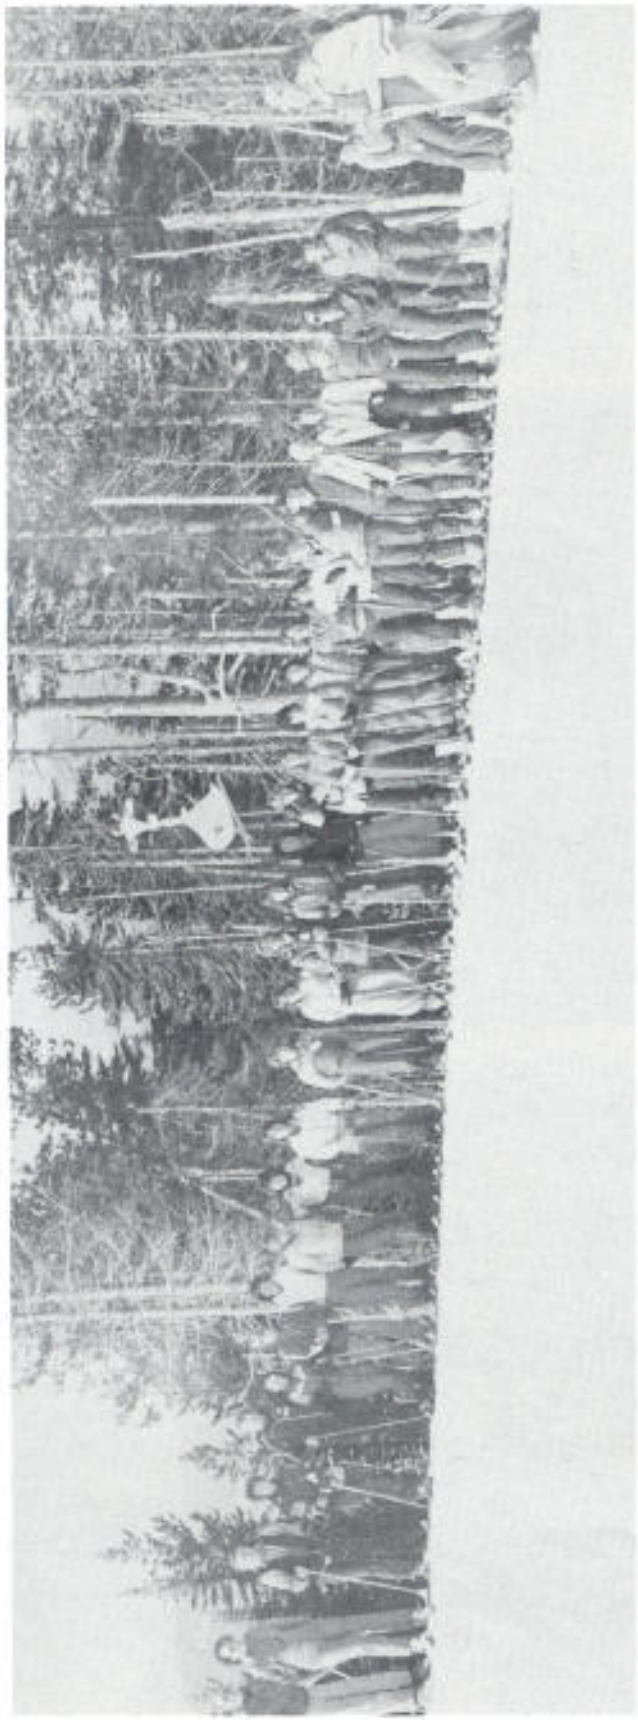

Skiing

The wind was biting and the snow was poor most of the time but that didn't stop Newport's skiers from doing their thing. From beginner to racer they all had that ski fever which allows a person to ski 'till they're blue from the cold, take numerous dazzling wipe-outs, each contributing to the snow down your pants, and to fly down the hill at great speeds whether on your ski's or your back. This group of outdoor lovers never seems to stop 'till they've conquered the final slopes.

