

Leadership Success Partner

The Leadership Success Partner serves as a strategic advisor and coach dedicated to fostering leadership effectiveness and organizational success. By building strong relationships with school leaders, the Leadership Success Partner provides individualized support, guidance, and resources to enhance leadership capacity and drive school improvement. The role promotes reflective practice, leadership growth, and a culture of continuous improvement while ensuring leaders have the support needed to achieve their goals and positively impact students, staff, and the community.

Key Responsibilities and Core Functions

Key Responsibility	Core Actions and Support
Leadership Coaching	Facilitating regular leadership coaching conversations.
Professional Development	Supporting the achievement of professional development goals.
Stakeholder Relations	Assisting with stakeholder concerns
Observations and Feedback	Providing feedback through classroom and school observations.
School Site Visits	Once a week to discuss any of the above areas. During the admin week, the visit may occur before or after the admin meeting.
