# . . . homecoming memories

The homecoming celebration this year was full of fun and excitement. Not only did in include dress-up days, the Gong Show, an outdoor assembly, but to top it off we shot down the Lakeland Hawks with a score of 20 to 6.

To get the week off to a good start the volleyball team defeated Sandpoint on Tuesday. Wednesday was a dress-up day, there seemed to be a lot of bugs and animals around the school that day. On Thursday, space creatures were cited. The 3rd Annual Gong Show began at 7:30, Thursday night with Mr. Wendle, the Wild and Crazy M.C. Lester Tucker and his fiddle won 1st place followed by Sandy, Rick, and Lane playing the song Freedom. Dr. Fly and the Maggots placed 3rd. After the Gong Show the bonfire got under way.

Friday was the traditional red and black dress-up day. A pep assembly was held at the football field with the band leading the way. There were hoppity-hop races, volkswagen stuffs, football tosses, and a pie eating contest. Along with many other activities the homecoming royalty was announced. This year's queen and her court were Jenny Rothstrom, Queen; Marianne Yergens, Sr. Princess; Rhoda Yeaw, Jr. Princess; Ella Bachmann, Soph. Princess; Kathi Proctor, Fr. Princess.

The homecoming parade got under way at 4:00. The Sophomore class carried on their 21 year tradition of winning the float contest with their theme, "Hawk Burgers Make Happy Meals For Hungry Grizzlies."

At 7:30, Newport spirit filled the air when the homecoming game began. At halftime the spirit was boosted even more with the band and drill team performing. The royalty was recognized and the Letter 'N' Club torched the N on the hill.

To finish off the week, Saturday, the volleyball team gained a victory against Priest River. That night Black Jack performed at the homecoming dance.

# MOGULPECKER DAY

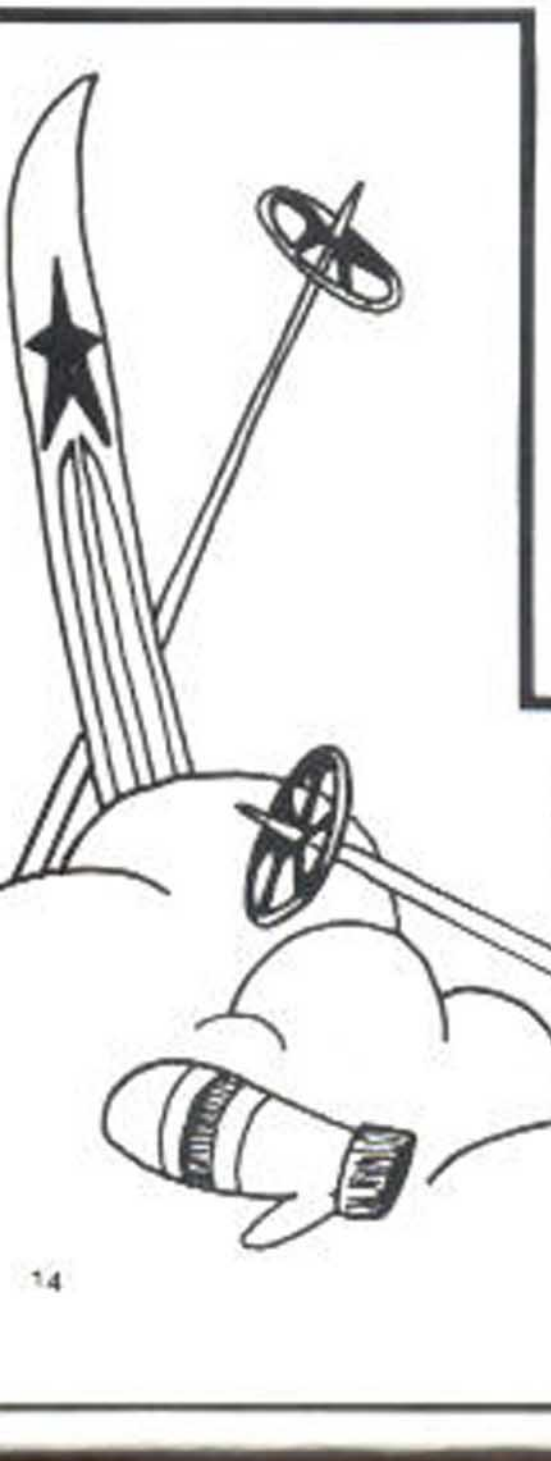

Over 750 skiers from Newport and the surrounding area were drawn to this memorable event. The beginning skiers along with the Newport Ski Club sold tickets for $1.25 each for this funfilled day.

In the midst of the confusion were hot doggers, human snowballs, and numerous collisions making this the most mogulpeckingest day of the year.

## classes excel in gym & drama

This year the drama class presented three one act plays. Under the direction of Mrs. Herron the class worked towards perfection, and carried off the performance with expertise.

The girls p.e. classes practiced hard during class to create a gym show. The girls did dances, floor exercises, vaulting and balance beam routines. The show was performed in front of family, friends, and other interested citizens.

# RECOGNIZE ANY OF THESE FACES?

## wanted by nhs sportsters

WANTED: for their time, effort, and determination in coaching our fine Grizzly teams.
Left: Bill Heglar, Bill Hays, Ron Park, and Bill Thurston tackle the job of coaching football while Linda Haptonstall and Mary Hays, serve as the volleyball coaches. Below: Eugene Cash, Bill Hays, Mary Hays, Mick Schultz and Bill Thurston bounced their way into coaching basketball. While Bill Heglar stood in for Mike Haptonstall as wrestling coach.

Left: Ron Park and Linda Haptonstall (not pictured) jogged their way into guys and gals track coach positions. Dwight Faire along with Al Carpenter slid into the positions of baseball and softball coaches respectively.

If you happen to spot any of these people, stop and commend them for their valuable contributions to our sport program.

