DEDICATION

The 1981 Annual is dedicated to the people of Newport in appreciation for this building, this new school, this fresh start. The students and staff realize what this community has accomplished. A need was recognized, a sacrifice made, and a problem solved.

"So on we grow,
minds grinding where airplanes once whined —
Thoughts and muscles stretching and aching,
giving and taking, sleeping, and waking
To find the dream
a reality."

I LOVE A PARADE

This year the Homecoming Parade had more entries than in the past. With the addition of the FFA float and the viewing of the royalty, the parade was better than ever.

For the third year in a row, the class of '82, this year's Seniors, won the float competition, with the theme, "Ground The Spartans Into Roman Meal." The FFA float came in second, Juniors 3rd, Sophomores 4th and Freshman, bringing up the rear. They were judged on originality, creativity, and workmanship.

Congratulations SENIORS!

GOOD OLE' HOMECOMING

Homecoming 1981 rekindled the old tradition, Slave Day. Rock and Roll Day had Rocker's rolling down the hall and Rollers rolling to class. This was one exciting day.

Wednesday night the Gong Show was held with Mr. Wendle as MC. In first place was Aaron Nicklson who sang a song he wrote. Second place went to Sandy Winterfield and Missy Kirishian who sang a duet. Third place was given to a group called the BBB's who also sang a top hit.

On Thursday, the Rainbows came to the school for a friendly gathering. The day was highlighted by slave competition in the afternoon. Thursday night the volleyball team showed their stuff by beating Riverside in two games. Afterwards the bonfire roared into the night.

Friday was Red & Black Cowboy Day. At the outdoor assembly, the royalty was announced. The Seniors won the cheerleading & pass the pom pom competitions, and the Freshman won the relay race.

A tailgate picnic was held before the game. Everyone ate hamburgers which the ASB fried and sold.

Newport played Priest River and at halftime the letter 'N' was lit as the Band played and fireworks exploded. The parade of the royalty and floats were also enjoyed during halftime.

*On Saturday night everyone danced to the tunes played by Kevin Brown and KUBS*FM. The royalty was crowned with Carla Wilkerson reigning over the dance.*

Rough Connections

This year's varsity team was spearheaded by Bill Heglar and his assistant coaching staff of Bill Hays, Bill Thurston, Kelly Schulz, Mick Schultz, and Ron Park. The Grizzlies first match-up was against the Cusick Panthers. The game was close but in the end it was Newport on their way to victory. As the season progressed, Newport didn't fair as well; although a much improved squad could be seen. The scores do not justify the effort spent in long practice sessions or the many times they played with very painful injuries. They did their best.

Long distance indicates the many miles of hills, thrills and chills the 1981-82 Cross Country team covered. The boys are Senior, Fred Byers; Junior, Keven Shipman; Sophomores, Ray Bachmann, Russ Pelleberg, Kervin Waterman, Dave King; Freshmen, Steve Hodges, Kurt Walden. Jeanne Daly and Holly Waterman, Seniors, were the only girls on the team. The managers were Sandy Winterfield and Jon Wagar. Mr. Longshore, Coach, stated, "The season was one in which our younger runners showed much improvement and all our team members, led by our seniors, demonstrated their willingness to work and overcome problems. I am proud to be part of the group."

This year's varsity under direction of Linda Haptonstall, with the assistance of Dee Coffin, had an overall record of 8-6. This year's team consisted of 5 seniors and 7 underclassman. League competition this year was much tougher than in years past with the addition of Freeman. The Grizzliettes had a respectful showing at district, placing 2nd.

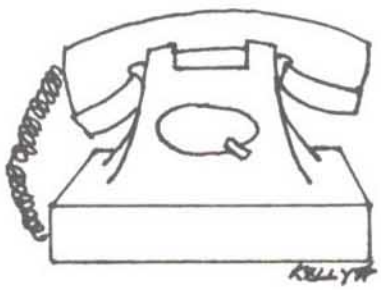

These things you'll find it takes to succeed, mind and body must take the lead. Add your spirit and now you're really with it. We have worked hard and sacrificed. And so now I add this little advice, on faith and trust you must lean — And you'll emerge as a team!

