DEDICATION

There will always be a great faculty within the rooms of N. H. S. helping the students with their academic problems, but, this year the life of every student in our school has been enriched because of the presence of a great and wonderful man.

You are always ready and willing to help us with any problem which we might bring to you. If there are signs to paint, dance decorations to hang, assembly areas needed, we are sure to find you there----working and helping us----not because you have to, but, because you want to.

Just as extra-curricular activities make a student complete, you have made our school complete.

Because of your warm, sincere trust and friendship given to everyone in our school, and the inspirational influence you have on our young lives; we in our gratitude dedicate "The Bruin 1969" to you,

MR. "BURT" LEE

WELCOME

TO NHS

Only a Senior knows the loneliness of
striking out on his own,

the pride of a college scholarship,

the reluctance to forget old friendships
and to begin new ones;

Only a Senior knows the cherished jokes
of Mr. Shaw and Mr. Musso,

the mixed emotions of turning 18,

the proper technique to pacify
Mr. Brown;

Only a Senior knows the security of "I-S"
and the torment of "I-A",

the significance of CEEB, SAT, PSAT,
WSU, UofW, and a ring,

the satisfying thought that he does
not have to do it all over again.

ADMINISTRATION PONDERS PROBLEM

Dave Smith grew up in Libby, Montana. He came to Newport in 1978 to be the principal of Sadie Halstead Elementary. In 1984, he became superintendent of the District.

Lou Musso grew up in Ole Elum, Washington. He came to Newport in 1962 to coach football, basketball, baseball, and he taught all social studies. Then, in 1979, he became principal.

Recently when asked "what is a major concern of yours this school year? Principal Lou Musso suggested that the increased use of alcohol and drugs by students probably topped his list. Musso, who has watched over the student scene for some 29 years, notes that, in his opinion, more students use alcohol on a regular basis than ever before. Superintendent Smith has given the green light for Musso and staff to initiate programs and actions to combat the problem when and where it is observed.

The Major Thrust of the Anti Drug Movement seems to be concentrated in three areas: First, the natural helpers program, already in place; Second, the enforcement of stiff penalties for abuse on or in school, and the involvement of MADD (Mothers Against Drunk Driving) in the school scene.

Both Smith and Musso agree on the difficulty of effectively combating at school a problem which has its roots at home and within the community, but they and the staff are determined to do what can be done regardless of the inherent futility. The school year has already been marked by the serious injury of a student in an alcohol related auto crash.

Norma Wetterau is currently in student services and cashier work at NHS. She has worked here for seven years. When she first started ot she was a secretary in the head office. She is married, and her son, Shawn, is a student at Newport.

SUBSTITUTION DAY . . .
PARENTS DON'T FORGET YOUR BOOKS

Parent Substitution Day this year on Thursday, November 13, went off great. Sure there were the usual problems like parents that were unable to get their student's locker open, and then once they did, wishing they had never even tried and that it was closed again. There were also a few tardies, but probably no more than any other average day at Newport High School. Some parents even left at lunch leaving the student to finish out the day. Maybe they just couldn't take a whole day. But even though it was a good time for everyone, the thought that it was a day to educate the parent on their student and the student's school life, was never lost.

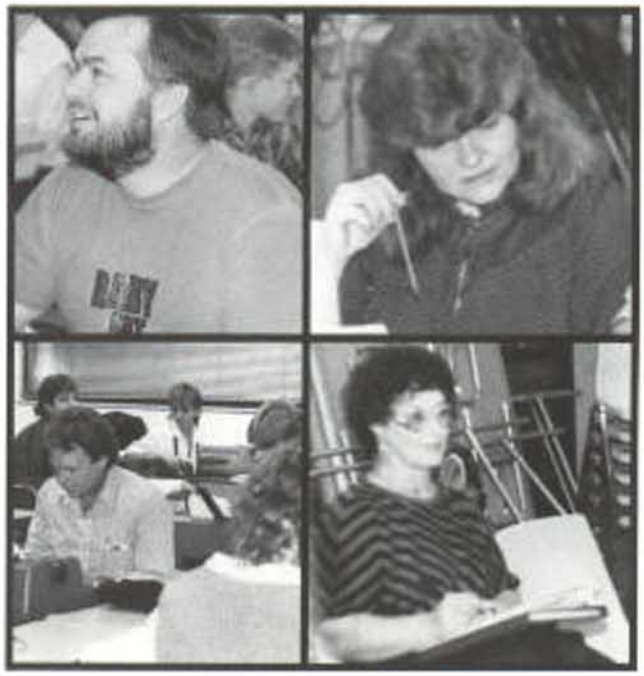

PICTURED AT LEFT: Wendy Leslie and Ruth Krogh in the dark room.

