STUDENT LIFE

THE YEAR OF THE

In 1980-1981 the Newport Grizzlies were given a tremendous task. Following the condemnation of the high school in June 1980, both the high school and the grade school students were forced to share the Sadie Halstead Elementary Building. It was a tough job but we handled it with pride and strength, which is what the Grizzly symbolizes. Our student body used extra effort, showing class, when we made a poor situation better by using Grizzly determination and spirit. Although the Senior class knew they would not be rewarded with a new school in September, they cooperated fully, using the sustaining Grizzly courage to make it work successfully. The positive mental attitude which makes the Grizzly stand tall helped the entire student body and faculty to "tough it out". The complaints were few, sacrifices many, attitudes supreme and compromises plenty. This was truly the year of the Grizzly! These memories we have collected shall never be erased. Newport will continue to thrive with that awesome Grizzly grace.

WORK TOGETHER

The Sophomore class was led through the 1980-81 school year by their dynamic officers: President - Tina Krogh, Vice President - Rick Morley, Secretary - Tom Olson, Treasurer - Ronda Lewis, and Class Representative - Greg Vaughn.

"Sophomores showed an excess of spirit and spunk" stated Mr. Shaw, Head Sophomore Advisor. In the school year, the Sophomores bought a snow cone machine and held a Christmas raffle. The prizes were handed out by Santa Claus, who also posed for pictures with individual children.

Too unique to fit into a group. But most loved Eunice, Bud and Mr. Bill; and those with sense, Bruce Springsteen. They longed to know "How goes it?" and "What's going down?" They often cried "U.S. again!" or "I forgot my book!...the test!...my journal!...your name!"

Concerned enough to protest—"That's not fair!" They cared enough to compliment...."FANTASTIC!"

They were.

We've Got Spirit!

Ten cheerleaders were selected to create enthusiasm and spirit throughout the student body and for the boys' athletic teams. Lisa Sedlacek, Debra Carnes, Tammy Wood, Karen Lemburg, Ella Bachmann, and Yvonne Zieske were the Varsity Football, and Varsity boys' Basketball cheerleaders. Lynnel Von Carnop, Glenda Bowse, Jeri Henderson, and Becky Margoles were the Wrestling cheerleaders.

The cheerleaders started out a hectic year first with the Football/ Basketballcheerleaders attending a USA Spirit Camp at the University of Idaho in Moscow. They were one of the few squads to receive an "excellent" trophy for their outstanding performance throughout the week. The Wrestling cheerleaders attended the NCAA Spirit Camp at Gonzaga University in Spokane.

To help raise money for their uniforms, the cheerleaders had yard sales and car washes. They sold pop at the rodeo and sponsored the first dance, a KREM FM Disc Jockey dance.

They were in charge of numerous pep assemblies, decorated and filled boxes with goodies for the athletes, and painted spirit signs.

These girls deserve a lot of credit for the long hours they put in during games and practices. They covered many athletic events from the first football game through the entire basketball and wrestling season. All of this was very demanding but the girls managed and had fun doing it.

BAND

Keeping the tradition of having a busy year, the Newport High School Band has shown much spirit and pride. Performing at all home games and traveling to the last football game at Chewelah are only a part of what they have accomplished. This year the band purchased a new electric piano with the help of a $500 dollar donation from the Pythian Sisters. During the fall the band presented their first concert of the year titled "My Grizzly Band."

One of their main projects this year was to put up a "State Volleyball Champion" sign on the outskirts of town. Also, arousing school spirit was a major involvement.

This year, unlike any other, Newport High School received a spring annual. T the students it was great, but for the Annual Staff, it was a struggling responsibility. The double-shift, money shortage, early deadlines, and nearly impossible dark room facilities were a few challenge conquered by the staff. The people of the staff were outstanding. The characteristics of originality, creativ patience, and humor, definitely shone through in all t they did.

Community Involvement

On May 10, 1980, Naomi Nickelson was chosen to serve as Newport's Junior Miss. Her two princesses were Melinda Oscarson and Carolea Starke. During the summer of 1980 these three girls traveled to many different communities representing Newport. Whether it was riding on a float or attending a luncheon, Naomi, Melinda, and Carolea did an outstanding job as Newport Junior Miss Royalty.

Being Pend Oreille County Fair Royalty means more than just attending the fair four days in August. Pend Oreille Fair Queen Laurel Munk and her princess Deanna Orr dedicated much time during the summer traveling to other towns to participate in parades and attend other county and state fairs.

Two seniors, Willy Geary and Debra Carnes, were the Boys and Girls State Representatives. They learned how our local, state, and federal governments function.

GRIZZLY POWER

The Grizzlies started off their season by hosting the Cusick Panthers, but even with loyal fans behind them, they faltered and lost the game 0-7. They traveled to Colville and lost to the mighty Indians, 6-14. On the road again, they downed the Oaksdale-Rosalia Rebels 14-6. Their next stop, home of the Lakeland Hawks, proved to be successful as the Hawks fell to defeat, 26-12. Hosting the Selkirk Rangers for the annual Homecoming jamboree, they extinguished the Rangers' fire, 26-12. They nonchalantly strolled to Priest River to take on the fighting Spartans. Fortunately, our Grizzlies slipped by the long-time rivals 27-26. Next on the agenda, the Grizzlies hosted the tough Riverside Rams, and were butted unceremoniously to defeat 6-20. Next they welcomed the Kettle Falls Bulldogs on their own turf. With victory close at hand, they barely made success 13-12. For their last game of the season, the Grizzlies traveled to Chewelah to take on the ferocious Cougars. Ending their season with a win-loss record of 6-3, they beat the Cougs 19-18. The Grizzlies would like to extend a special thanks to head coach Bill Heglar and to assistant coaches Bill Thurston, Bill Hays, Ron Park, Kelly Schulz, and Mick Schultz. Nice going Men!