# FOOTBALL

## a spectacular season

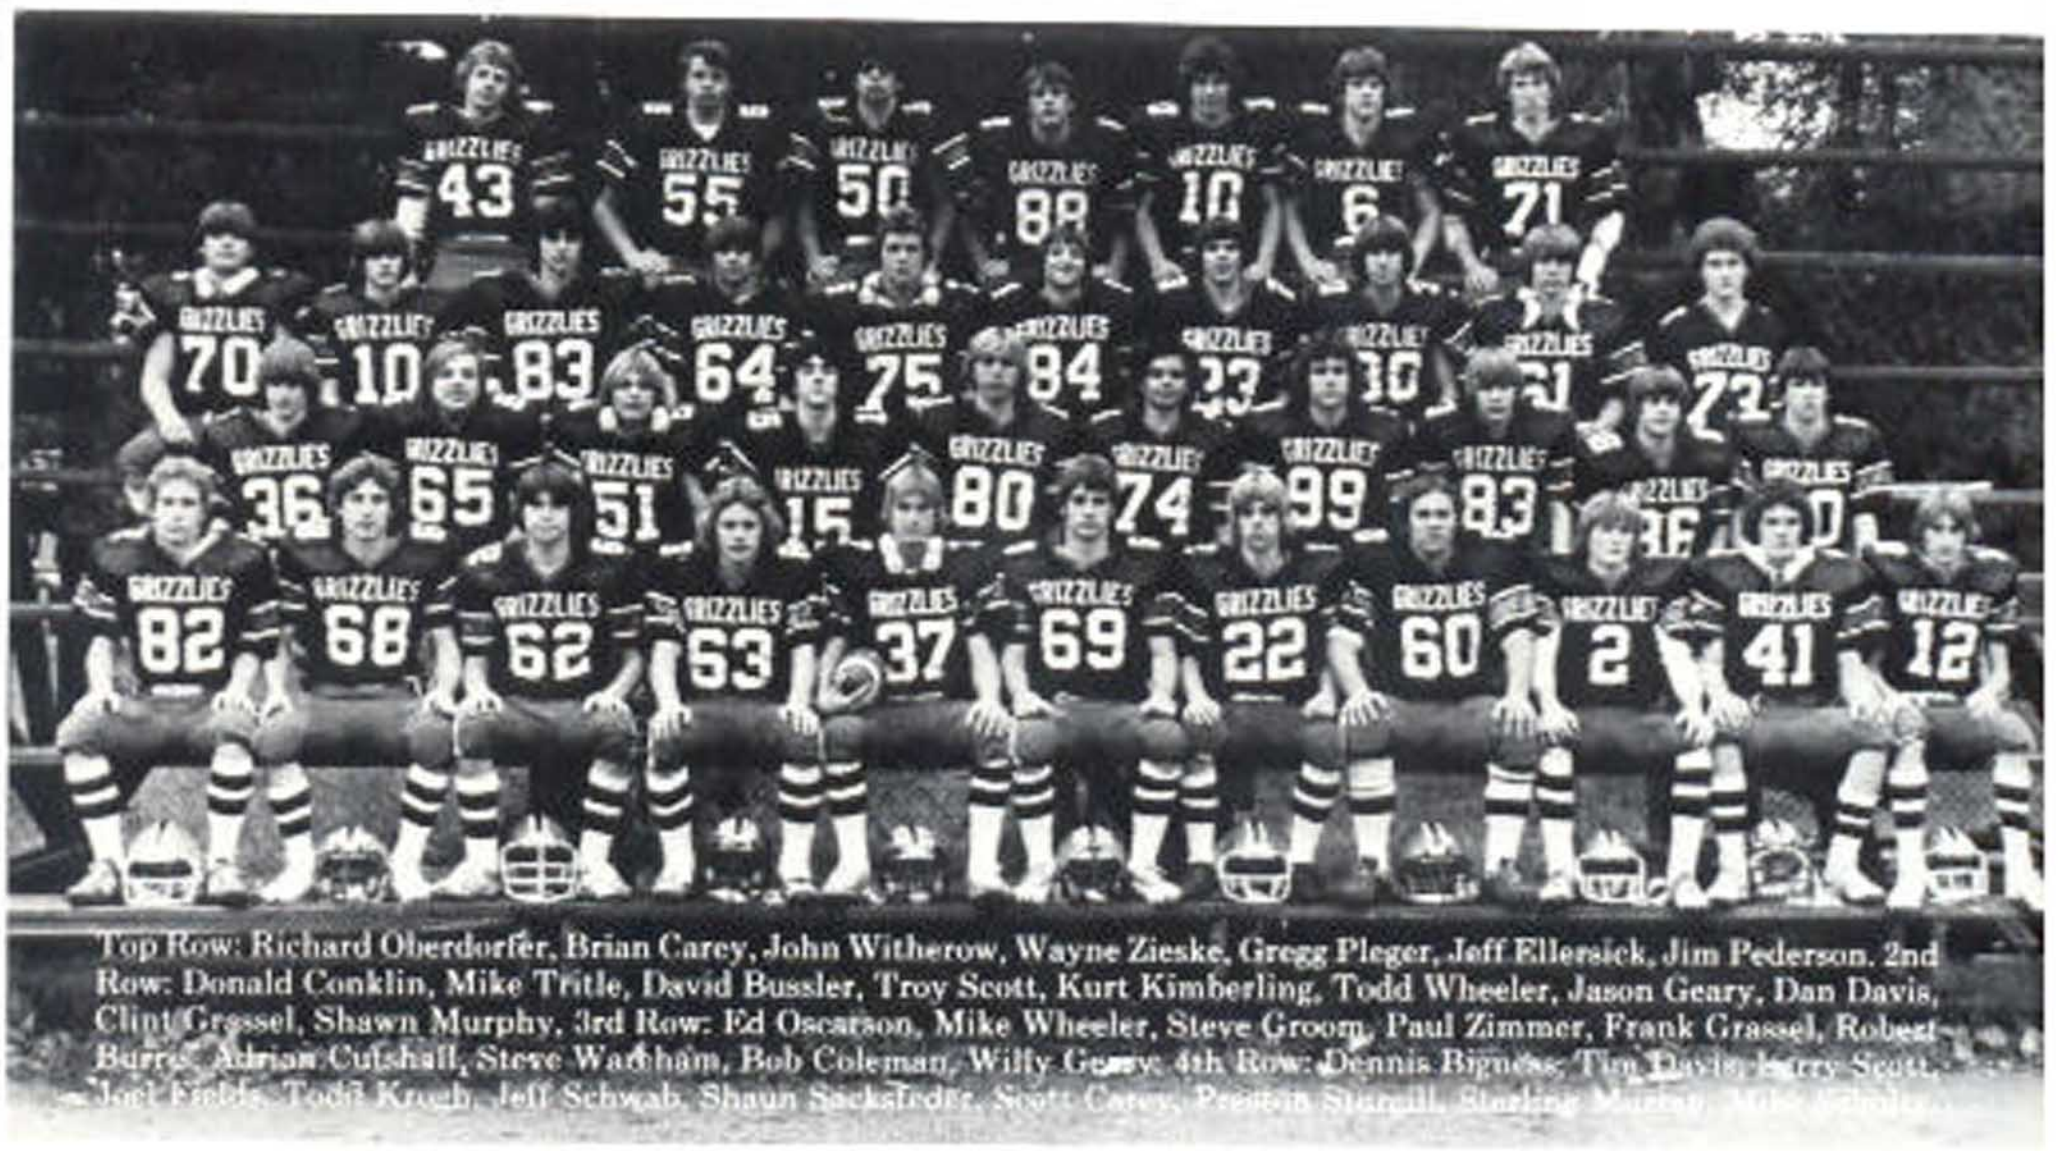

The Grizzlies had many accomplishments this year. They were coached by Bill Heglar, assisted by Bill Thurston at the defensive helm, Bill Hays on offensive techniques, Ron Park special teams, and Mick Schultz polishing up the receivers.

The Grizzlies had a spectacular season of 8-1, and they tied for the Northeast "A" League Championship. They beat the Chewelah Cougars for the first time in 8 years, and were rated 5th in the state, the highest for Newport ever.

Top Row: Richard Oberdorfer, Brian Carey, John Witherow, Wayne Zieske, Gregg Pleger, Jeff Ellersick, Jim Pederson. 2nd Row: Donald Conklin, Mike Tritle, David Bussler, Troy Scott, Kurt Kimberling, Todd Wheeler, Jason Geary, Dan Davis, Clint Grassel, Shawn Murphy. 3rd Row: Ed Oscarson, Mike Wheeler, Steve Groom, Paul Zimmer, Frank Grassel, Robert Burres, Adrian Cutshall, Steve Wardham, Bob Coleman, Willy Geary. 4th Row: Dennis Bigness, Tim Davis, Jerry Scott, Joel Fiebig, Todd Krogh, Jeff Schwab, Shaun Sackstreder, Scott Carey, Preston Starcill, Sterling Murray, Mike Schultz.

Newport Football in 79-80 was beyond . . . Macho, a most rewarding experience illustrating the fact that it takes Guts to get Glory. It was so much fun to walk off the field after a game, knowing you not only beat them on the scoreboard, but you had given them a physical beating they would think about next time they stepped foot on the field. Even though we didn't make it to state, it was a great season.

Thanks Guys

They were one of the smallest eams in the history of Newport, but they were also one of the quickest. They were underestimated by many teams. People thought that their size was a tremendous disadvantage, but their 8 game winning streak, combined talent, and leadership proved them otherwise. Some of their many attributes were their exceptional hitting power, their ability to play well together as a team, and most important, superb attitudes.

Their final game and only defeat was to the tough Riverside Rams. Losing this game resulted in no trip to the state play-offs but they ended their season with very proud coaches and very loyal fans.

## RUN

With excellent coaching from Clint Longshore, the Newport Cross Country team once again had a great season. The Grizzlies attended three invitationals this year. The girls placed 6th at Whitworth, 3rd at Tonasket, and 1st at Moscow.

# an outstanding year

The boys certainly weren't to go unnoticed. They made a good showing taking 7th at Whitworth, 4th at Tonasket, and 2nd at Moscow. They took first at all their meets except their meet with Northwest Christian and came in second to N.W. Christian at the league/district meet.