Shannon Pancho is a sophomore at Newport High School this year. She enjoys being on the annual but also really loves playing softball and traveling to be with her family which is a very important part of her life.

Jan Gillespie working for a day on the 1987 Newport Yearbook in third period annual. Ron Banka in typing class for his son Chris Banka, a freshman. Carol DeLuna taking notes for Shelly.

CHEERLEADERS SET THE PACE

Kim Hendrickson, a first year cheerleader, makes the varsity squad. She is a member of the honor society, FBLA, and student of the month. She also took honors in receiving Jr. Miss and Jr. Prom princess.

TOP ROW: Marianne Miller and Kelley Cantrell. BOTTOM ROW: Cathi Carpenter and Kim Hendrickson.

Cathi Carpenter has been a cheerleader for three years at NHS. Her sharp moves and bright smiles make her an excellent cheerleader. In her past years she has been involved in extra curricular and social activities.

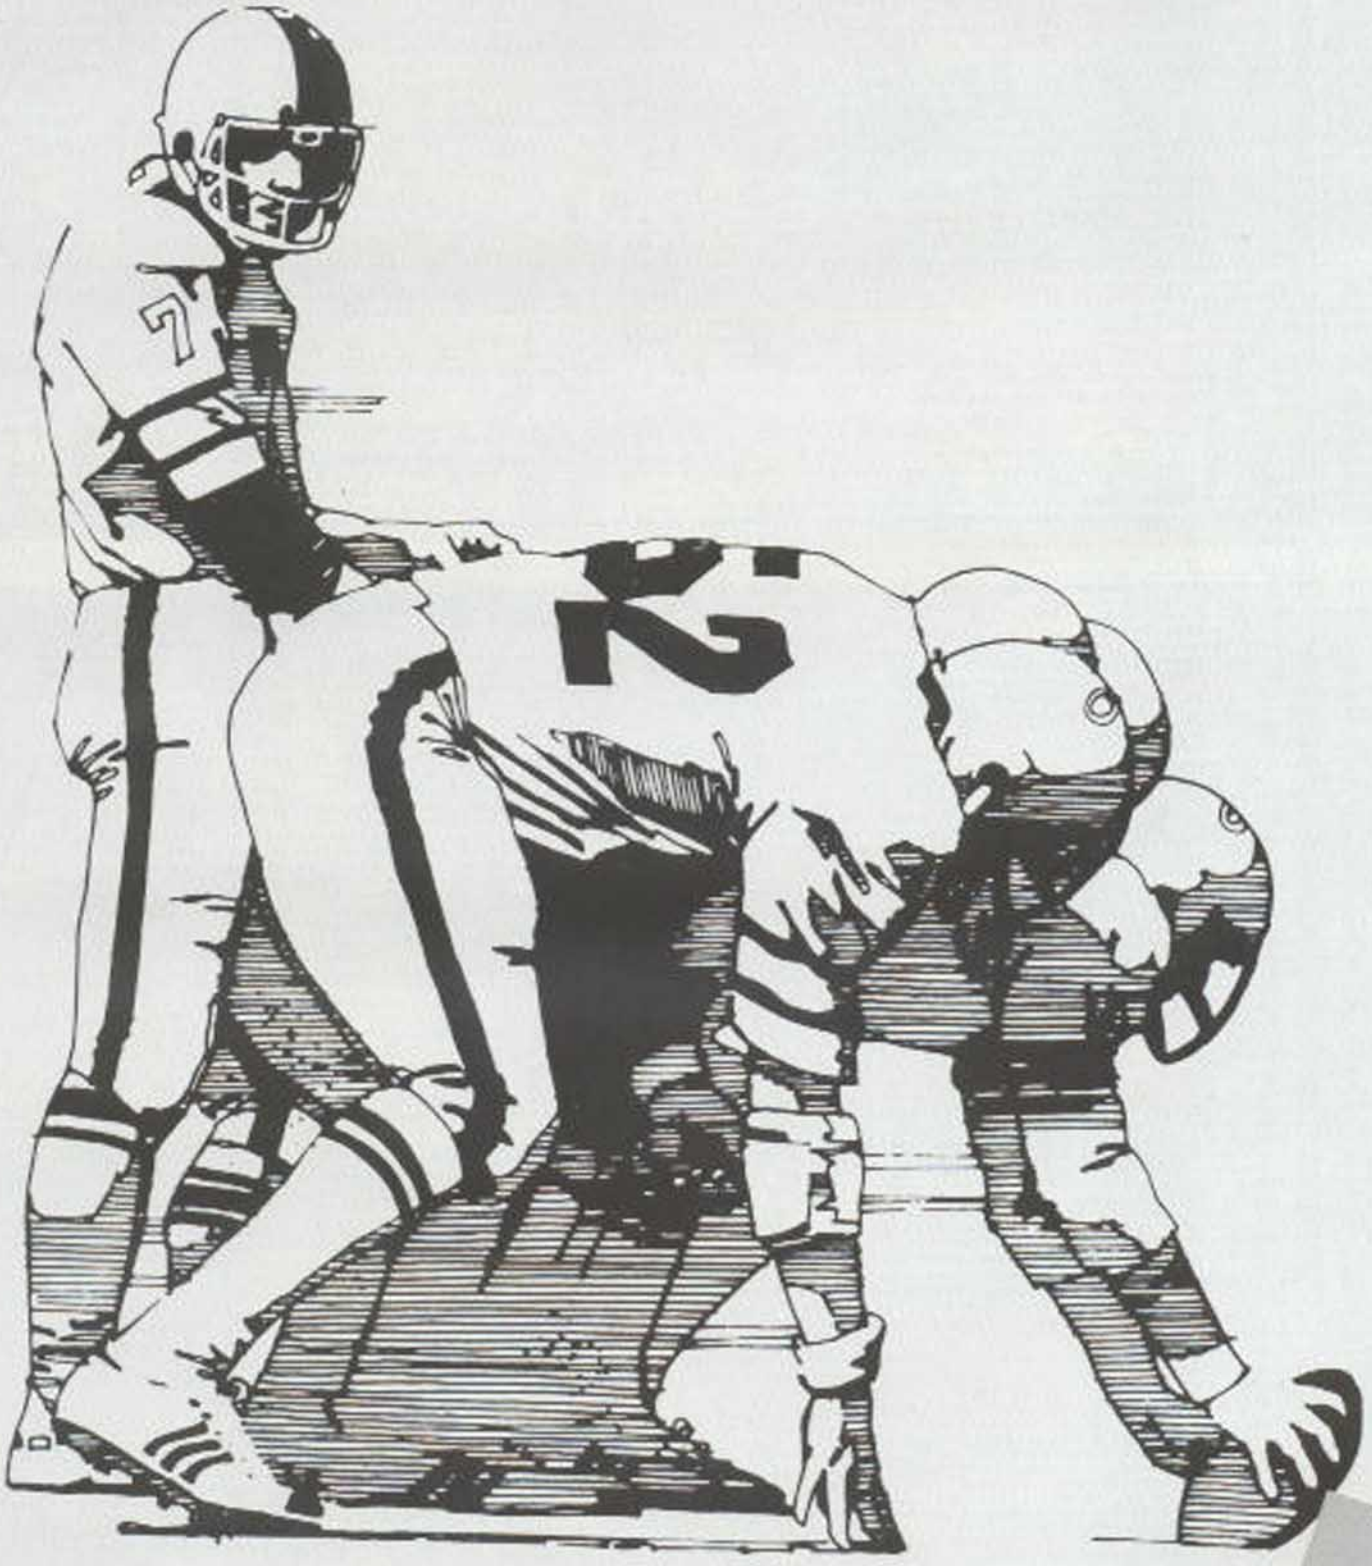

Kelley Kim Marianne Cathi

To be a cheerleader it takes a great deal of hard work. Trying to please the crowds all the time, yelling and screaming every Friday and Saturday night can be a tough job. This year's cheerleaders had a hard time controlling the crowd. The crowd found it hard to get involved in some cheers. All in all the cheerleaders did a fine job.