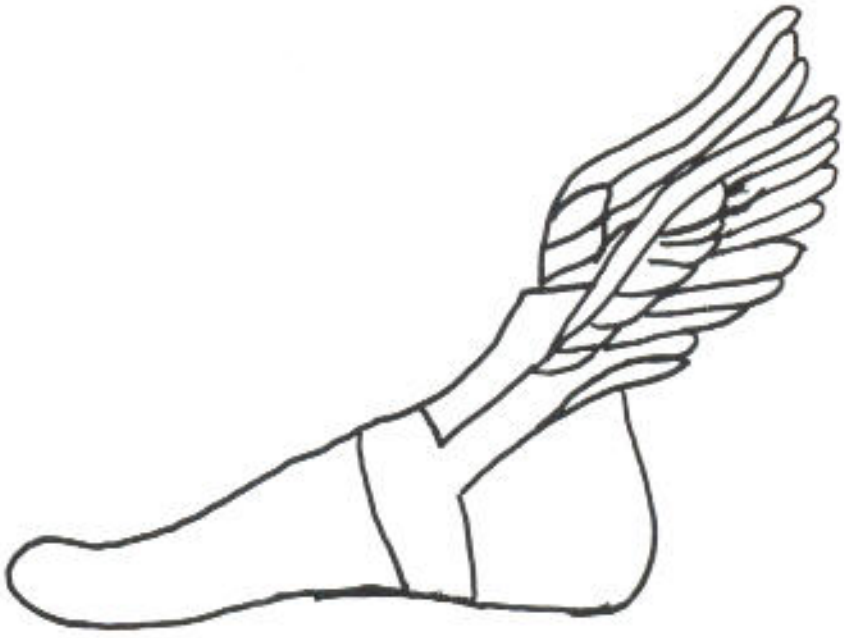

Track

The Newport track teams had excellent seasons, to finish out a sensational year in sports for both guys and gals. The Grizzlettes, relying on depth, won 9 out of 13 meets, finishing 2nd to AA power Medical Lake in the Deer Park invite, 2nd out of 16 schools at Reardon invitational, and a second place finish to Freeman at the District meet. Four representatives from this team traveled to State. They were Paula Hays-hurdles, 880 relay; Jenny Rothstrom-Shot put, 440, 880 relay; Sandy Romero-880 relay; Penny Dorcey-880 relay. Two school records were set; Jenny Rothstrom with a 440 time of 60.0 and sister Susan with a discus throw of 96'8".

The boys won their share of meets, too. They helped the girls in a combined effort at a Deer Park invitational meet. The boys sent Frank Grassel in the 330 intermediate hurdles, Gary Myers in the 220 and mile relay, Dave Clark in the high jump, Ray Bostrom in the mile relay, Clint Winterfield in the mile relay, and Frank Grassel in the mile relay to the State meet. New records were set with Mike Murray's 6'3" leap in the high jump, and the mile relay ran a 3.31.8.

State participants: Dave Clark, Clint Winterfield, Ray Bostrom, Frank Grassel, Jenny Rothstrom, Penny Dorcey, Paula Hays, Sandy Romero.

Baseball

The baseball team came through with yet another league championship, making the combined total, boys and girls 8 league Championships in one year, a new record for NHS. The Grizzly sluggers were 18-5-1 heading into the final steps on their way to State. Three of their regular season losses were to AA schools. They lost a hard fought game to Okanagan, who went on to become the State Champs of 1979.

Goes Far!

Softball

It started out as an idea, and a group of dedicated girls made it into Newport's first competitive softball team. The girls had bake sales, garage sales, a Mom and Dad's Dance, an Evening of Hypnosis, and with a few donations, they reached their goal of $2,600. Coached by Al Carpenter, the girls had a season record of 6-10, which is excellent for a first year team competing against veteran schools. They had some impressive victories and a lot of fun. We at NHS are proud of these girls. Our congratulations.