SPIRITS WERE HIGH IN GRIZZLY COUNTRY

The 1980 Homecoming at NHS consisted of an entire week of dress-up days. We started with Hilarious Hair and Glasses Day. Many new hairdos emerged as did the most attractive glasses one has ever seen. Tuesday was named Sports Day. You could see various sportsters, Playboys, Roman Gladiators, football players, and fisherman.

Wednesday everyone put on their overalls and came out of the back 40 for Farmer's Day. That evening the 4th annual Gong Show got underway with Mr. Park acting as MC. It was an entertaining evening for all, and the winner was Missy Kirishian who sang and played her guitar. Second place went to Janelle Little who performed a gymnastics routine. Third place went to Wade Sands and Mark Rinard who played their guitars. Thursday you could smell the aroma of coconut oil, and one felt as if they lived in the Aloha State, for everyone had "Gone Hawaiian".

Friday began with the annual Homecoming parade where the Juniors won with their theme "Alka Selkirk". Following in second place were the Sophomores with "Old Home on the Ranger". Third went to the Freshmen with the theme of "Crunch those Rangers". Fourth place went to the Seniors whose theme was "Selkirk Ranger Mauled by Grizzly". The traditional red and black day was recognized with the idea of wearing crazy combinations of school colors. The annual Homecoming assembly was held and many participated in these events: the cottage cheese spitting contest, the high flying girl toss, the dampening water balloon toss, and the Pie-in-the-Face contest.