The girls were a tough team all season. They took first at all their meets and also took first place in the league/district meet at Bear Lake.

After another hard year of work the Newport Cross Country team went to state. The state meet was held at Evergreen High School in Seattle.

There were 12 girls teams and 16 boys teams from the "A" schools. Both the boys and girls did well placing 6th and 11th respectively.

Jean Daly led the Newport girls at state placing 28th with a time of 13:41, then Susan Wilner, 35th, with 13:56. Carla Wilkerson came in next, 47th, 14:18, Holly Waterman, 53rd, 14:30, Debbie Kardos, 60th, 14:44; 74th, Danielle Benjamin, 15:24; 88th, Cheryl Wareham, 16:40; and Dona Winterfield was alternate. Sandra Winterfield was this year's manager.

The boys were led by Ken Clark, 9th, with a time of 16:20. Tim Sutton followed in 16th, running a 16:40. Terry Templeton, with a time of 17:04 was 28th. Glen Strickler came in 96th, with a 18:36; Mark Goodno, 101, 18:42; Pat Strickler, 102, 18:44; Tim Smith, 104, 18:56; and Daryl Warner alternate.

The Newport boy's stand-out was Ken Clark who placed 9th out of 118 boys in his first year of Cross Country. This is the second best finish of a Newport runner in state competition.

Under the direction of Coach Cash, the varsity Grizzlies pushed their way up to overcome the beginning opinion of possessing little experience. The guys paced themselves with good defense and a working offense to place them in the number one position going into the District Tournament. The Grizzlies didn't give up and they reached their goal of a state berth. They ended up with a 17-10 record and the knowledge of an accomplished season.

The 1979-1980 Newport High School Wrestling team ended the Season with an average, yet impressive group of wrestlers. The team finished with a 10 win and 9 loss record which is slightly in the plus column. The team had to work hard for everything they accomplished and the wrestlers cooperated with one another to make this one of the most enjoyable years.

Records were not set or broken by anyone this year, however, the record for the most pins was tied by Kelly Templeton (108 lbs.) Other accomplishments to mention were: (1) six wrestlers qualified for Regionals and (2) three wrestlers qualified and wrestled at state. The three wrestlers at state were: Troy Moody, Dennis Swoboda, and Scott Carey. Allen Moody went to state as an alternate but did not wrestle.