CLUBS AND ORGANIZATIONS

Biology Club

The Advanced Biology Fieldtrip was a highlight of the year for many Seniors. It gave us a chance to get to know our class by names and not just faces. Even though we spent 3 nights on gym floors, took cold showers, sloshed through the mud in search of crabs, and ate a tremendous amount of beans, I think everyone would tell you it was all worth while. We would like to thank Mr. Wendle for his contributions to the educational system. He has brought some good ideas, and developed them into excellent programs which have benefitted all of us and have made learning more than just a series of books.

Pep Club

PEP CLUB is . . .
Decorating lockers, claimed to be the most beautiful ever.
Painting numerous signs during and after school (mostly during!)
Cheering constantly, and getting into the act with an occasional good cry.
Ten members attending boys State in Tacoma.
Decorating the halls of NHS.
Smuggling a huge stuffed bear, in the trunk of a car, to Boys State as their new Mascot.
But most of all PEP CLUB is . . . .
Enthusiasm, spirit and fun.

Chorus

Chorus performs at Christmas Concert.

Band

Being in Band means more than just showing up for class every day. It means coming to football games in the snow and the rain, attending every home basketball game, special practices, pep assemblies and a varied amount of marching. This year the Band sponsored many fund raising activities, and they attended a Band/Chorus area competition at Colville.

Cheerleaders

The 1978-79 cheerleaders had a very exciting time this year. Not only did they cheer Newport teams onto winning seasons but they also got the chance to cheer at three state playoffs. They worked hard on perfecting routines and did their job well. Although they didn't win a trophy this Newport team had a winning season of which they can be proud.

Above: Left to Right: Julie York, Suzy Schwab, Danette Petretee, Gina Musso, Shelley Petretee, Jodi Gabbert, Dena Worley. Below: Ronna Anderson, Brenda Hunt.

FHA

This year, a spirited FHA Club, under the direction of Theresa Siler partook of many worthwhile activities, which included decorating the Old Folks Apartments for Halloween, Christmas Caroling at the Old Folks Home, and going to the Recognition Day at Davenport. They also participated in the March of Dimes collecting over $200.00; they sponsored the King of Hearts Day and provided refreshments for the Student night.

FFA

Being in FFA means having a banquet to celebrate FFA Week, having sledding and swimming parties and going to judging contests. It means being involved in Speaking contests and basketball jamborees, as well as many other worthwhile and exciting activities. But most of all it means building for the future, developing the skills and knowledge of agriculture and of course listening to Mr. Yann EVERY day!

FBLA

The new FBLA CLUB made a great start this year by attending the "Future Business Leaders of America" state conference in Seattle. But that wasn't enough excitement for they decided to take a chance on some real entertainment. They ended up drawing quite a crowd and making a few bucks at the same time. The Seattle Seahawks came to Newport to play a game of basketball with a select group of Newport faculty and towns-people who didn't stand a chance. A raffle was sponsored, with first prize being an autographed Seahawks football. Altogether it was a successful first year for this club.

Officers; Left to Right: Vice Pres. Mary Zimmer, Secretary Sue Owen, Historian Debra Watson, A.S.B. Rep. Bernie Raven, Treasurer Dawn Rosenborough, Historian Becky Mahaffey, Treasurer Kathy Strange, President Amber Anderson.

Debate

Newport's debators, led by Joyce Watts, had a good season. Even though they were young and inexperienced they picked up several "Best Speaker" awards at each debate. The team ended the season as state alternates.

Letter "N" Club

Letter 'N' had what is hoped to be the first of a series of active years. They started by reactivating the firey Letter 'N' on the hill. During Homecoming the 'N' came to life during an inspirational halftime ceremony. The other major project that the club will undertake is the rebuilding of the baseball scoreboard. Advisors Hays and Haptonstall, working with President Jenny Rothstrom plan to have the scoreboard ready by mid-season this year.