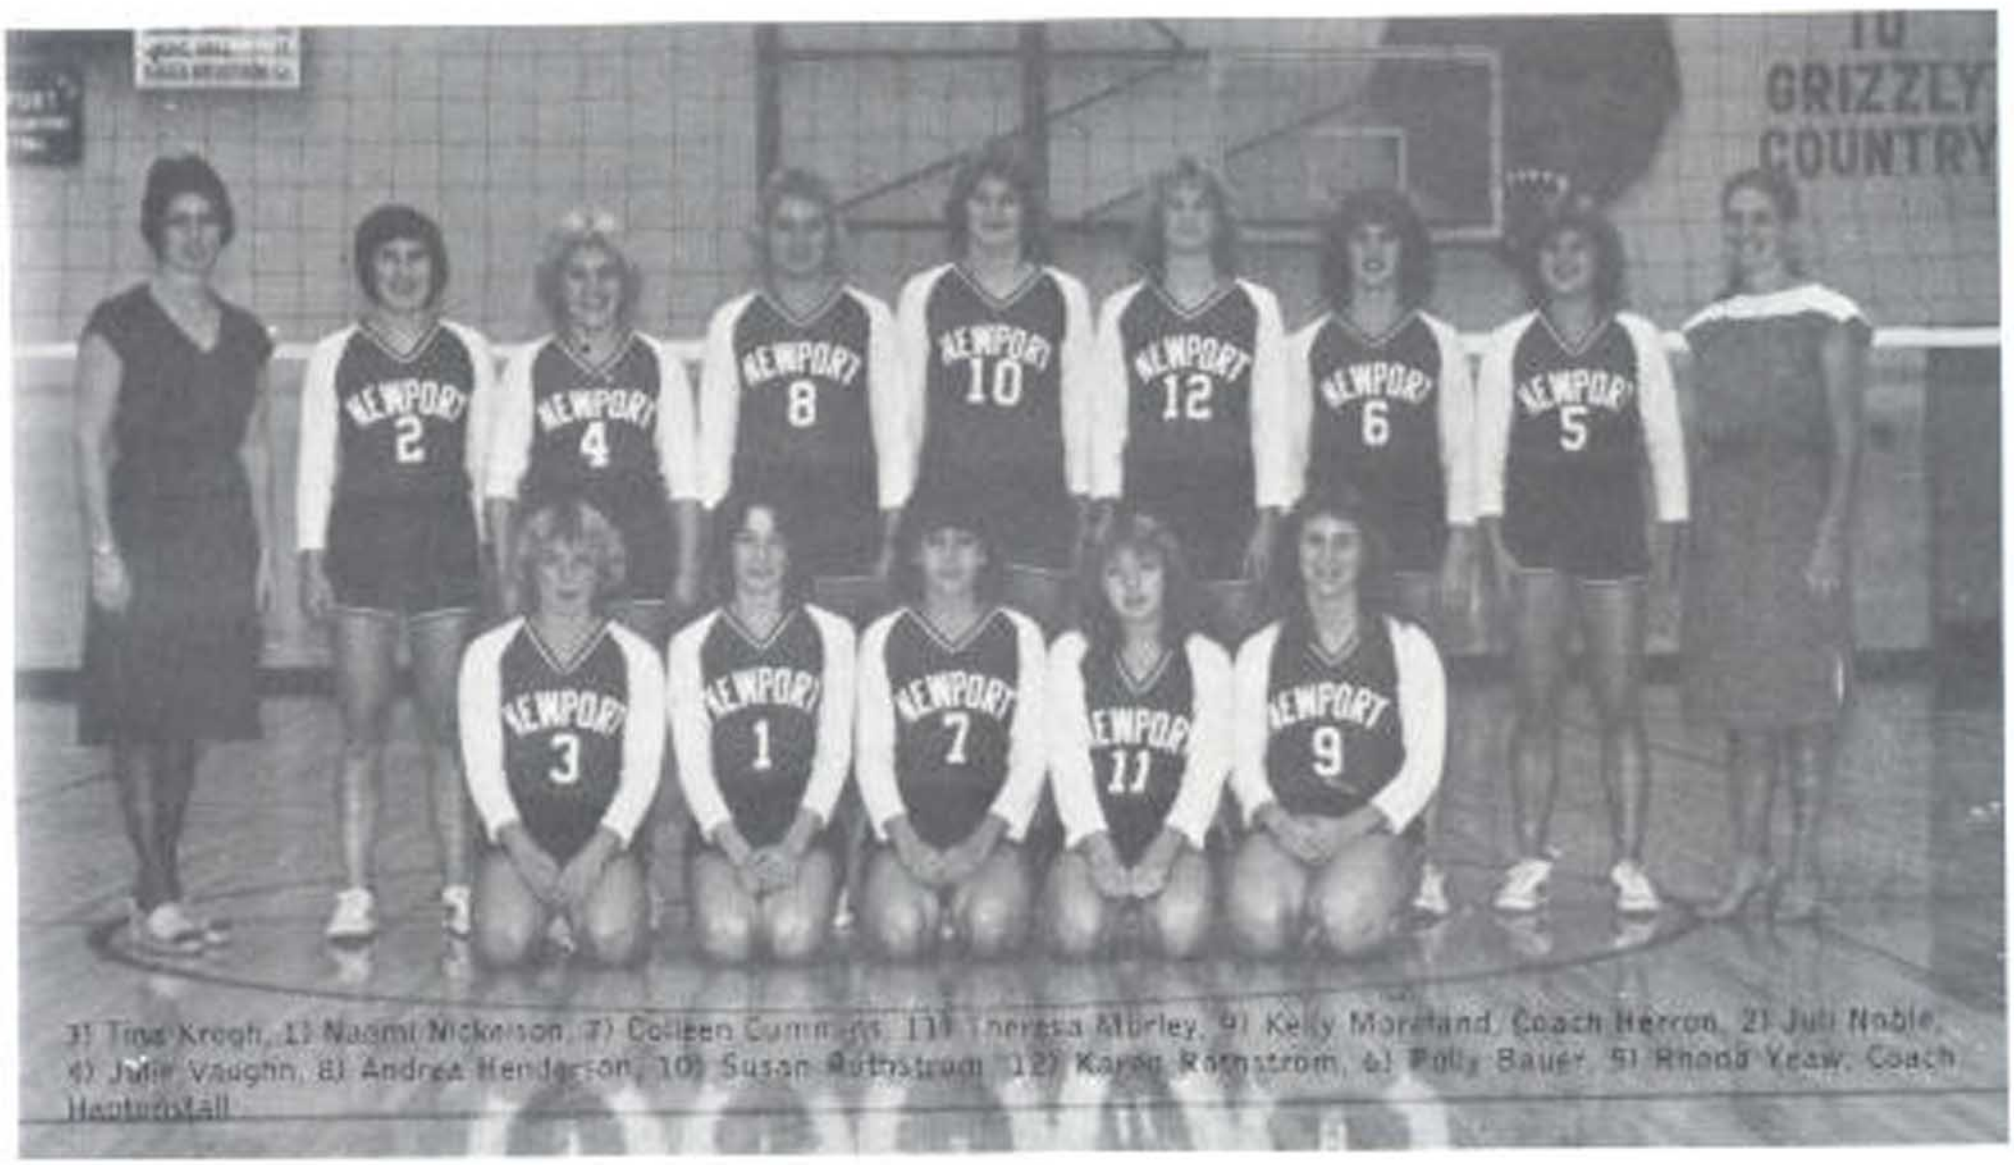

The Homecoming Royalty was introduced during the assembly with Rhoda Yeaw being crowned 1980 Homecoming Queen. She was escorted by Paul Zimmer, the Senior Princess was Tammy Wood, escorted by Willy Geary. For the Juniors the Princess was Carla Wilkerson, escorted by Shawn Murphy, the Sophomore Princess was Missy Kirishian and her escort, Tom Olson. For the Freshmen it was Sonia Anderson, Princess, escorted by Shamus Geary.

Friday evening was climaxed with the big Homecoming game against the Selkirk Rangers, where Newport won 26-12.

Saturday evening NHS danced to the tunes of "Mixed Company", which closed the 1980 Homecoming week that was full of fun and good memories.

The volleyball teams, coached by Linda Haptonstall, and assisted by Colleen Herron, clawed through another successful year. The C squad, pictured above, showed much improvement in each game as the season progressed. Shown from top to bottom, left to right are Monica Kirishian, Barbie Betz, Debbie Turner, Deana Orr, Missy Kerishian, Susie Yake, Carra Bush, Laurel Monk, Becky Margoles, Jackie Carey, Jennifer Carey, Chris Sperling, Coach Herron. This team finished up with a 4-4 record.