LOOKIN' GOOD

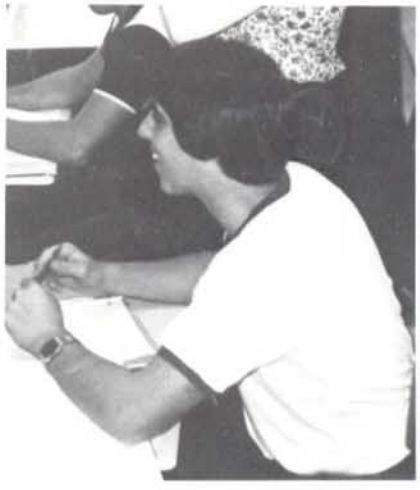

FOREIGN EXCHANGE

SITA WIEBEL is from Dortmund, West Germany, and is staying at the Robert Rednour home. She likes to play volleyball, read, take walks, act, and swim. She misses German bread and her bicycle. Her favorite things in the United States are the lifestyle and the food. She especially likes chili and corn. "Ich Mag Euren Americanischen Akzent," she said, which means that she likes your American accents. Sita once got a letter from the United States Air Force wanting her to sign up but she turned them down because she plans to go to college in Germany next year. If you are ever in Germany, she invites you to drop in.

ANNIKA ASTROM from Jarfella, Sweden, is staying with the Ted Schwab family near Furport. Besides staying up late talking to Suzy, Annika finds time to enjoy the Newport area. Her favorite thing to do is to go shopping, or as she calls it, "choppink." Annika is a very active exchange student, who enjoys volleyball, drama, and swimming. She is on the national swim team in Sweden. As for the school, she thinks that her school at home is much harder. She says that there is just too much memorization in classes. After seeing the movie Stripes, Annika was heard saying, "En ol till tack," which means another movie, please.

RAMON QUISUMBING from Quezon City, the Philippines, is staying with the Robert Owen family. Ramon or "Monet" likes the American way of life. Having never seen snow, he looked forward to his first skiing lesson. He likes the movies, ham radio, building model ships and planes, and his job at the Owen's store. "Pilipino subok na matibay. Subog na matatag. Jeet Kune do," is Ramon's favorite expression which means that the Philippines is the best; that it is number one; and that it is really great. Ramon wants to study engineering at the University of the Philippines next year.

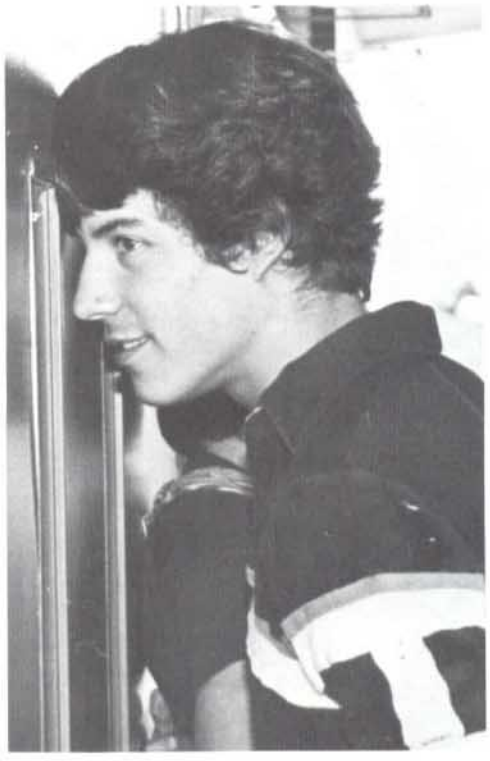

ELLEN BEEKHUIS is from Santpoort, Netherlands. She is staying with the Larry Shaw family near Furport. Her favorite sport is tennis. She also likes dancing, talking, listening to the radio, and riding her bicycle. Ellen misses the freedom that she had in Holland. She thinks that school here is much easier than the one she went to at home. Ellen speaks four languages fluently: English, French, German, and Dutch. She plans to study accounting in college next year. "Het enige nadeel van de amerikanen is dat ze van maais houden en het daaroom veel eten," says Ellen, which means that the only disadvantage of the Americans is that they like corn and eat it a lot.

This year's Freshman class did many things to raise the Grizzly spirit. They participated in the "Come Back" tradition of Slave Day. All the Freshman were auctioned and had to do as they were told by their masters for two days. They made 85% of the money made in the auction but donated most of it back to the athletic fund. They also sold concessions at the Homecoming football game and quite a few Freshman participated in dress up days during Homecoming.