# "BLEACHER CREATURES"

Throughout the 1979-80 sports season many fearless and peculiar looking "Bleacher Creatures" joined with the parents, teachers, and students in the stands to help support all the teams through their seasons.

Even with the large turnout at the games, some of the students decided to show their school spirit. So . . . they donned themselves with cowboy hats, hard hats, feathered suits and grandpa's overalls, to mom's horned rim glasses and dad's size 13 combat boots, and paraded around and into the stands, and cheered until they no longer could.

Other students that appeared at the games carried their personalized "Terrible Towels". Some of the fans went as far as going down on the floor to perform cartwheels and handstands.

The 1979 Volleyball season was highlighted by winning the State "A" Championship. This was the first state title captured by any Newport team. The Varsity, under the direction of Linda Haptonstall, had a season record of 14-5. The team, once again, captured the Northeast "A" League title and the District 7 championship. The Grizzlies then headed to the state playoffs in Lacey. After placing 2nd last year the Grizzlies proved themselves by bringing home the 1st place trophy. The team could now rightfully claim to be number 1.

The Jr. Varsity ended the season with a record of 13-6. During the season the team improved greatly. The J.V. members have a tremendous task ahead of them by filling the shoes of the five departing seniors.

For the second year there was a "C" squad volleyball team. They were coached by Mary Hays. Although they didn't end the season with the best record, (0-6), they gained great experience and displayed notable improvement.

The Newport High School girls Varsity Basketball team under the direction of Mr. Bill Hays, assisted by Mrs. Mary Hays were lead to a fine season record of 23-4.

With 8 returning girls it was a year of nothing but improvement and fine tuning. They once again took the League Championship and went on to become Northeast "A" League District champs.

This earned them a trip to the State "A" Tournament for the third year in a row where the Grizzlies played well. They came home with a very respectable 6th place finish, and valuable learning experience for the future.

# TRACK

has successful season with agony of de-feet

Both the boys and girls track teams finished up good seasons by having ten members going to the State "A" Trackmeet representing Newport. The trip to state clocked some of the season's fastest times. Paula Hays placed sixth in the 100 meter hurdles with a time of 15.5 seconds. Jenny Rothstrom finished sixth in the 400 meters while the girls 800 meter relay team fell into seventh place with a time of 1.50.1.

The boys found the going tough, but never gave in, as Ken Clark placed eighth in the 800 meter run and Frank Grassel just missed placing in the top six with a time of 39.5. Newport's last hope for a ribbon or a trophy came the last day of the meet, but all the hard work went down the drain as the team was disqualified for stepping out of the lane. All in all, both teams put on a fine performance at state as well as the entire team during the season. Coach Park and Coach Haptonstall both added, "It was a terrific season, with a lot of improvement in everyone."

# YEARBOOK STAFF DOES THEIR OWN THING

The 1980 Bruin staff consisted of many fine dedicated students who put in many long frustrating hours to make this yearbook special.

The staff not only occupied its time building a yearbook but also selling t-shirts and campaigning for the school bond. We had a First Annual Annual Assembly which put on plays, had the yearly migration of the N.H.S. Bruin, presented to the retired Mr. Brown, his annual dedicated to him, and finally distributed the long awaited annual to the students and staff.

We would like to thank our advisor Mr. Larry Shaw for his many hours of instrumental advice, knowledge, and experience of the past 10 years of yearbooking.