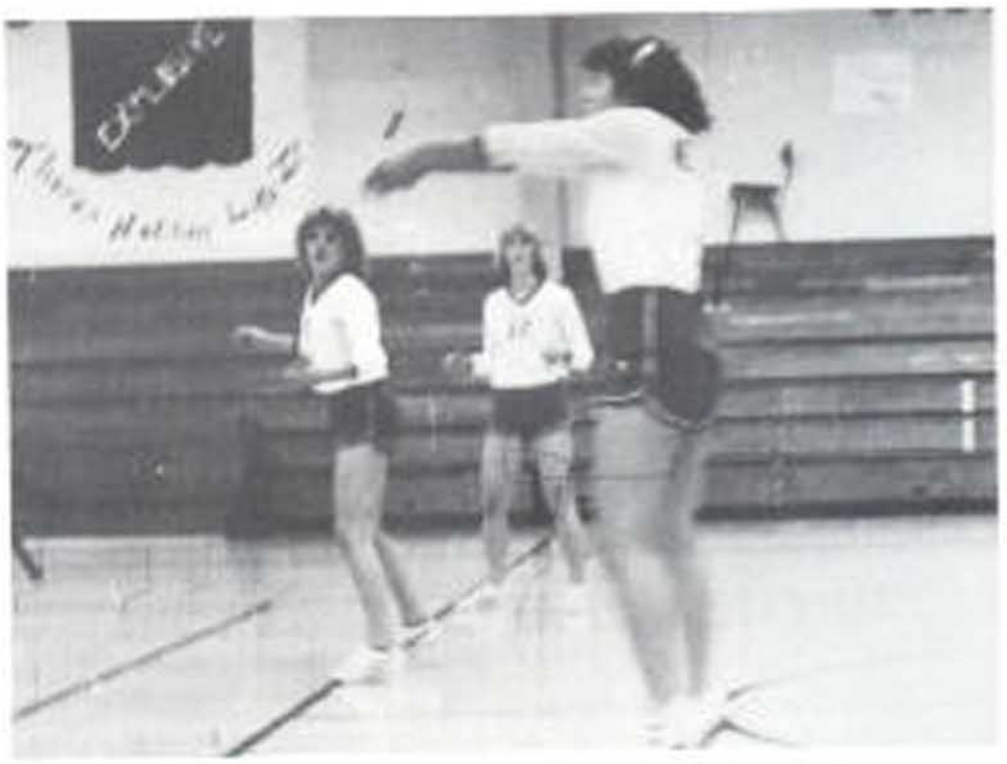

The JV's, young and inexperienced, managed a record of 7-12. Usually playing against much older opponents, these teamsters hung in to portray the famous Grizzly Spirit. Pictured on the opposite page at the bottom are Coach Herron, Cheryl Johnson (scorekeeper), Kelly Kimberling, Kim Coleman, Joy Hall, Hedy Deerwester, Shelley Schultz, Sonia Anderson, Jeri Wilkerson, Jackie Hall, Sally Pleger, Debbie Schultz, Coach Haptonstall.

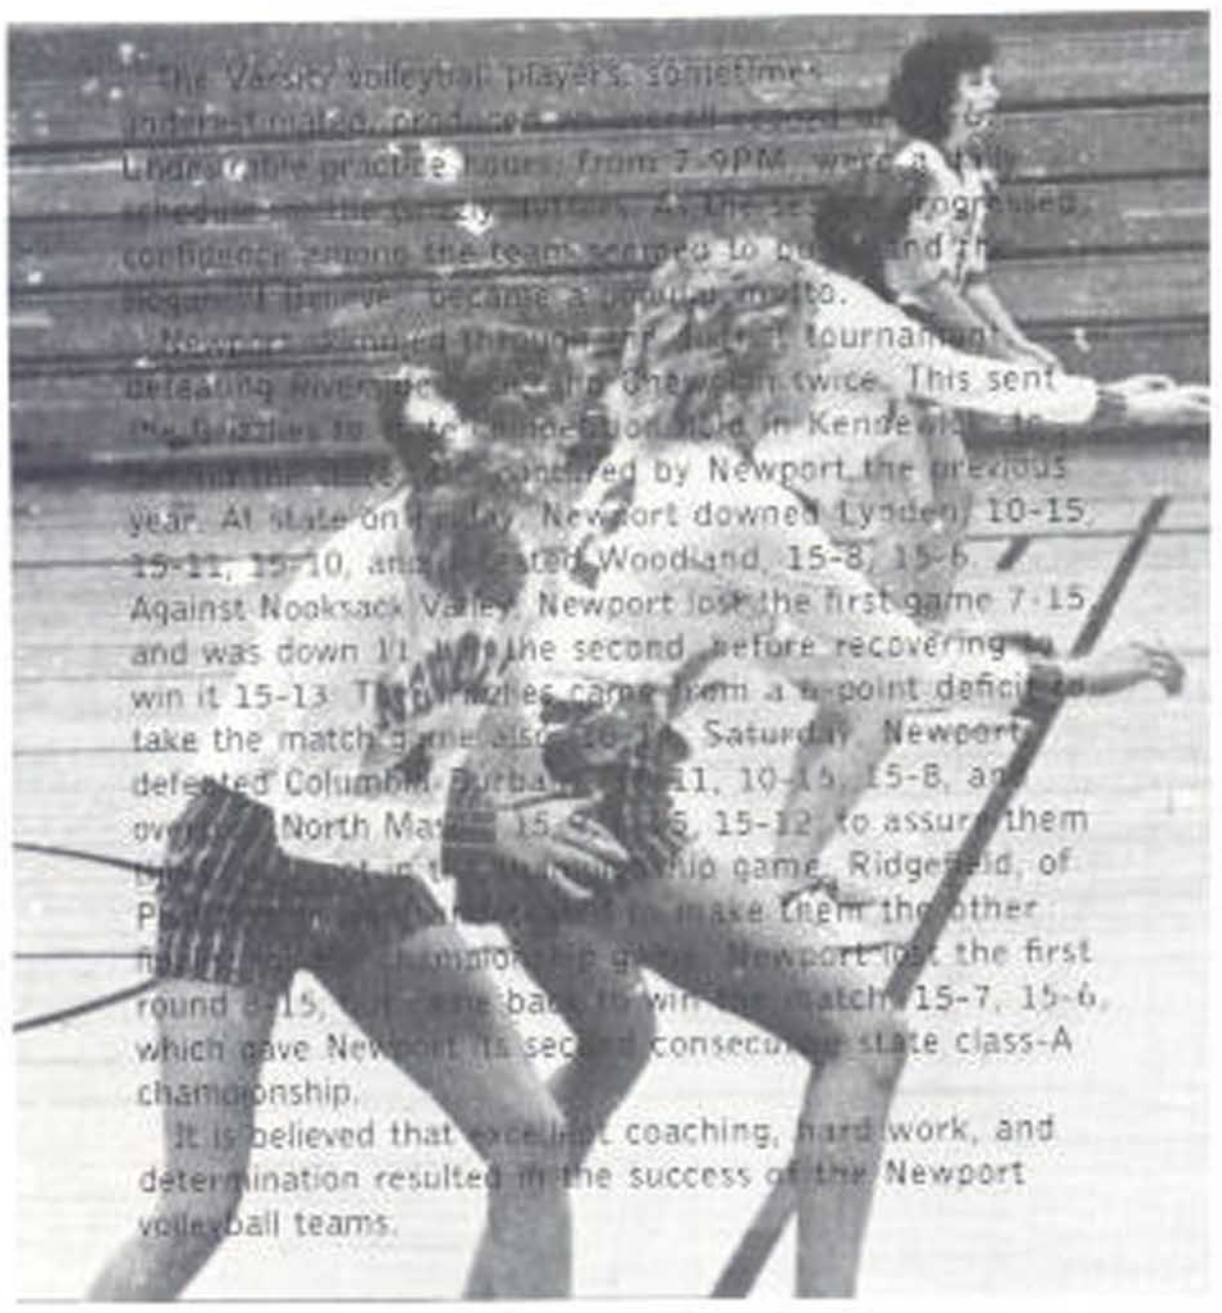

The Varsity volleyball players sometimes [illegible] undisciplined image, produced an overall record of [illegible] Undeniable practice hours, from 7-9PM, were a daily [illegible] schedule for the girls' players. As the season progressed, confidence among the team seemed to build and the [illegible] slogan "believe" became a popular motto.