This year leadership was abundant on the three Grizzly squads. Under the guidance of Gene Cash, Kelly Schulz and Ray Harding, the teams improved their already awesome abilities. With the addition of Freeman to league competition, the Grizzlies worked extra hard to vie for a place at state. The nine Varsity players added strength and experience to the team and will be greatly missed.

This year's varsity under the direction of Bill Hays ended the season with 17 wins and 6 losses. The grizzlies turned in a good performance against a tough Republic team at the Christmas Tournament in which Newport placed 2nd. League was tightened as the evenly matched squads from Newport and Freeman confronted each other. Newport was to lose the first time but came back strong as they downed the Scotties by 21 pts. in the rematch. A playoff game decided who would be first place in the District Tourney. Newport went on to place 2nd in District.

The Junior Varsity coached by Mick Schultz had a season record of 14 wins and 5 losses. Their losses coming from Sandpoint and Colville teams were their toughest competition. The outlook for a future varsity is good; this team easily handled all league competition.

The Newport "C" Squad team only consisted of 7 players so they got in a lot of valuable playing time. Their season record was 6 wins and 3 losses.

1981-82 wrestling opened with a new gymnasium. This gave the team high hopes, enthusiasm and pride for a winning season. Even though there were some inexperienced wrestlers we had an outstanding year. Spectators enjoyed watching the matches.

District was held this year at Ritzville, Regionals at Lake Chelan and State at Moses Lake.

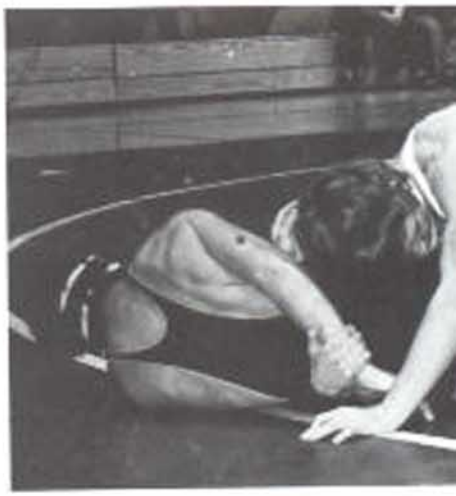

Shari Hannah Star Keeper

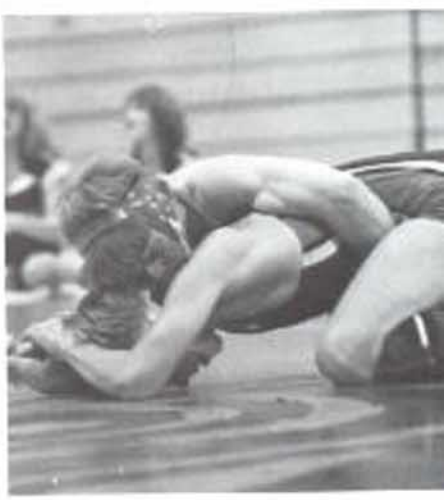

Coach Bill Gee

This year's wrestling team might have been short on numbers, but they were certainly not short on dedication and spirit. From the least experienced wrestler to the most season veteran, they pulled together to make this a memorable season for all.

Mr. Gee Comments, "This was a Cinderella Bunch. They often went into a match being down as many as 18 points because of forfeits in various weight classes. It is a credit to each member to know that he never gave up, but competed in the true spirit of the sport, giving it the best effort he could."

Our hats are off to the two seniors who made it to the State Tournament this year. Troy Moody and Clint Grassell's leadership will be missed, but their inspiration will remain in each of the hearts of their teammates.

The Pep Club rallied through the year making spirit sacks and livening up sports events. Their spirit carried through from Pep Assemblies to the last second of Grizzly games. Members of the club spent many hours after school making signs to urge the Grizzlies on to victory.

FANS SET TONE

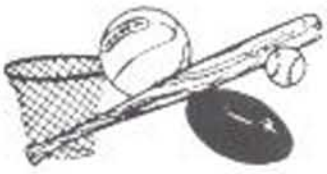

The radical fans of the Newport Grizzlies were on hand at
home games and many away games. Their enthusiastic natu
helped our teams strive for victory. This year good sportsmansh
was greatly emphasized to all Grizzly fans. During games fa
held up signs to support our players effort.

This year the girls gave Mrs. Ellersick roses to show how much they appreciate her. She received them the night of the Sports Banquet. It was a real joy for the girls to see Mrs. Ellersick so overwhelmed with joy.