# DEBATE

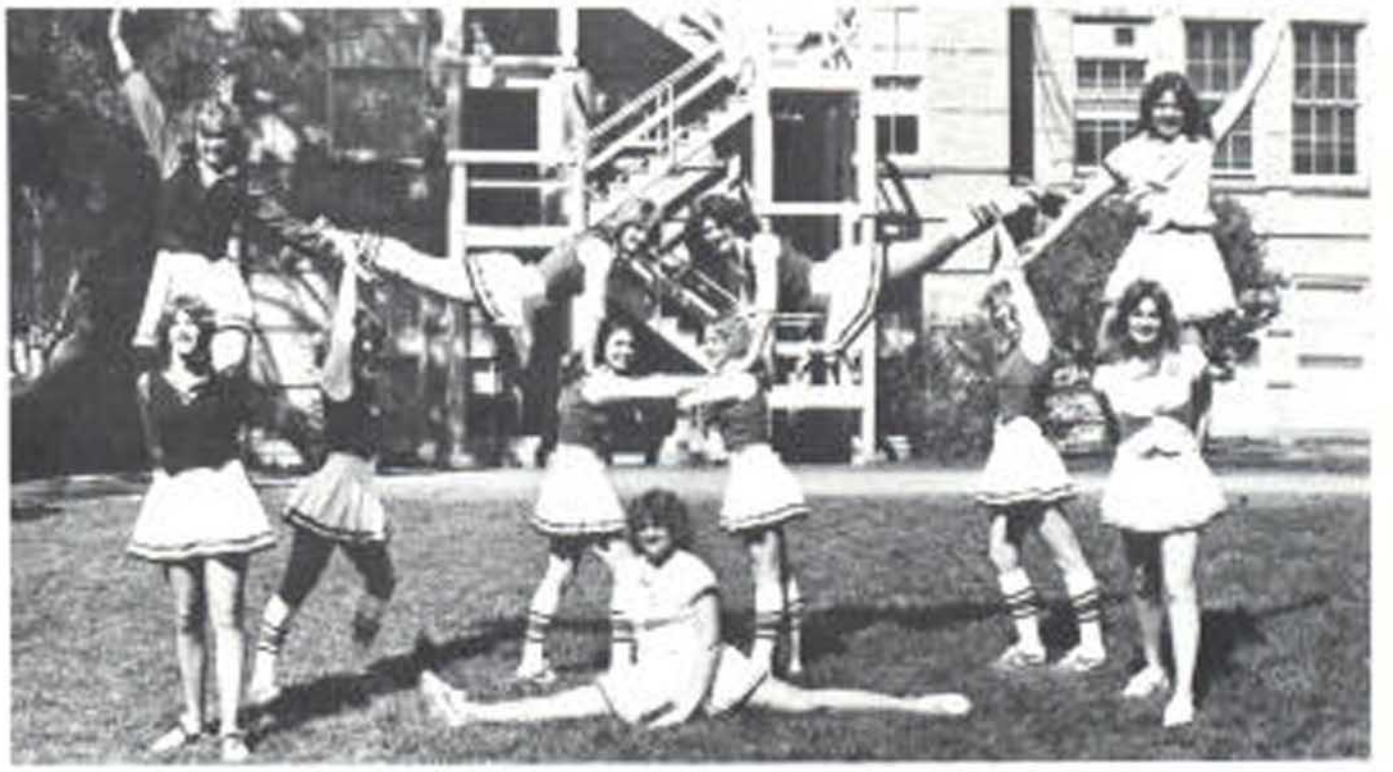

The debaters, consisting of three teams this year, were very successful, with Mr. Goertzen as their advisor. One varsity team included Steve Fouts and Kamala Shadduk, and the other was made up of Galen Goertzen and Dan Murray. Cheryl Wareham and Euli Proctor also debated, but on the junior varsity level.

The topic of discussion was "Resolved that the United States should significantly change its foreign trade policy". Even though most of their opponents were from larger schools, the Newport debaters earned many "first and second speaker" awards.

Most of the debates were held at East Valley High School in Spokane, and at EWU. Some of the teams the Grizzly debaters met up with were from Pullman, East Valley, Cheney, Colville and Clarkston.

A combination of hard work, patience, a devoted advisor and a group of determined girls formed Newport's only drillteam in years. The girls practiced all summer. They had car washes, and yard sales to raise money for their uniforms and were also supported by many local businesses. The drillteam's first performance was at the Homecoming game. Though there was a lot of nervousness and some slight problems they pulled off a good performance. Throughout the seasons, both football and basketball, the girls performed at many home games. Even though there seemed to be many complications with their music their appearances were well done and always appreciated. Their outstanding performance at the District Tournament at Mead deserves an extra special recognition.

Honor Society members are chosen on a basis of their leadership qualities, scholastic attainments and their services to the community. This year the club tapped in 25 new initiates who possessed these qualities. Mr. Brown was the speaker for the installation and the lighting of the candles was performed. Paula Hays led the club as president and other officers were Rachelle Carnes as Vice President, Julie Vaughn as Secretary, Melinda Oscarson as treasurer, and Lori Noble as student council representative.

## athletes in action

Lighting the hilltop "N" and making the track record boards were some of this year's Letter "N" Club projects. The advisor was Mr. Hays and the club was ruled by: Pres.-Sandy Romero V. Pres.-Jim Pederson Sec.-Jodi Gabbert Student Council Rep-Rhoda Yeaw.

# PEP CLUB

## "Get Crazy ~ Get Wild! Let's do it the Grizzly Style."

The Pep Club spent their year supporting the Grizzlies in their usual way. They spent hours after school painting posters and decorating players lockers before each game.

The Officers are President Gina Musso, Vice President Karen Lemburg, and Treas./Sec. Michelle Schmidt, A.S.B. Rep. Suzy Schwab.

This year the freshman class, like all freshman classes, didn't have a lot to accomplish.

"Can Those Hawks" was the theme of their Homecoming float. They tackled some money raising problems by selling concessions at some football and basketball games and they had a tape dance. They also raffled off a big Teddy bear.

Two major accomplishments of the Junior Class this year were: the Junior Prom with its theme "The Forest of Enchantment", and, their float with the theme, "We'll make those Hawks Birds of Prey".

The Juniors worked hard raising money for these projects. They held tape dances, a hoop shoot, sold flowers, had cake raffles, and sold concessions at many of the games.

# THE ENCHANTED FORREST

The Enchanted Forrest was the theme for this year's Jr. Prom. It was attended by 62 couples who spent the evening dancing to the band Hot Stuff, as well as enjoying each others company. The highlight of the evening was the announcement of the Prom Royalty. Jenny Rothstrom, escorted by Jeff Schwab, was chosen Queen along with the princess Melinda Oscarson, escorted by Jason Johnson.

## a new experience

HANS LILDHOLT-Hans, who became a guest of the Waterman house hold for a year in Aug. of '79, came here from Aarhus Denmark. Hans comes from a fairly large family, with four sisters, one younger, and three older. This lively young man took part in the guitar class offered, with his main interest being music. He hopes to excell in this area in years to come, but when he gets out of school here, he is planning to attend a one year business college, in Denmark. Hans was on the varsity wrestling team, and found it to be enjoyable. "I found it to be very tough at first, but I looked at it as a challenge." He accomplished his challenge, as he was voted most Inspirational. Hans said he would be willing to come back in the future.

ALEJANDRA GUGLIELMI-Alejandra, who is called Ale by her friends, came to Washington from Tucuman, Argentina. Ale spent the year living with the Zimmer family. Ale is a very active person, she was on the girls track team, and in her spare time, she enjoys tennis, hockey and swimming. Ale said that she found Newport and the surrounding area to be very beautiful. When Ale isn't actively involved in sports, she spends her time keeping track of the boys. And for all you guys, she found you to be very shy. All in all, Ale likes America, and would like to come back again some day.

MAURICIO CARRILLO-Mauricio came to the Untied States from San Miguel, El Salvador. Mauricio was here on an eight week program through his school and he stayed with the Kelly family here in Newport. He came from a family with two older sisters, two younger sisters, and a younger brother. He enjoys playing basketball and volleyball, and just being outdoors. Mauricio found out that American students have a variety of classes offered to them. One of Mauricio's main reason for coming to the US was to experience American life. Mauricio enjoyed visiting and meeting the people around Newport.