Newport stormed through the district tournament [illegible] defeating Riverside twice and Shelton twice. This sent the Grizzlies to the state competition held in Kendall. [illegible] earning the state title, [illegible] by Newport the previous year. At state on Friday, Newport downed Lynden, 10-15, 15-11, 15-10, and [illegible] Woodland, 15-8, 15-6.

Against Nooksack Valley, Newport lost the first game 7-15, and was down 11 [illegible] the second before recovering to win it 15-13. The Grizzlies came from a 5-point deficit to take the match game also, 16-14. Saturday, Newport defeated Columbia-Burbank [illegible] 11, 10-15, 15-8, and overpowered North Mason [illegible] 15-6, 15-12 to assure them [illegible] the championship game. Ridgefield, of [illegible] Valley, had to make them the other [illegible] finalist. In the championship game, Newport lost the first round 8-15, [illegible] came back to win the match 15-7, 15-6, which gave Newport its second consecutive state class-A championship.

It is believed that excellent coaching, hard work, and determination resulted in the success of the Newport volleyball teams.

THROUGH THE PUDDLES . . .

Over the river and through the puddles . . . this is what cross country runners go through during practice and meets.

Coached by Clint Longshore these runners did well, with the girls going to state competition. Those who participated were: Jeanne Daly, Carla Wilkerson, Susan Willner, Sandy Winterfield, Kim Clark, Debbie Yake, Jeannie Renfro.