The Newport Cheerleaders started their year by going to cheerleading camps. The four J.V. cheerleaders and one wrestling cheerleader went to Gonzaga and brought back competition ribbons. Dawn Gamble, Varsity, and Jeri Henderson, Wrestling, went to Pacific Lutheran camp, returning with three blue ribbons and a Superior Trophy. The cheerleaders put on the first dance of the year. During Christmas week, they sold candy canes. For Valentines Day they sold heart pillows to raise money to pay for uniforms.

FBLA is an organization for anyone interested in business. It teaches the Free Enterprise System as well as leadership qualities. Local Activities at Newport include leadership and fund raisers such as our yearly Sadie Hawkins Dance and the "Say it With Flowers" Valentines's Day flower sale. This year the FBLA donated money to keep the sports program alive.

HIGH SCHOOL BOWL

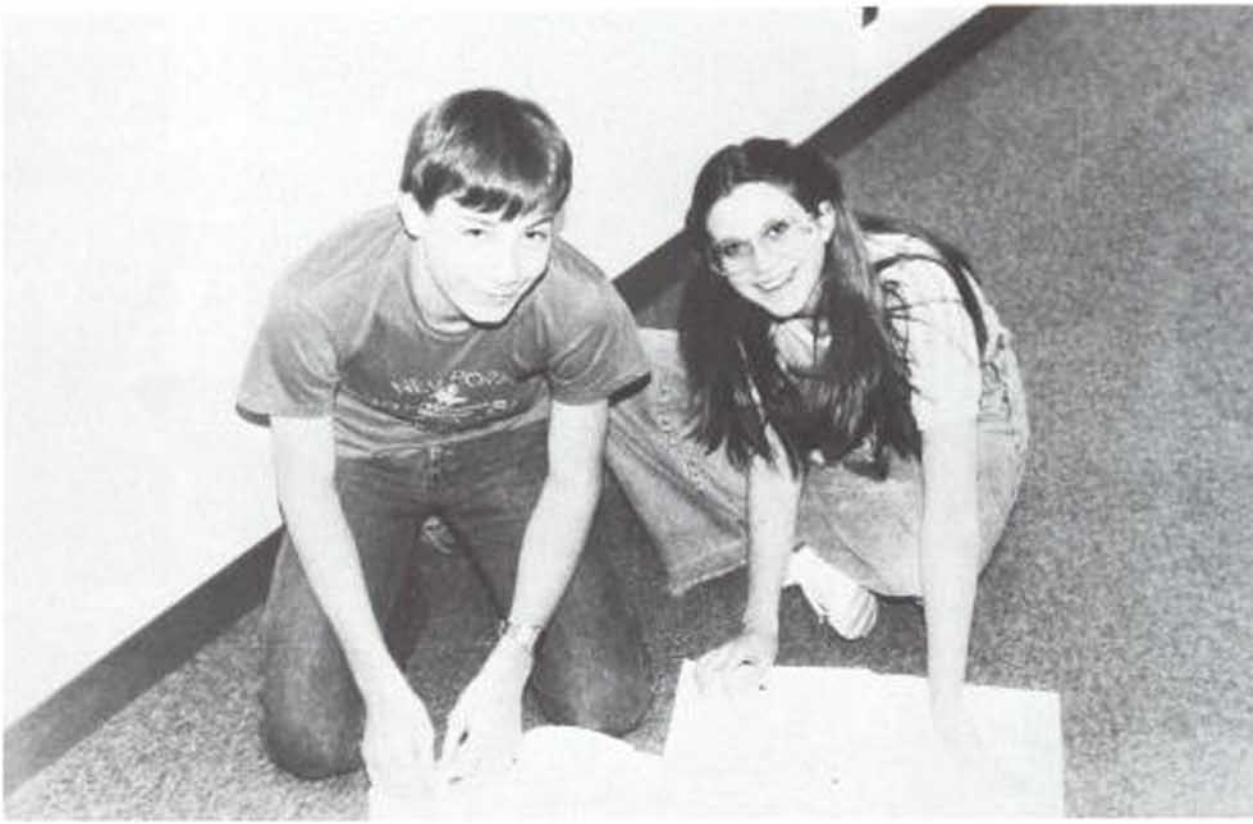

After an absence of two years the Newport Grizzlies returned to "High School Bowl" competition. Our team defeated a team from Priest River High School 35-60. This win entitled our team to continue in the competition against a team from Richland. Our team consisted of Michlele Burris, Dave King, Leslie Foerstner, and Juli Noble, Captain. Alternates are Tom Owen, Dan Murray, Willie Gassman, and Curt Walden. The team was coached by Beulah Noble.