# Volcano erupts!

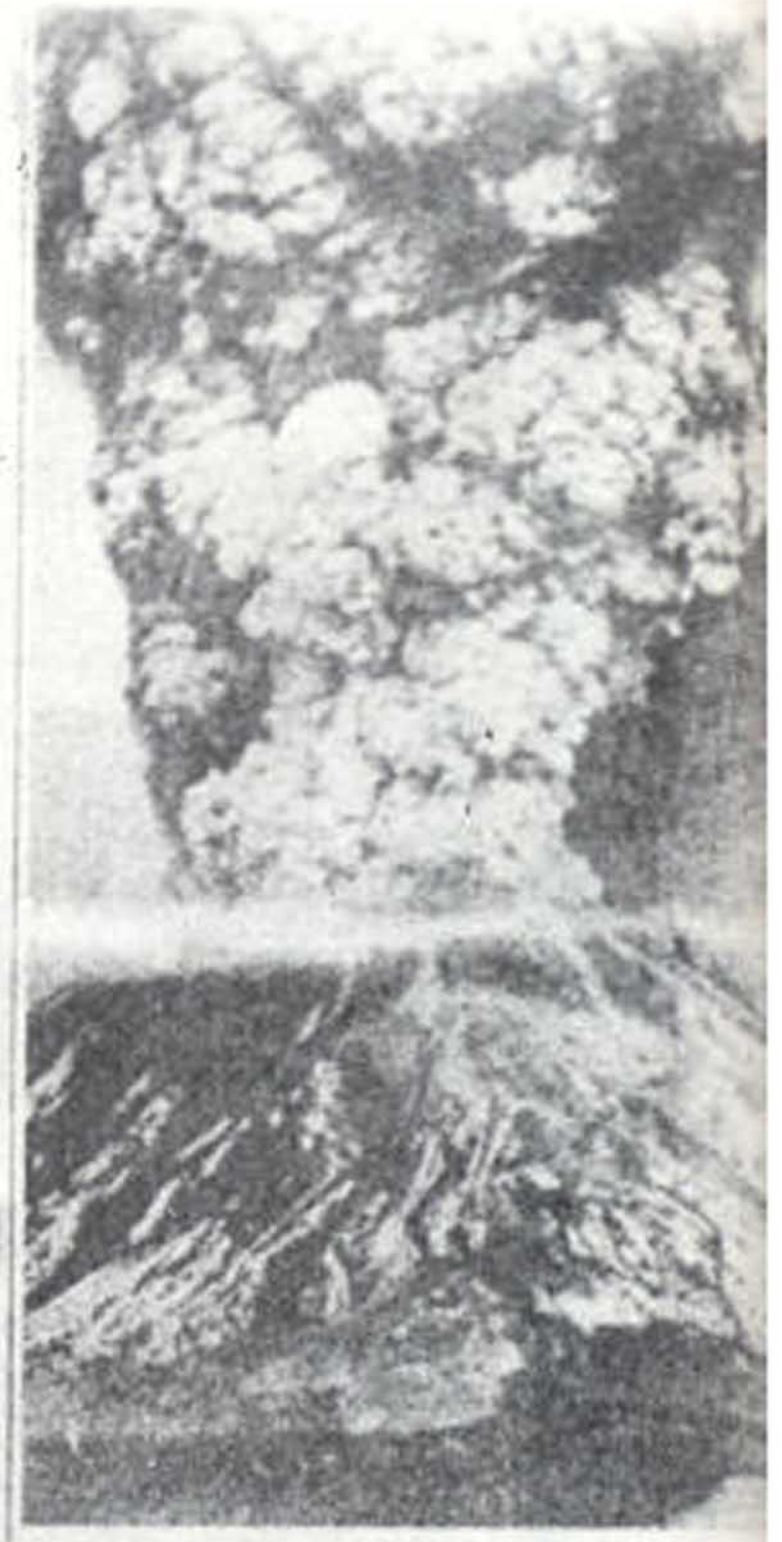

Although the killer volcano was about 250 miles from Newport, it had a great impact upon this area.

The southwesterly winds blew ash and dust about a quarter inch thick into our fair community on May 18, 1980, near 4 o'clock p.m. Businesses and highways were closed along with the Newport schools.

When the ash was no longer visible, particles were still detected in the air. Business, highways and schools were reopened but Newport High School was to close after only 4 days - this time for good.

# NEWPORT HIGH SCHOOL

## the final hour

After 2250 graduates, 1 condemnation, a failing school bond and the passing school bond, Newport High School is in its final hour.

Newport High has endured through thick and thin, a world war, depression, the assassination of a president and the resignation of another, men on the moon, nuclear technology evolved and a nuclear catastrophe encountered, its state with a woman governor and its own erupting volcano.

This high school had its first state championship after 23 years of stateless athletics, and it was a girls volleyball team at that. With the condemnation, the pep rallies and assemblies moved from the auditorium to the old gym. This ended the segregated classes and independent class spirit, and in turn changed the atmosphere of the whole school spirit. When it was learned that the building was a fire hazard, fire drills were held each day for a full week in the coldest of weather. The purpose of this was to make sure every one was familiar with drill procedures.

The entire school got involved in the promotion of the March 18, school bond. The Annual staff sold "Go Forth And Rebuild" t-shirts and sponsored the construction of the "Vote March 18" billboard. The Newport Associated Teachers organized themselves and students to paint and distribute throughout the town mini-billboards which proved to be very effective. Many students got involved by painting signs for a parade which other students marched led by the band and followed by a group of supportive teachers. Needless to say, the bond passed overwhelmingly — 79 percent.