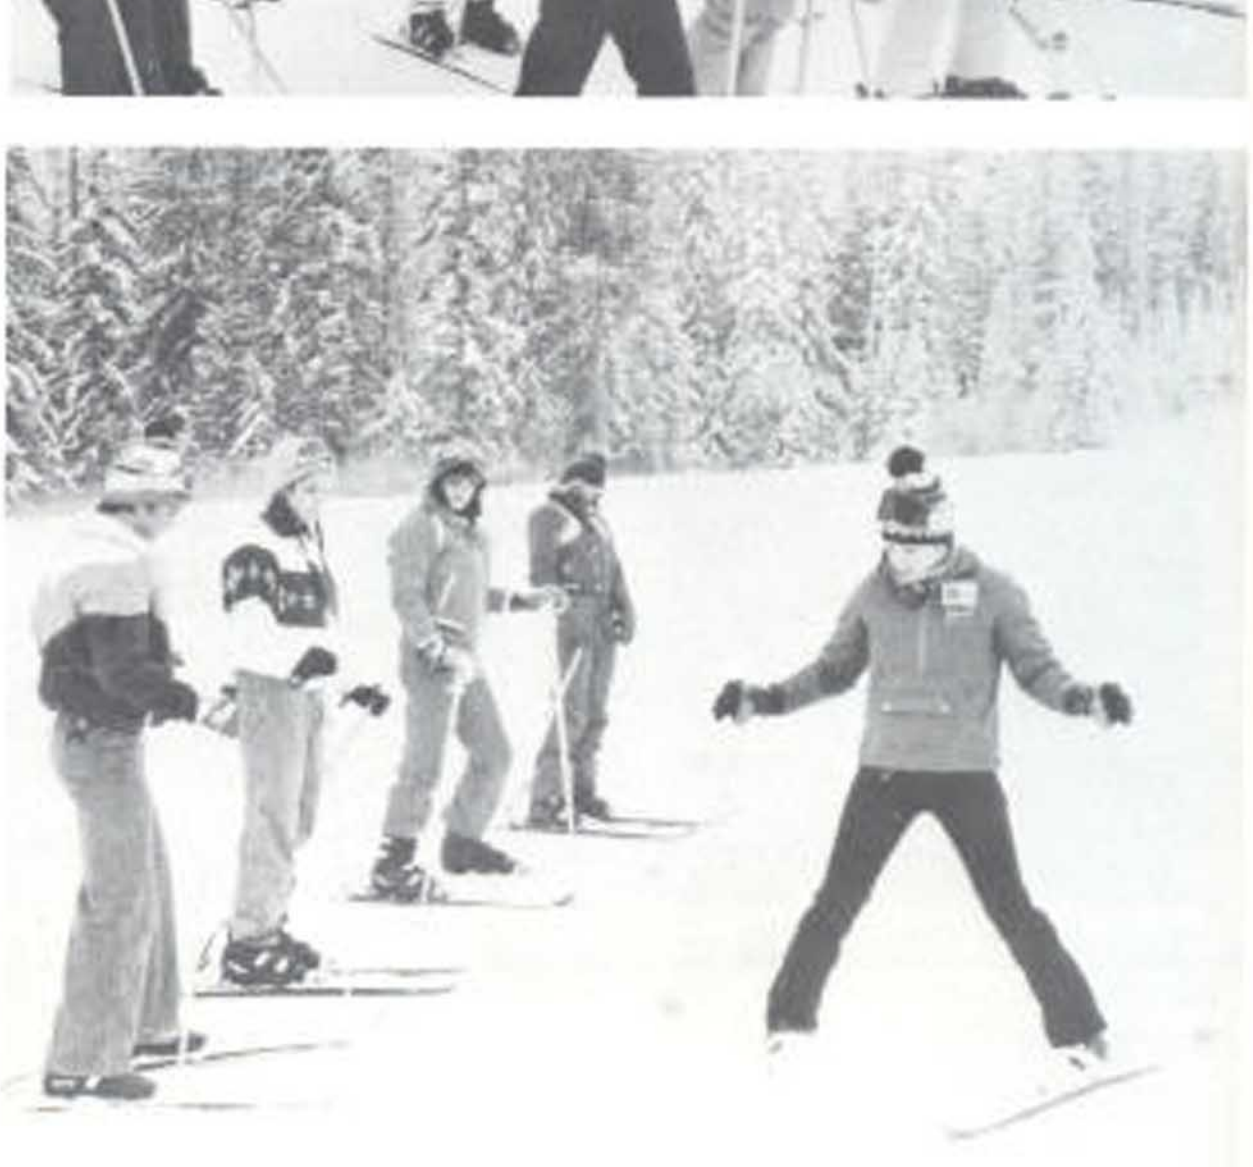

SKIING

Despite aching muscles, cold temperatures, and the threat of pneumonia and frostbite, 38 students trekked up to 49- North for the school ski program this year with Mr. Shaw leading the way. The 8 days included a 1½ hour lesson where the skiers were divided into beginning and intermediate levels. Even though some of the days didn't provide very good weather conditions, all of the skiers will say that it was well worth the time and effort.

AWARDS

Newport High School football, volleyball and cross country athletes received special recognition at the fall awards dessert.

Introduced as co-captains for the football team were Wayne Zieske and Richard Oberdorfer. Rhoda Yeaw and Andrea Henderson shared the title for volleyball, as did Bogus Swoboda and Jeanne Daly for cross-country.

Zieske was selected as the most valuable player in football, and Earl Wilkerson was selected as most inspirational. Dennis Swoboda was the offensive and defensive lineman of the year, while David Bussler was the offensive and defensive back.

Theresa Morley was chosen as most inspirational volleyball player. Kim Coleman was honored as junior varsity captain and Missy Kirishian was selected as "C" squad captain.

Ray Bachmann and Kim Clark were listed as the most improved cross country runners.