DEBATERS TANGLE WITH ISSUE

Debaters Curt Walden and Angie Janzen study reference material. Mrs. Henry, Advisor, assists.

The topic of argument for this year's debate team is: "Resolved that the Federal government should initiate and enforce standards of education at the elementary and secondary level." The two debaters spent many hours researching the topic to prepare for league competition.

FAIR PRINCESS

Barbara Redmour was the 1981 Pend Oreille County Fair Princess. She worked hard all summer visiting various fairs and community celebrations. Barbara proudly talks about the Pend Oreille County Fair and in her words says, "It was alot of fun and a big success."

RODEO QUEEN

Deana Orr was chosen as the Pend Oreille County Fair Queen in 1981. She traveled throughout Washington and rode her horse, Kahalda, a pure Arabian, in many parades and rodeos. Asked to comment on her adventures as queen Deana said, "It was a fun and interesting experience. I love all the people."

GIRLS' STATE

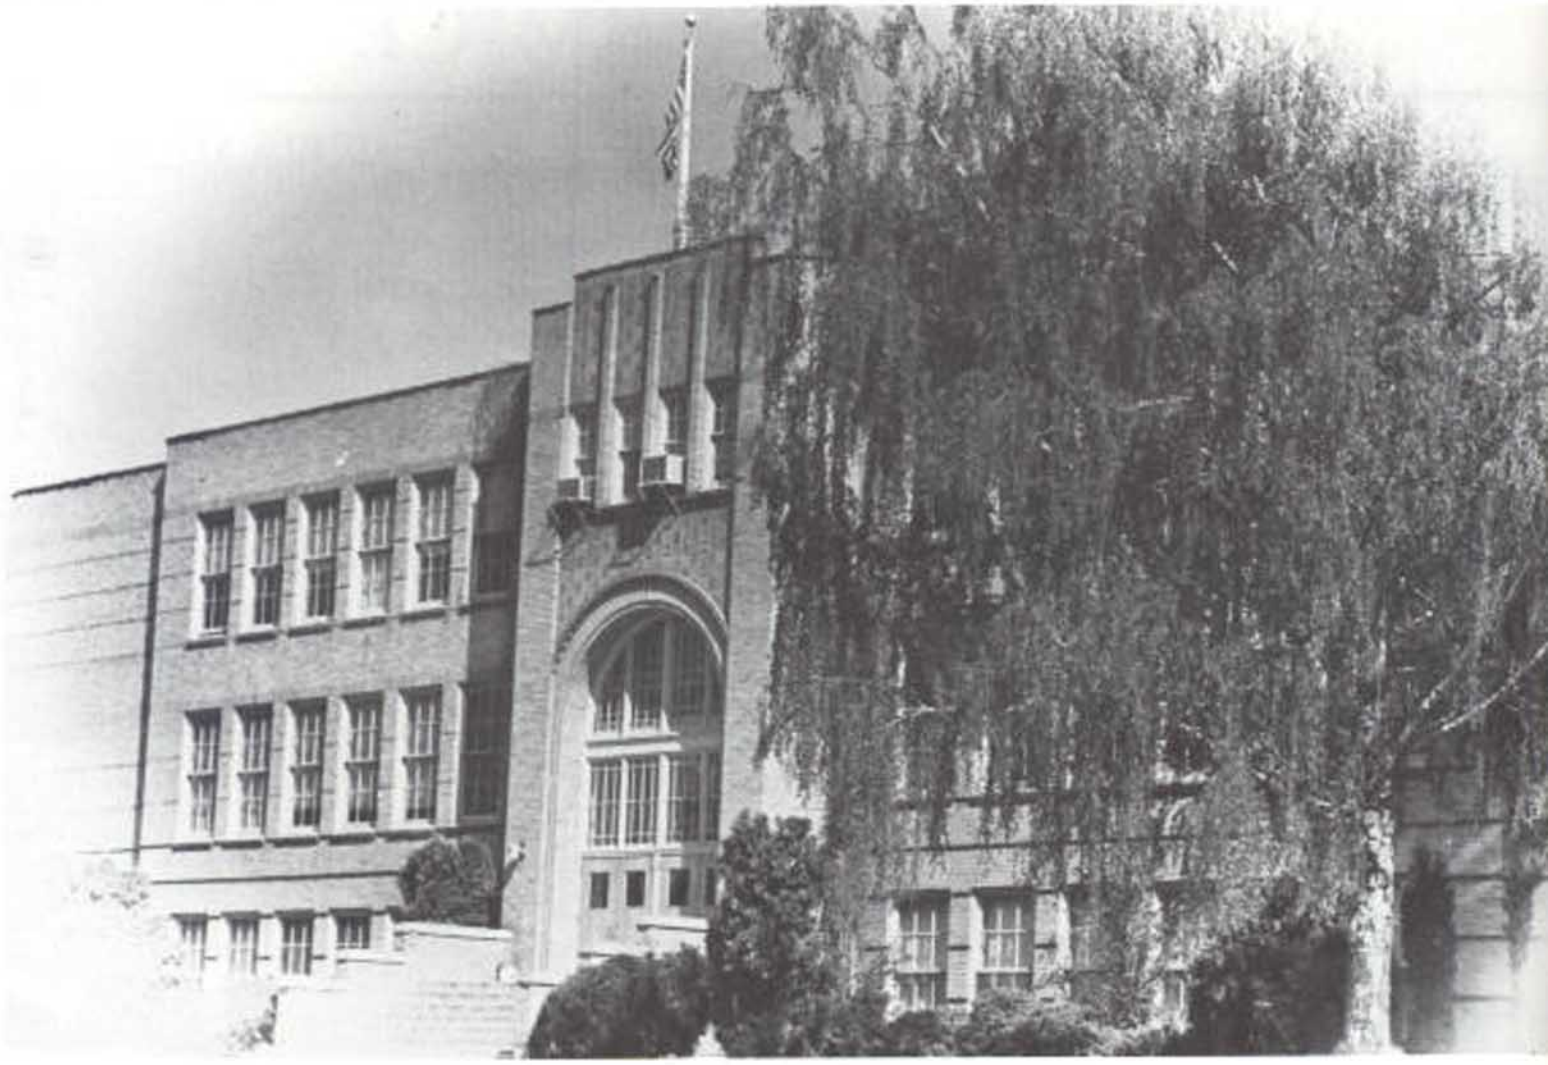

Theresa Morley was chosen from a group of ten girls to attend Washington Girls' State. She learned about government by participating in a situation where each girl acted as an elected official. Theresa served as a member of the House of Represenatives as well as the Sergeant of Arms.

NEWPORT JUNIOR MISS

Queen Ella Bachman and Princesses Gina Musso and Carla Wilkerson represented Newport throughout Eastern Washington as the Newport Junior Miss Royalty. They traveled to places as far away as Leavenworth and Odessa. The girls also co-hosted the Pend Oreille County Rodeo. Carla, Ella and Gina had fun experiences. They will always remember the time they hit a bump and almost fell off the community float.