President Mary welcomes new members

Membership in the National Honor Society is based on Scholarship, Leadership, Service and Character. It is one of the most sought after High School organizations in which to be elected. This year the Chapter, led by Mary Zimmer, spent much time and effort collecting money and buying presents for the patients of the Eastern Washington State Hospital for the handicapped. This is a very worthwhile annual project. Steve Ellersick and Shawn Gomez were chosen to apply for the National Honor Society Scholarship.

PEOPLE

EXCHANGE STUDENTS

BRAZIL GERMANY SWEDEN

Ralf Wilhelm Bohrer, comes from Pirangi, in the State of Sao Paulo, Brazil, and is staying with Richard Oberdorfer. What are the hobbies of a guy who most girls think is one of the cutest exchange students to come to Newport? He plays soccer in his school in Brazil, and his new found American interests consist of snowmobiling, basketball, American songs, and snow. He prefers the food in Brazil to that in America, and he finds the temperature and American guys, are very different here than in Brazil.

Kerstin Oppermann from Braunschweig, Germany is one of the most spirited exchange students to come to Newport. Staying with the Robert Clarks, Kris, as she is called by most people, got a taste of living in the country. Although being further away from the school than many, Kris managed to attend a good deal of the Newport School activities. She has taken a liking to dances and snowmobiling, although she admits that she misses German Bread (because it has so many more varieties) and discos. She misses her friends and family, and all the "cute Germans". She likes Tacos, pies, and brownies and thinks the hamburgers here are better. She likes playing pool, and going to games; with a voice that can be heard and identified anywhere, Kris has the kind of school spirit Newport is proud to promote. She dislikes the strictness of the drinking law, and thinks school is too closed in. In her opinion we spend too much time here (I don't think anyone disagrees!) Kris is surprised at the drug problem in the U.S., because it is not as severe in Germany.

Segio Ramos Da Silva Filho staying at the home of Ted Schwab, comes from Rio De Janeiro, Brazil. This lively guy, distinguished by his constant grin, enjoys playing soccor and likes to read. Despite his lack of ability to be proficient with the language, he has taken a liking to American girls. He likes to drive snowmobiles and he enjoys American food and finds the temperature here quite a switch from sunny Brazil.

Pirjo Sirvio, or Pete as most of her American friends call her, comes from the town of Haparanda, Sweden. She is staying at the home of Margaret Black. She likes learning about our country and meeting new people. She enjoys skiing, and jazz lessons. She misses the different varieties of Swedish Bread, the discos, her friends and her sister. She also misses swimming in Sweden. While she says Sweden has better cheese, she thinks American hamburgers are great! She likes piano lessons, games, the outdoors, and running. Like many foreign students, she doesn't like the strictness of the drinking law, and like many Newport students, she can not see any usefulness in tardy slips and "stuff like that".

"Looks like we made it"! This was a phrase heard often from many freshman who had just witnessed the end of Homecoming week and the traditional frosh initiation. It's a hard transition to make, going from "King" of the Junior High to a wee little frosh trying hard to stay out of everyone's way. Despite the fact that these newest members of our student body have not yet learned how to read, i.e. they go up the down stairs and down the up stairs, but, they proved their competitive spirit by winning the obstacle course and the car push race in the Homecoming assembly.

JUNIORS

Class Officers: Top to Bottom: Pres: Rachelle Carnes, Vice Pres: Linda Myers, SC Rep: Dawn Roseborough, Sec: Troy Odell, Treas: Penny Dorsey

Earning money for the Junior Prom occupies quite a bit of the Junior classes time. They sponsored many dances and raffles, and combined a box social with a dance featuring Rogers High School Disco Light Show. The Juniors took a giant step forward by getting the D.K. to host the Prom at the Circle Moon.

Juniors show their stuff!

Everything's Fine in "79"

A Walk in the Park

There is a Past

Which is Gone . . .

I love you my friend you're quite dear to me, a true friend you are and always will be. But you're leaving me soon and going your own way, perhaps we will meet in the future some day. You've left me with memories of good times we've had, to treasure forever and make me feel glad. I wish you good luck in all that you do farewell now my friend and please may you find some thoughts of me always in your mind.