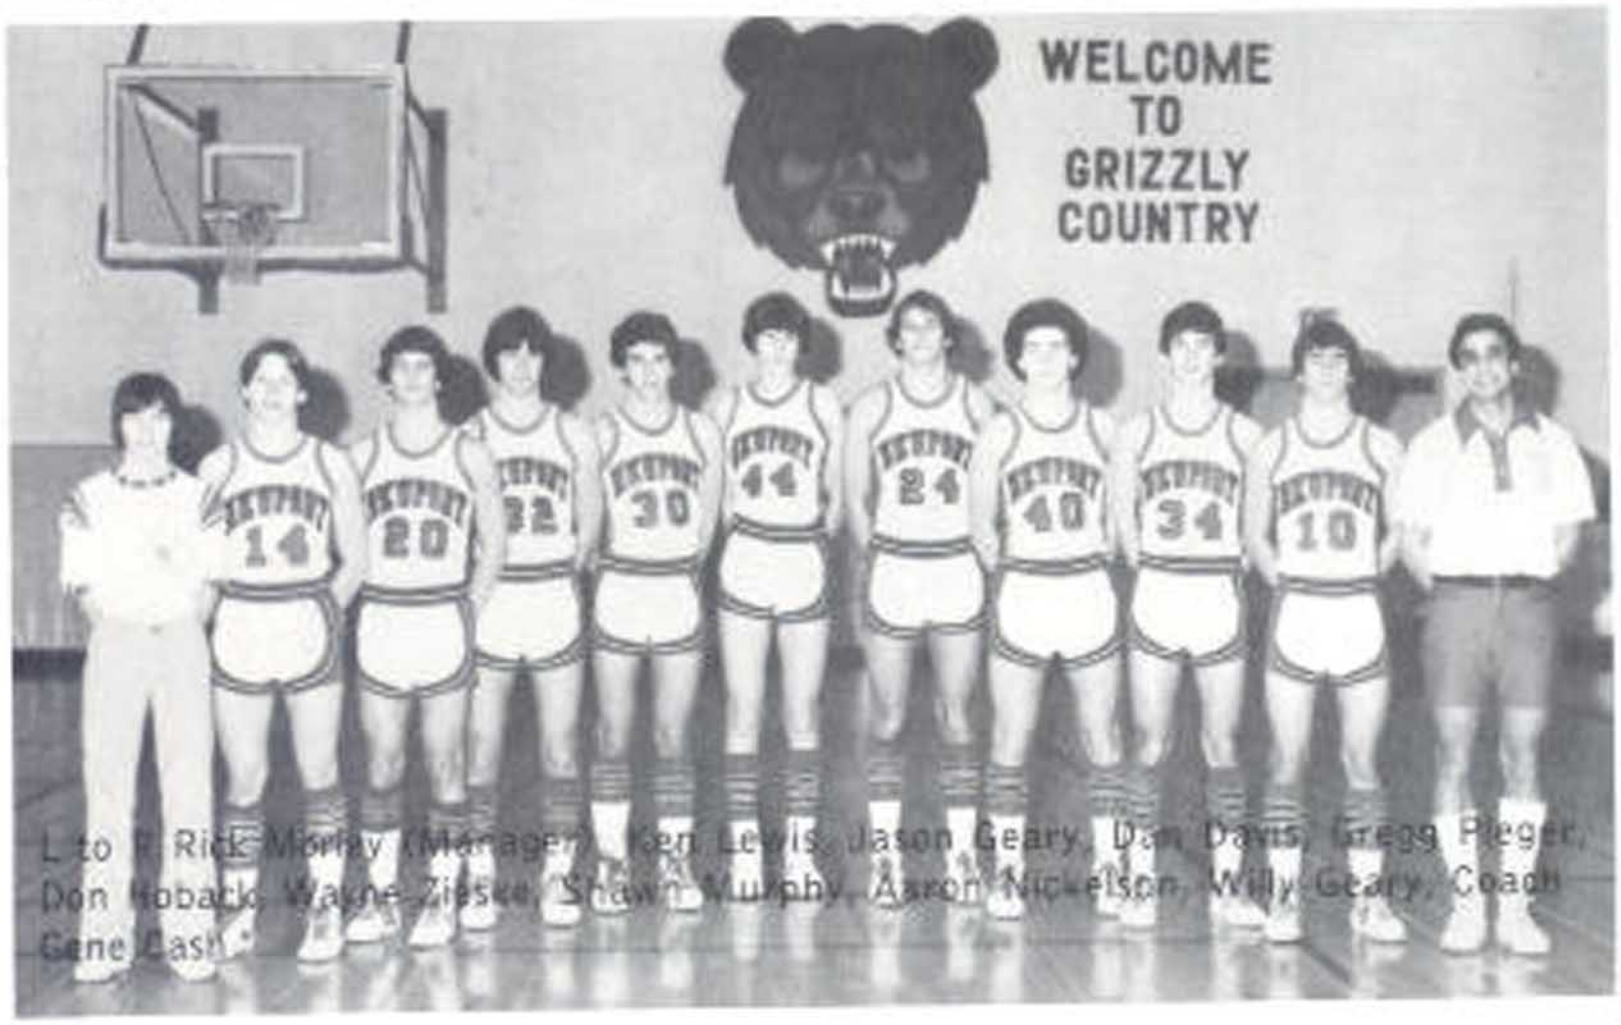

GRIZZLIES RUMBLE

The Grizzlies had a tough season this year. They ended up the regular season with a 12-8 record, finishing second in league.

This was a satisfactory season considering the team consisted of only three seniors and the rest under classmen.

The Junior Varsity overcame many stepping stones with new coach Kelly Schulz. They did not have a winning season, but are looking good for the future. The players will be looking forward to playing varsity ball next season.

A SUCCESSFUL S

The Freshmen boys' basketball team this year had a very successful season. They were undefeated!
Coach Schulz brought together their talent, their height and quickness, and added a new dimension to Grizzly basketball.

The girls' basketball team coached by Mr. Hays did quite well this year.

The Varsity played 19 games in their regular season, winning 14 of them. Of these, they brought home a first place trophy from the Christmas Tournament and entered the League Tournament with 1st place.

Our Junior Varsity season consisted of 17 games, with 14 wins. Through the season these girls have shown their pride and led the Grizzlies into another successful year.

Our "C" squad was made up mostly of Freshmen. These girls found high school basketball quite different than Jr. High. These girls were a great inspiration cheering on the J.V. and Varsity teams.

The 1980-81 season introduced a new coach. It could have been hard for a new coach to come in and manage a bunch of boys, especially "Animals" as the girls Volleyball team calls them. But coach Bill Gee took it in style.

Wrestling is a strength and endurance sport and this years team had it tough going to school all afternoon and practicing till 9:00 p.m. Our varsity team met a great challenge each match as they had to make up a forfeit of 18 points given to the opposing team for the three weight classes in which they had no participants. With all this in mind, we feel our animals met their challenge.

FAN TASTIC

Sitting in the bleachers to watch a football game, or traveling on icy roads to cheer at basketball games were some of the sacrifices that our Newport High School students went through to support our Grizzly teams.

Many times we fail to recognize the importance that the fans play in the outcome of a game. The players depend upon the spirit and pride of the fans to get them through. During the 1980-81 sport seasons, our Bleacher Creatures showed up in some of the most outrageous costumes ever seen. If it wasn't cowboys, crazy hats, or noisemakers, it was dark glasses, old cheerleaders, or Punk Rock. We at Newport High owe our Bleacher Creatures a great big thanks!

TRENDS OF NHS

SOMEBODY'S
IN JAIL

This year the students of Newport High School survived the most challenging situation in its history. The classes of '82, '83, & '84, looked forward to a new high school while the senior class of '81 was distinguished as the only class to graduate without a high school. Through sports, academics, and entire school involvement, "The Year of the Doubleshift", was completed with excellence and class.

As editor of the yearbook, I would like to thank the rest of the staff who, like the entire student body, worked together to get the job done. I would also like to express special thanks, on behalf of myself and the staff, to our advisor Mrs. Ellersick, for her dedicated guidance. Additional thanks go to Mr. Musso, Mr. Shaw, Mr. Park, Mr. Schultz, and Mr. Goertzen for their contributions.

As the delicate petals of the year
unfold . . .
Snowflakes,
Raindrops,
Sunshine,
Breeze . . . ,
The radiant rose comes to full
bloom.

Upon this blossom of time, the
senior flowers are cut and
placed in the ultimate vase
of responsibility, while the
high school garden remains
to bud again . . .

GRIZZLY STYLE

Newport baseball had 15 boys on Varsity with Dwight Faire as coach this year. Nine returning Varsity players proved their strength by tying with Riverside for the league title.

The Grizzlies will lose nine Seniors; but there are many waiting to take their places.

On the JV squad there were 12 eager boys wanting to test their abilities. Under the coaching hand of Lou Musso, they had fun while learning how to improve their baseball skills.

2nd IN LEAGUE AND DISTRICT

This year's Varsity team coached by Al Carpenter and Sandy Sperling ascended another step higher on the ladder of success by placing 2nd in both league and the district playoffs. Only Colville and one run stood between Newport and the state playoffs. Even though they lost, it was a winning season.

The JV's finished with an overall record of 3 wins and 7 losses.

This year, the boys and girls track teams coached by Mr. Park and Mr. Hays were strong, but young. During the season, school records were set in the girl's 100 m. dash, high jump, and the boy's 400 m. relay.

A good season brought 16 girls (finishing second) and 10 boys (finishing fourth) to the District meet in Spokane. All of the team members did exceptionally well, with Clint Grassel qualifying for State in the 400m. dash, and Ken Lewis qualifying in the 300 m. hurdles for the guys. For the girls, the 400 m. relay team consisting of Carla Wilkerson, Joy Hall, Kim Coleman, and Jeri Wilkerson (Missy Kinshian was the alternate), along with Susan Rothstrom in the discus (Carla also competed in the high jump) made the trip to State.

The only event in which Newport placed at the state competition was the girl's 400 m. relay team, which had finished fourth but Grassel had a good showing, coming in seventh.