We are the music-makers,
And we are the dreamers of dreams
Wandering by lone sea breakers,
And sitting by desolate streams;
World-losers and world-forsakers,
On whom the pale moon gleams:
Yet we are the movers and shakers
Of the world forever, it seems.

We have provided a history of the 1981-1982 school year for you, the students of Newport High School. The year has been condensed into a few pages of print and picture. The theme of our yearbook, the Grizzly Connection, was selected to show the importance of communication and cooperation within a school and community.

On September 8, five hundred students excitedly stormed through the doors of the new Newport High School. The double shifting days were long gone and we believed we were in for an exciting year. We were not disappointed. Dances, Homecoming activities, sports' events, music concerts and school work all helped to make the year pass quickly.

We are indebted to the people of Newport for raising money to help continue the sports program. Students, faculty and townspeople demonstrated a willingness to work together to maintain student activities.

Mr. Mick Schultz provided much of the art work in our book and for this we are truly appreciative. We also thank Mr. Lou Musso, Mr. Don Goertzen, Mr. Larry Shaw, Mrs. E. and the other staff members who helps us and were understanding when we were under pressure to meet deadlines.

We feel that we have captured many of the most meaningful moments of your life. Memories of friends and events of the school year may begin to fade within a few years. Hopefully, with our yearbook, these memories will remain vivid and special!