Karen Haung

But There is a Future

Which is Still Our Own.

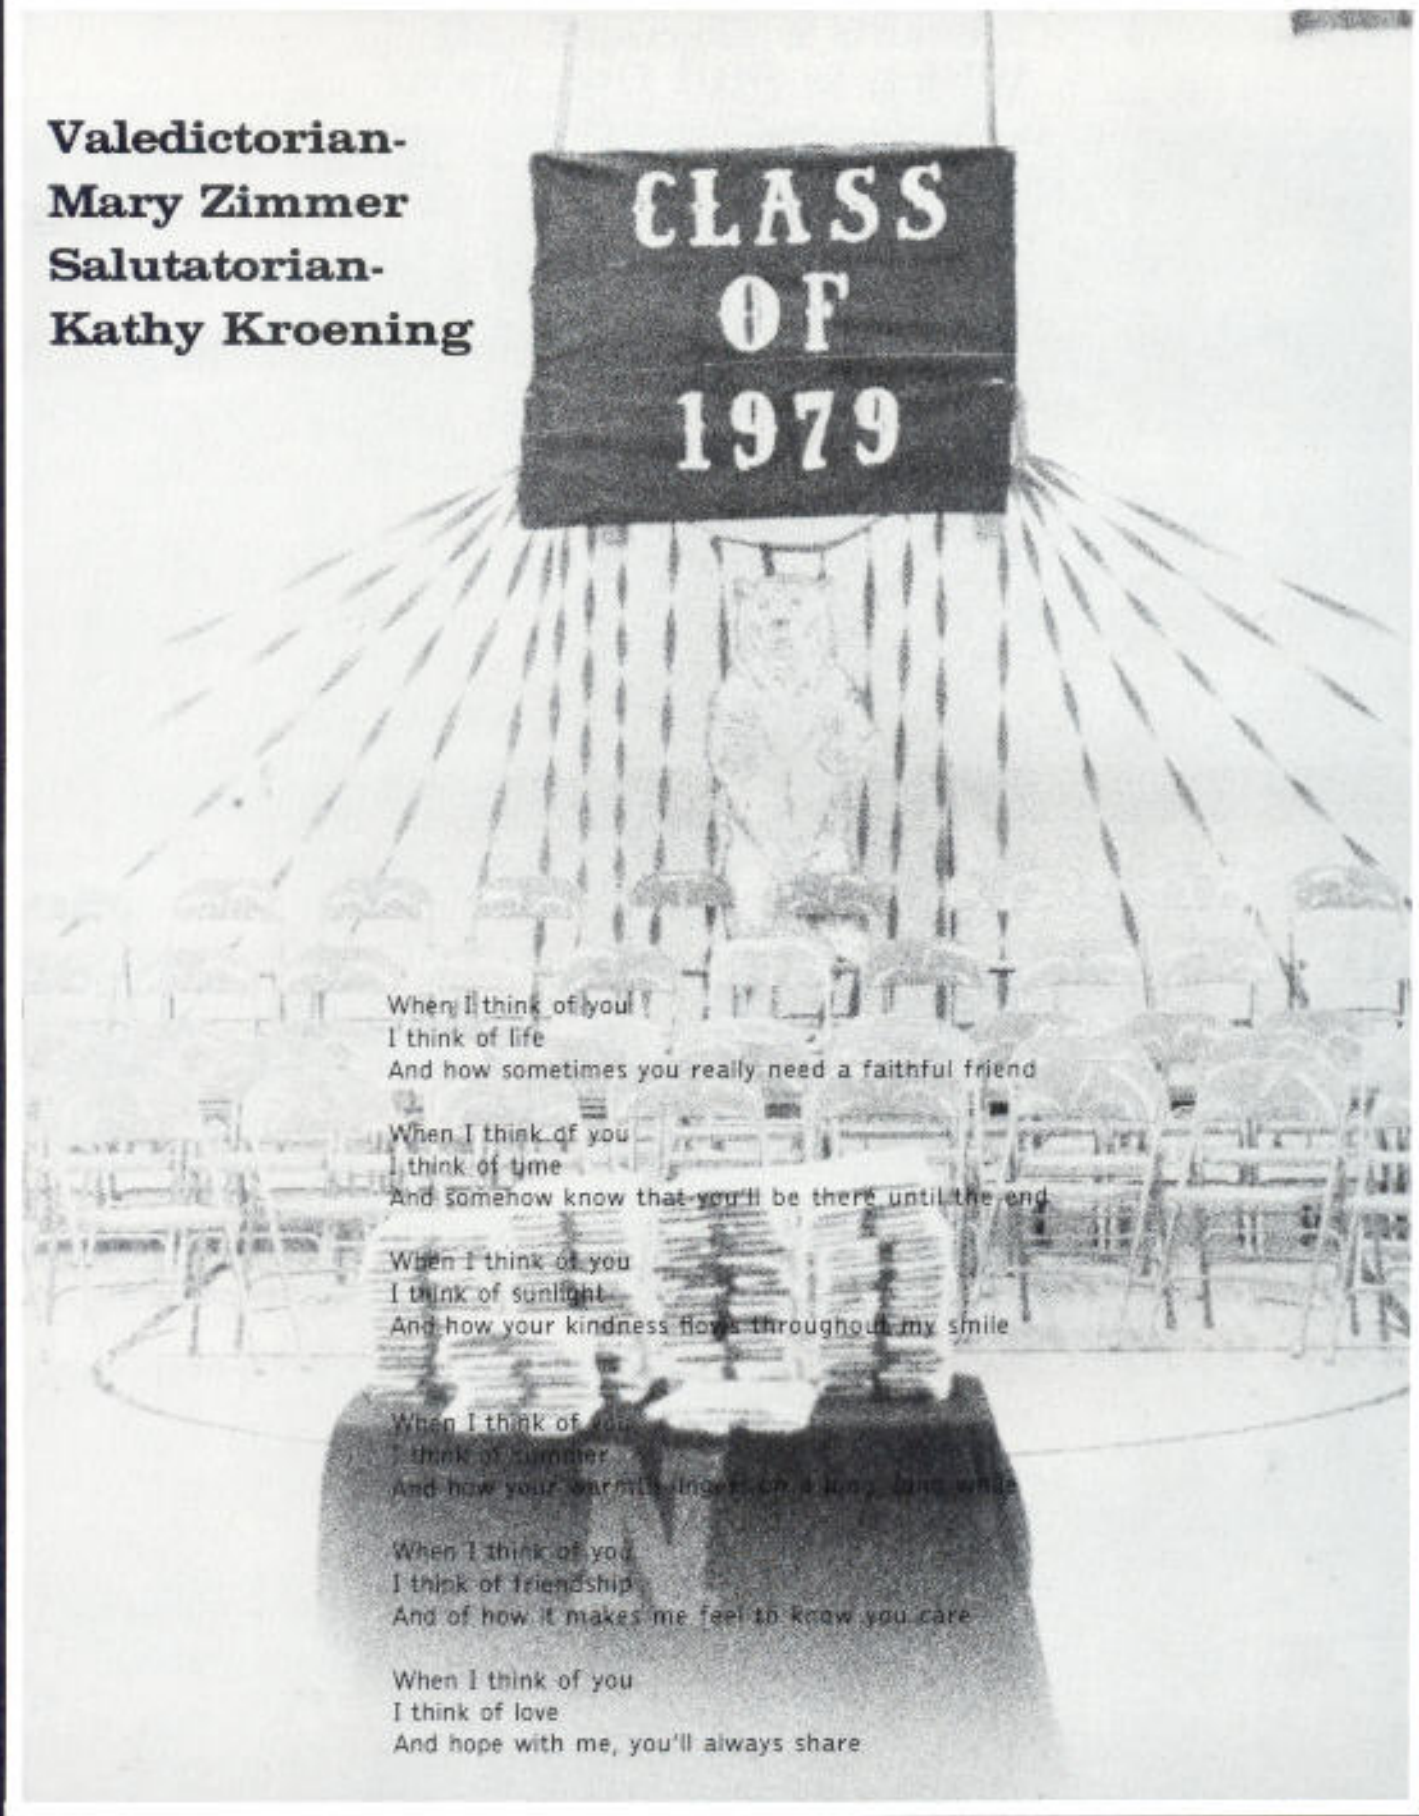

Valedictorian-
Mary Zimmer
Salutatorian-
Kathy Kroening

When I think of you
I think of life
And how sometimes you really need a faithful friend

When I think of you
I think of time
And somehow know that you'll be there until the end

When I think of you
I think of sunlight
And how your kindness flows throughout my smile

When I think of you
I think of summer
And how your warmth shows on a lazy, lazy while

When I think of you
I think of friendship
And of how it makes me feel to know you care

When I think of you
I think of love
And hope with me, you'll always share

To

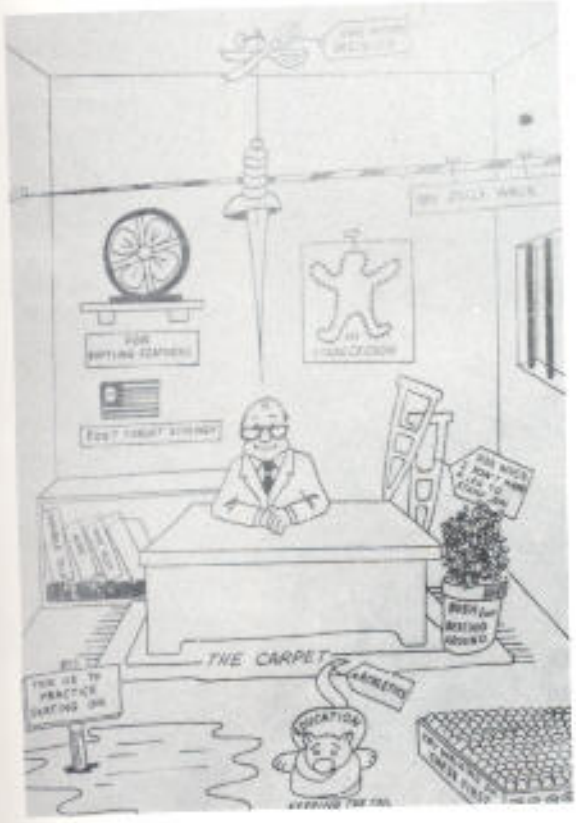