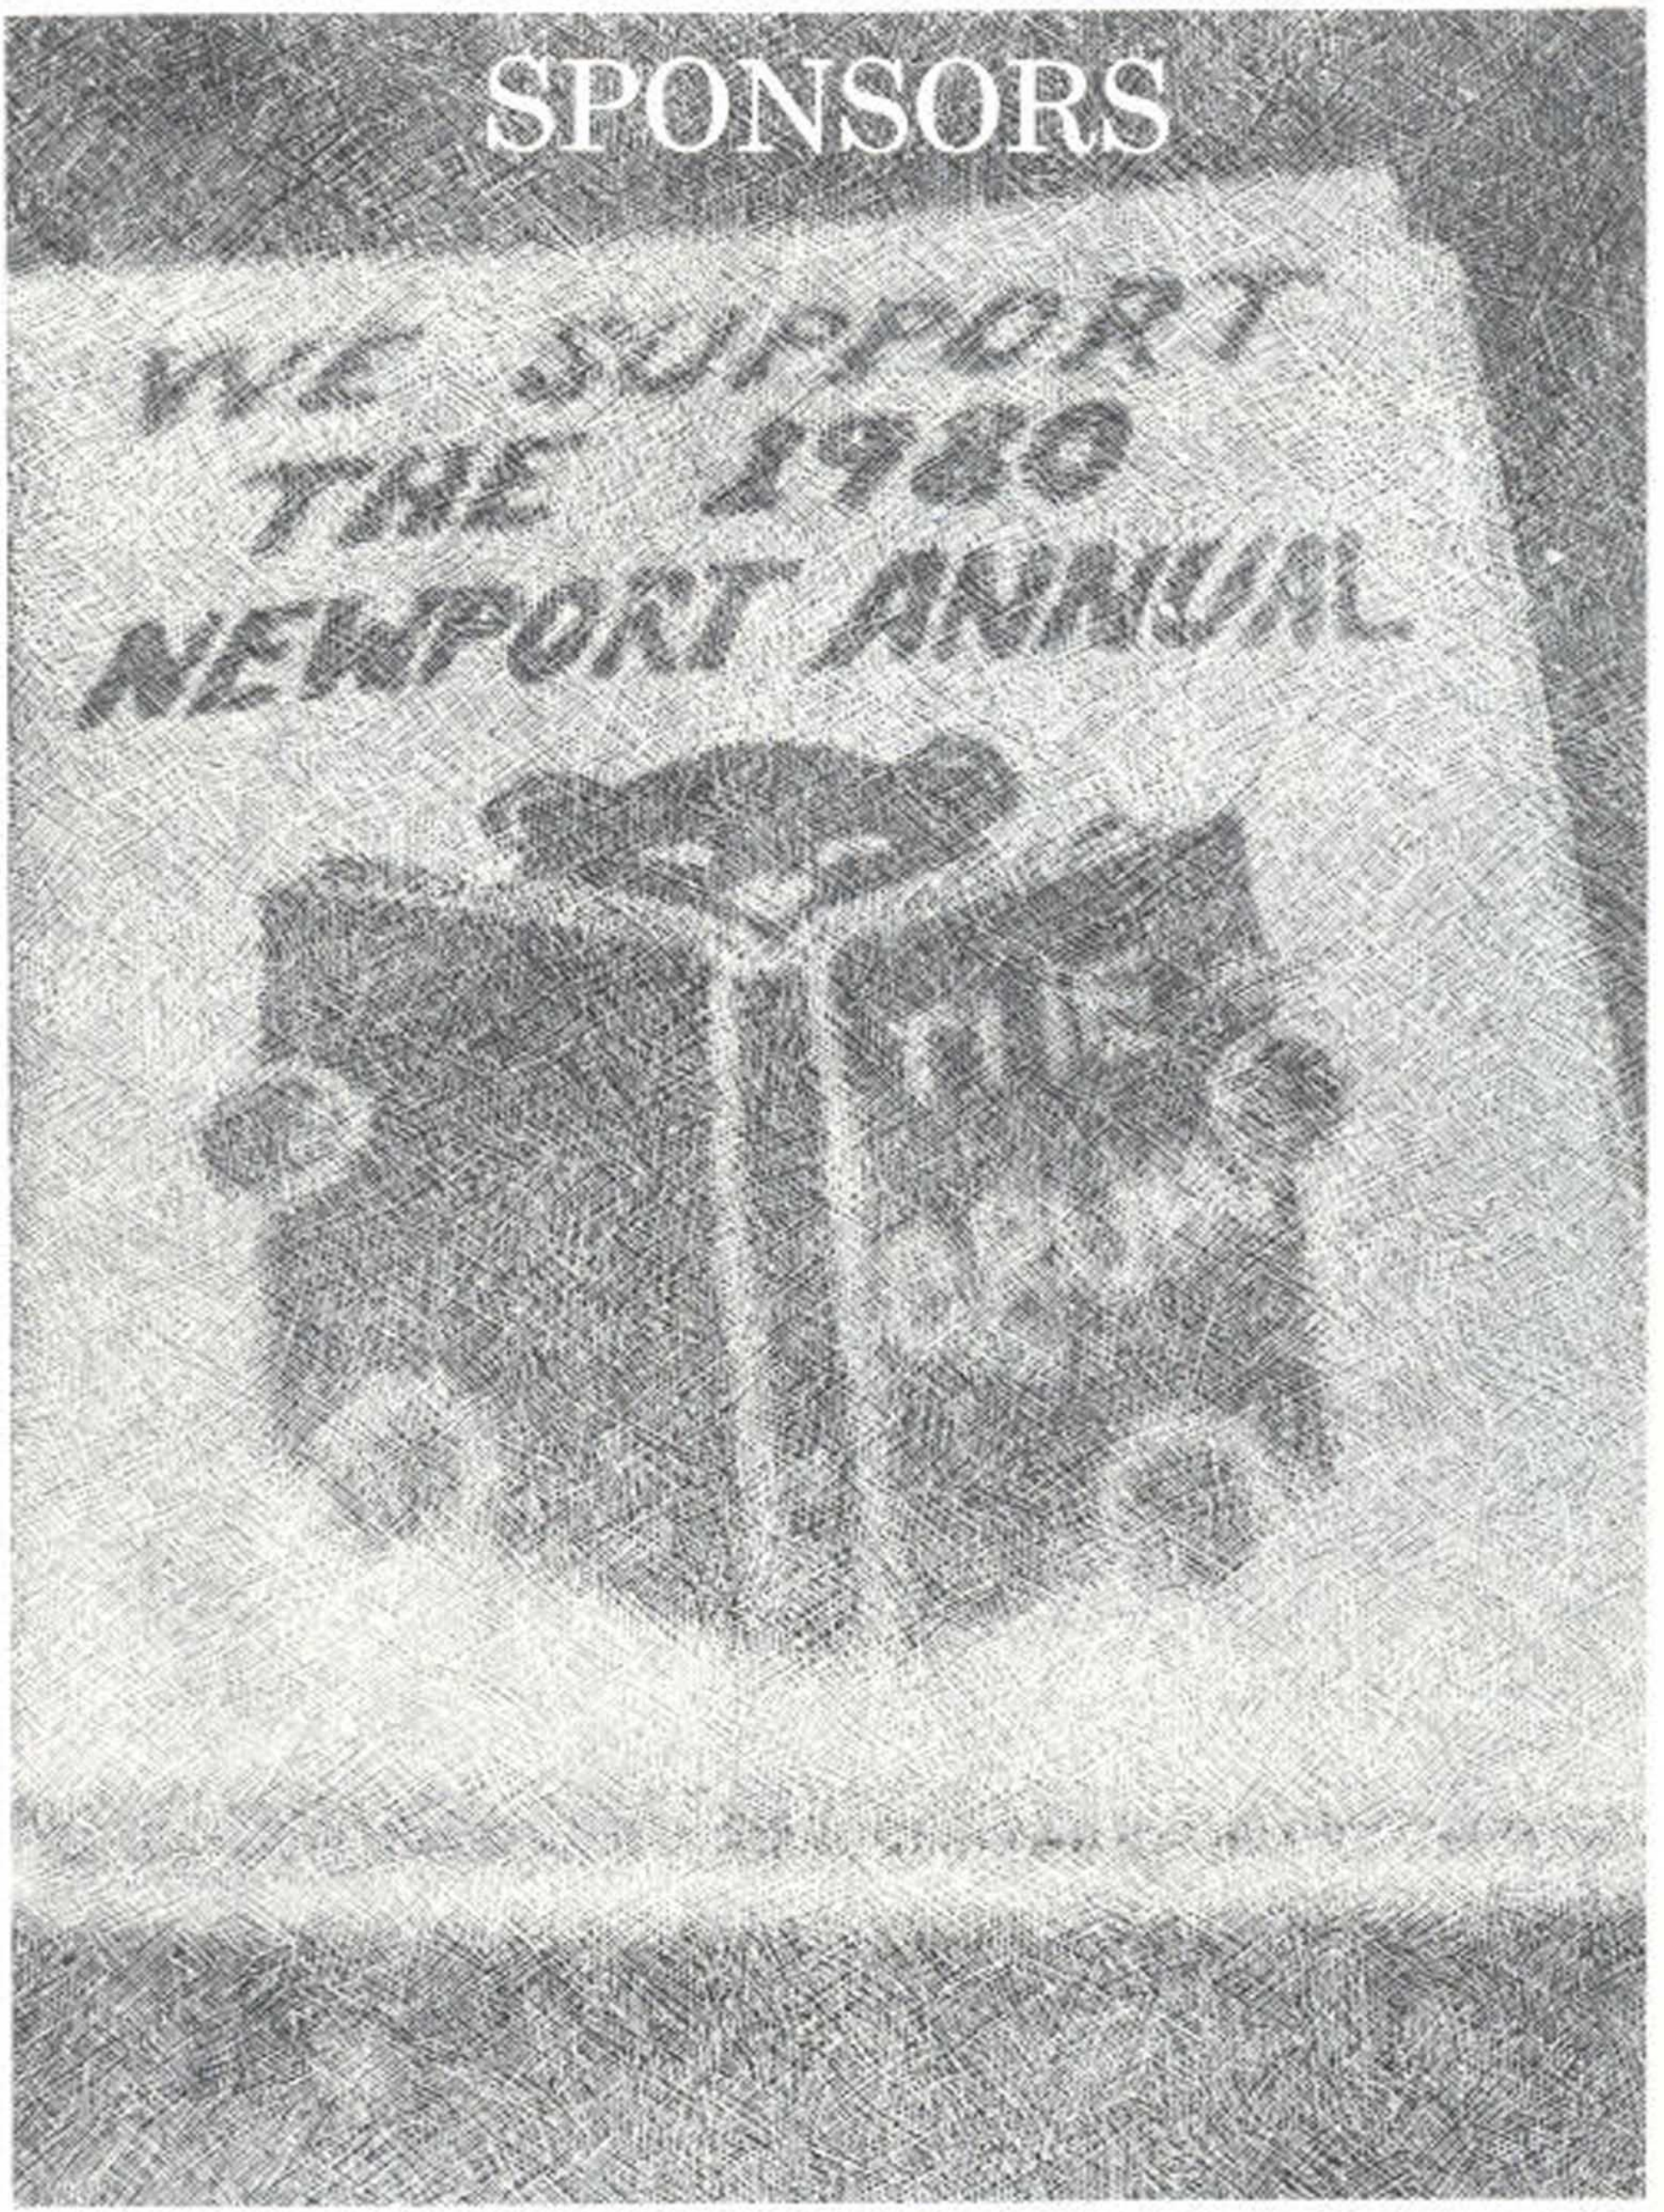

On May 25, 1935, 420 persons cast their votes and voted to indebt themselves for $80,000 at 4 percent interest for 18 years. The money borrowed from the Public Works Administration would go to remodel the old building and rebuild a new Newport High School, with the total cost near $122,000. On March 18, 1980, the 2200 voters of Newport voted to indebt themselves for $2,800,000 at 8.53 percent interest for 20 years. The state will provide matching funds for the construction of a new Newport High School with the total cost near $5,600,000.

Newport High, as we know it, has produced a fine group of students who have entered the world, grew and prospered to a point where we in the community can all be proud. With the construction of a new building, Newport can continue to produce many more admirable students for many years to come.

The students of Newport High School will always be grateful to the community for the support of its youth. For this reason the 1980 Bruin is dedicated to the 1936 Newport High School building and its 44 years of students and staff.

With the close of this book you shall always remember the year past, the easy-going and the hard spots:

Newport High School was condemned and closed on June 9, 1980

The levy to rebuild a new Newport High School passed wholeheartedly

The eruption of Mount St. Helens forced an early school closure

After 3 consecutive trips to state the Newport High School Girls Volleyball team became the State 'A' Champions

On a broader level:

The U.S. boycotted the Moscow Olympics with the Russian invasion of Afghanistan

As predicted the once ever popular disco, died

In Iran, the Shah was exiled leaving 50 American hostages with very uncertain futures

These are only a few events that made this year what it was.

I would like to thank my staff who supported me 110 percent through the smooth times as well as the rough ones. My deepest appreciation goes to my advisor, Mr. Larry Shaw, for his help, support and most of all understanding when I needed it so desperately. Finally, myself and the staff would like to thank you for being you — you have made this yearbook what it is.