FOOTBALL 87

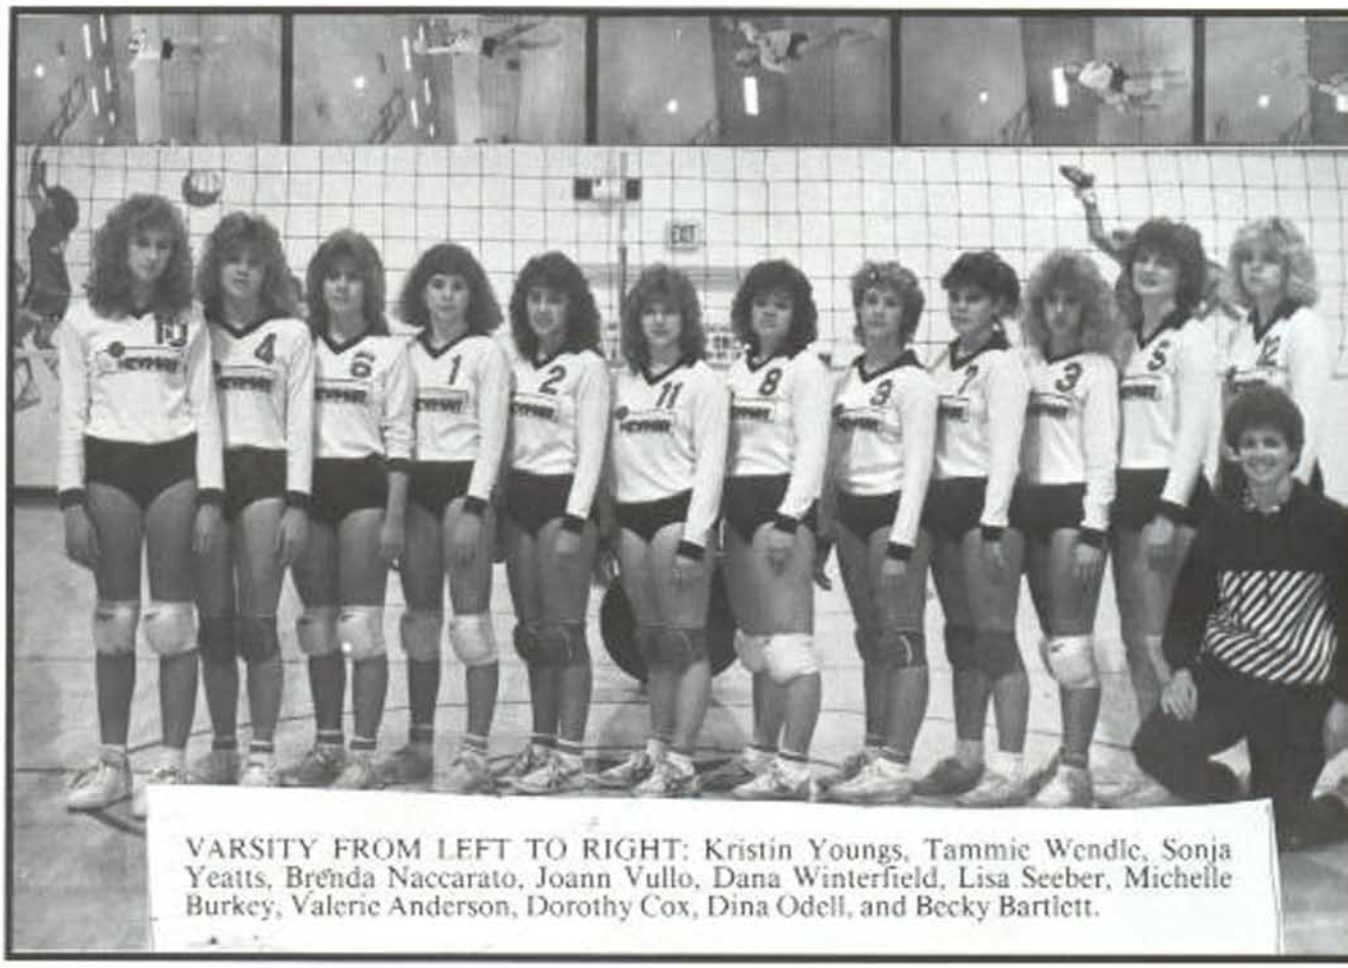

Linda Haptonstall has been coaching volleyball at Newport for ten years. Of the 1986 season, she said that although a few unfortunate things did happen that effected the whole team the season was very enjoyable for her. This year we had success in beating two AA schools. I also had a great time with the girls and got many compliments on them which I was very proud to receive.

INDESTRUCTIBLE FRIENDS

VARSITY FROM LEFT TO RIGHT: Kristin Youngs, Tammie Wendle, Sonja Yeatts, Brenda Naccarato, Joann Vullo, Dana Winterfield, Lisa Seeber, Michelle Burkey, Valerie Anderson, Dorothy Cox, Dina Odell, and Becky Bartlett.