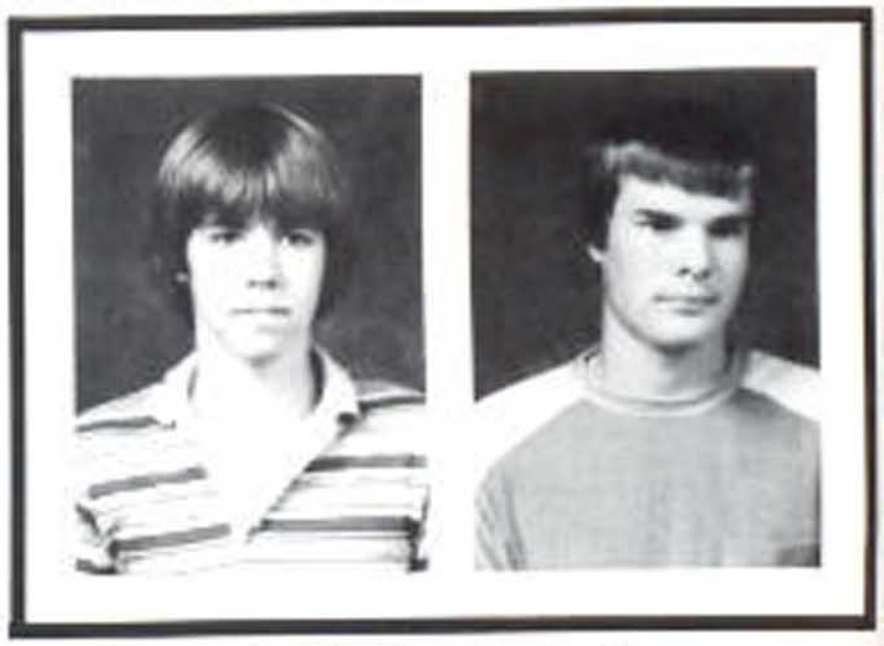

Overall, the teams had fine seasons and both coaches are looking forward to having most of their members back next year.

FUN IN THE SUN! SENIOR SKIP DAY

Life is sweet because of the friends we gave made
and the things which in common we share.
We want to live on, not because of ourselves,
but because of the ones who would care.
It's living and doing for somebody else
on that all of life's splendor depends.
And the joy of it all, when we count it all up,
is found in the making of friends.

GRADUATION '81

To be what we are, and to become what we are capable of becoming, is the only end in life.

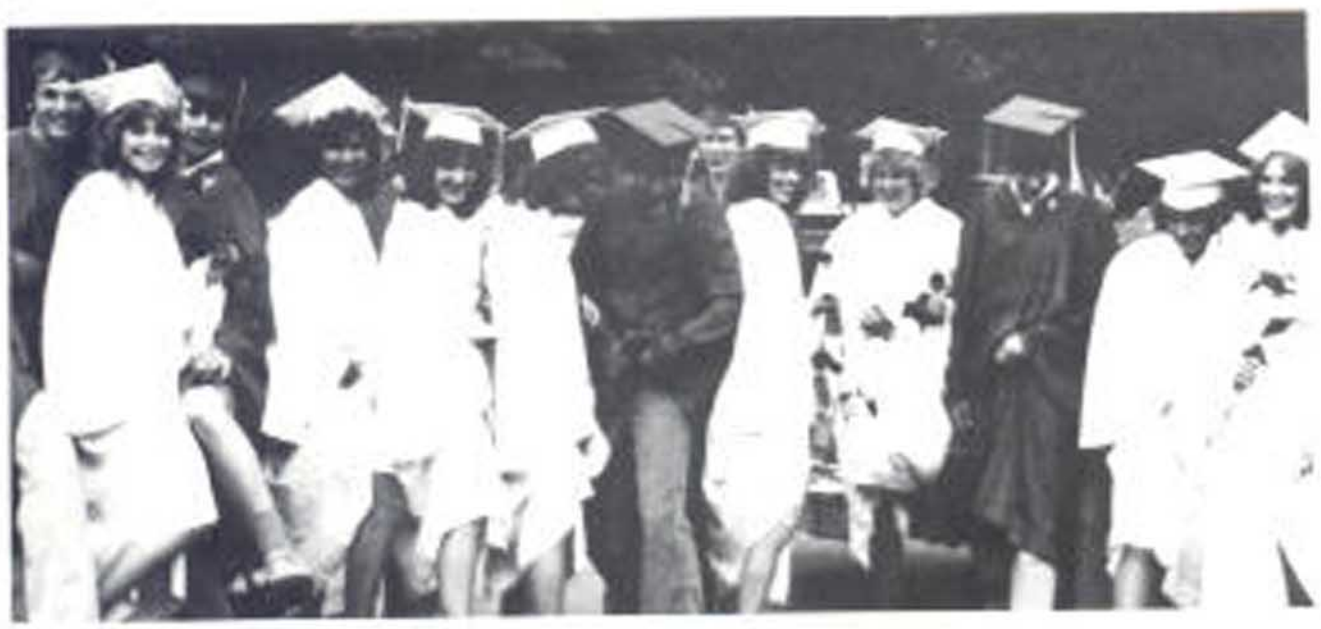

EXIT CLASS OF 1981

Marshallette

The end drew near for the Seniors of NHS. The year of the late risers was coming to a close. The Seniors had shared in the double-shift experience and would be the only class to graduate with a high school diploma after spending their Senior year in the middle school facility. Although the circumstances of the year were difficult, the Seniors did not let that interfere with their activities. They hosted a Senior Ball, went on a five day biology trip, and spent their skip day in Riverfront Park on one of the two sunny days of their year. They will also be remembered as the class who started the tradition of graduating in school colors.

The stage was set for the Grand Finale. Graduation would draw the last curtain on the class of 1981. A few tears were shed as the curtains closed on the graduates, and the goodbyes were said to friends, teachers, and the good old Grizzly pride.

Congratulations and Best Wishes to the cast- The Newport High School Class of 1981.