Mr.

Brown

OH LORD!
HELP ME TO SEEK
THE COURAGE TO
CHANGE THE
THINGS WHICH
I CAN, THE
SERENITY TO
ACCEPT THOSE
WHICH I CAN-
NOT, AND THE
WISDOM TO
KNOW THE
DIFFERENCE

In appreciation for 18 years outstanding service to education in the Newport community. We students past and present wish to thank you for your dedication to the welfare and well-being of every student with whom you came in contact. Therefore, we express our appreciation with the dedication of this annual to you Mr. Raymond Brown, principal Newport High School 1961-1979.

It's finally over! Things are coming to an end, and I'm beginning to see the finish of another N.H.S. Yearbook. Yet it's not just another book, because it's the only 1979 N.H.S. Yearbook. 1979 will be remembered by:

Homecoming-an outdoor pep assembly
Blue jeans and Disco
A peace treaty between Egypt and Isreal
Overcrowded parking
Overcrowded halls
Overcrowded classes
Vice principal Musso and the rubber room
Boys Basketball going to state for the first time in 23 years
And all the other things that made 1979 what it was.

My thanks and appreciation go to my advisor, Mr. Shaw, for his understanding and help when the going got tough. Thanks are also due to the Staff who really worked hard and supported me in all my mistakes. And last, but not least, I would especially like to thank you for giving us support by buying a yearbook.

Teresa Mathews
1978-79 Bruin Yearbook Editor