In 1981, five girls, Lisa Seeber, Joann Yullo, Dana Winterfield, Dina Odell, and Sonja Yeates made a solom vow to take a Newport team to a state tournament. Although other teams have represented Newport at various state tournaments in the meantime, their vow to be 'there' together came to pass in volleyball 1986. Supported by a 20-9 record, th. squad traveled to Finley, Washington in quest of the state "A" trophy — it was not to be — not to be despite five years of practice, despite a fierce devotion to team, and despite the growth of a strong friendship among these players.

These girls should be proud of their successful season even without the state trophy, they accomplished many goals along the way. The girls placed twice in the top ten of state and won first place in their league at the Lynden play-offs.

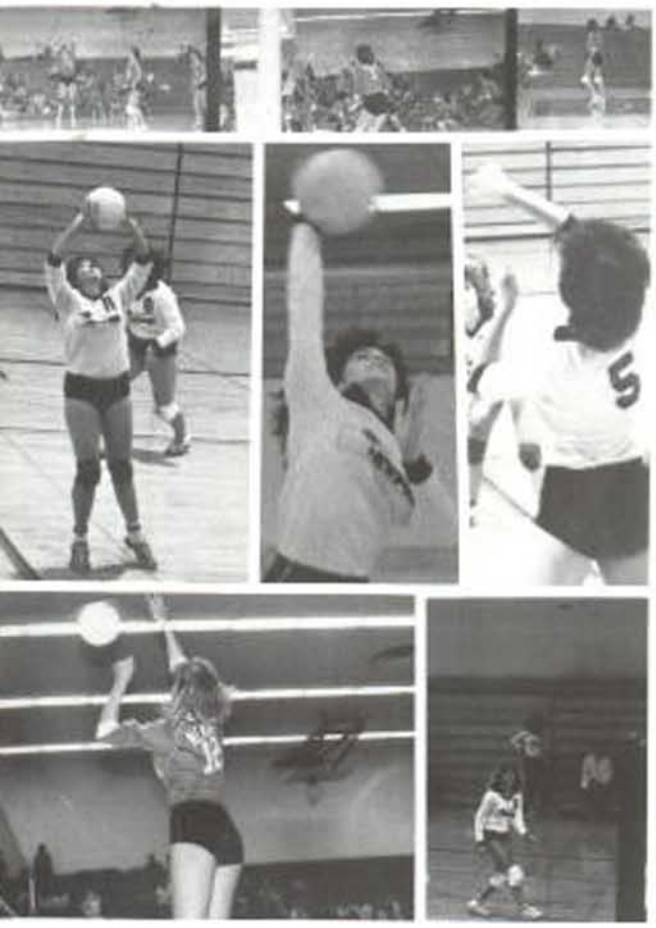

Special honors went to Dina Odell elected 'Most Inspirational' and Dana Winterfield as 'Captain.'

Joann summed up the season saying "it was our most competitive season — it was great to laugh, share, and have fun with many of my close friends."

ON TO STATE

FROM LEFT TO RIGHT: Coach Haptonstall, Wendy Krogn, Cathie Houser, Brenda Naccarato, Kristin Youngs, Nancy Schoene, Christy Ballard, Lisa Markwardt, Christel Wimmer, Valerie Anderson, Shauna Williams, and Beth Gamble.

J.V. Volleyball came along this year, working together as a team. Many great skills were mastered as well as major improvements. J.V. always seemed to be caught between the coaching of Linda Haptonstall and her commitments to vasity. J.V. hung in there though with a great deal of team work and made it through the season with a semi-sucessul season. They were great support for the varsity team.

Homecoming, a day to remember. As you are sitting in the gym fourth period and you hear your name announced for the 1986 Homecoming Royalty, a shiver goes through you. You walk down the bleachers being greeted by Mr. Lance Hal places the tierra on your head, and Miss JoAnn Vullo places the sash around your shoulders. Next y your escort announced as he is then greeted by Mr. Hahn, a hand shake, and a boutonniere. After sch are being driven down Main Street, smiling prettily, and waving as Royalty should. At the game you a paraded around the field in your formal, sash and tierra. On the home bench side the car stops, your na announced, and your escort hands you a rose. After the game you are announced again as you and you have one special dance together in the softly lit gym. You will remember this night forever.

COWBOY DAY'S SHOOTIN HIGH

Homecoming week has gone on since at least the 30's. The tradition is two days of dress up and lots of fun. This year's theme was cowboy and indians. It was a big success! (FROM LEFT TO RIGHT) Jack Biss, Randy Hettinger, Harold Bond.

Slave Day, a tradition since 1968. The senior class puts it on to raise money for senior skip day. This year they raised 150.00 dollars. The freshman receive 75% for their participation. The student body chooses what freshman they want to slave for them on this special day.

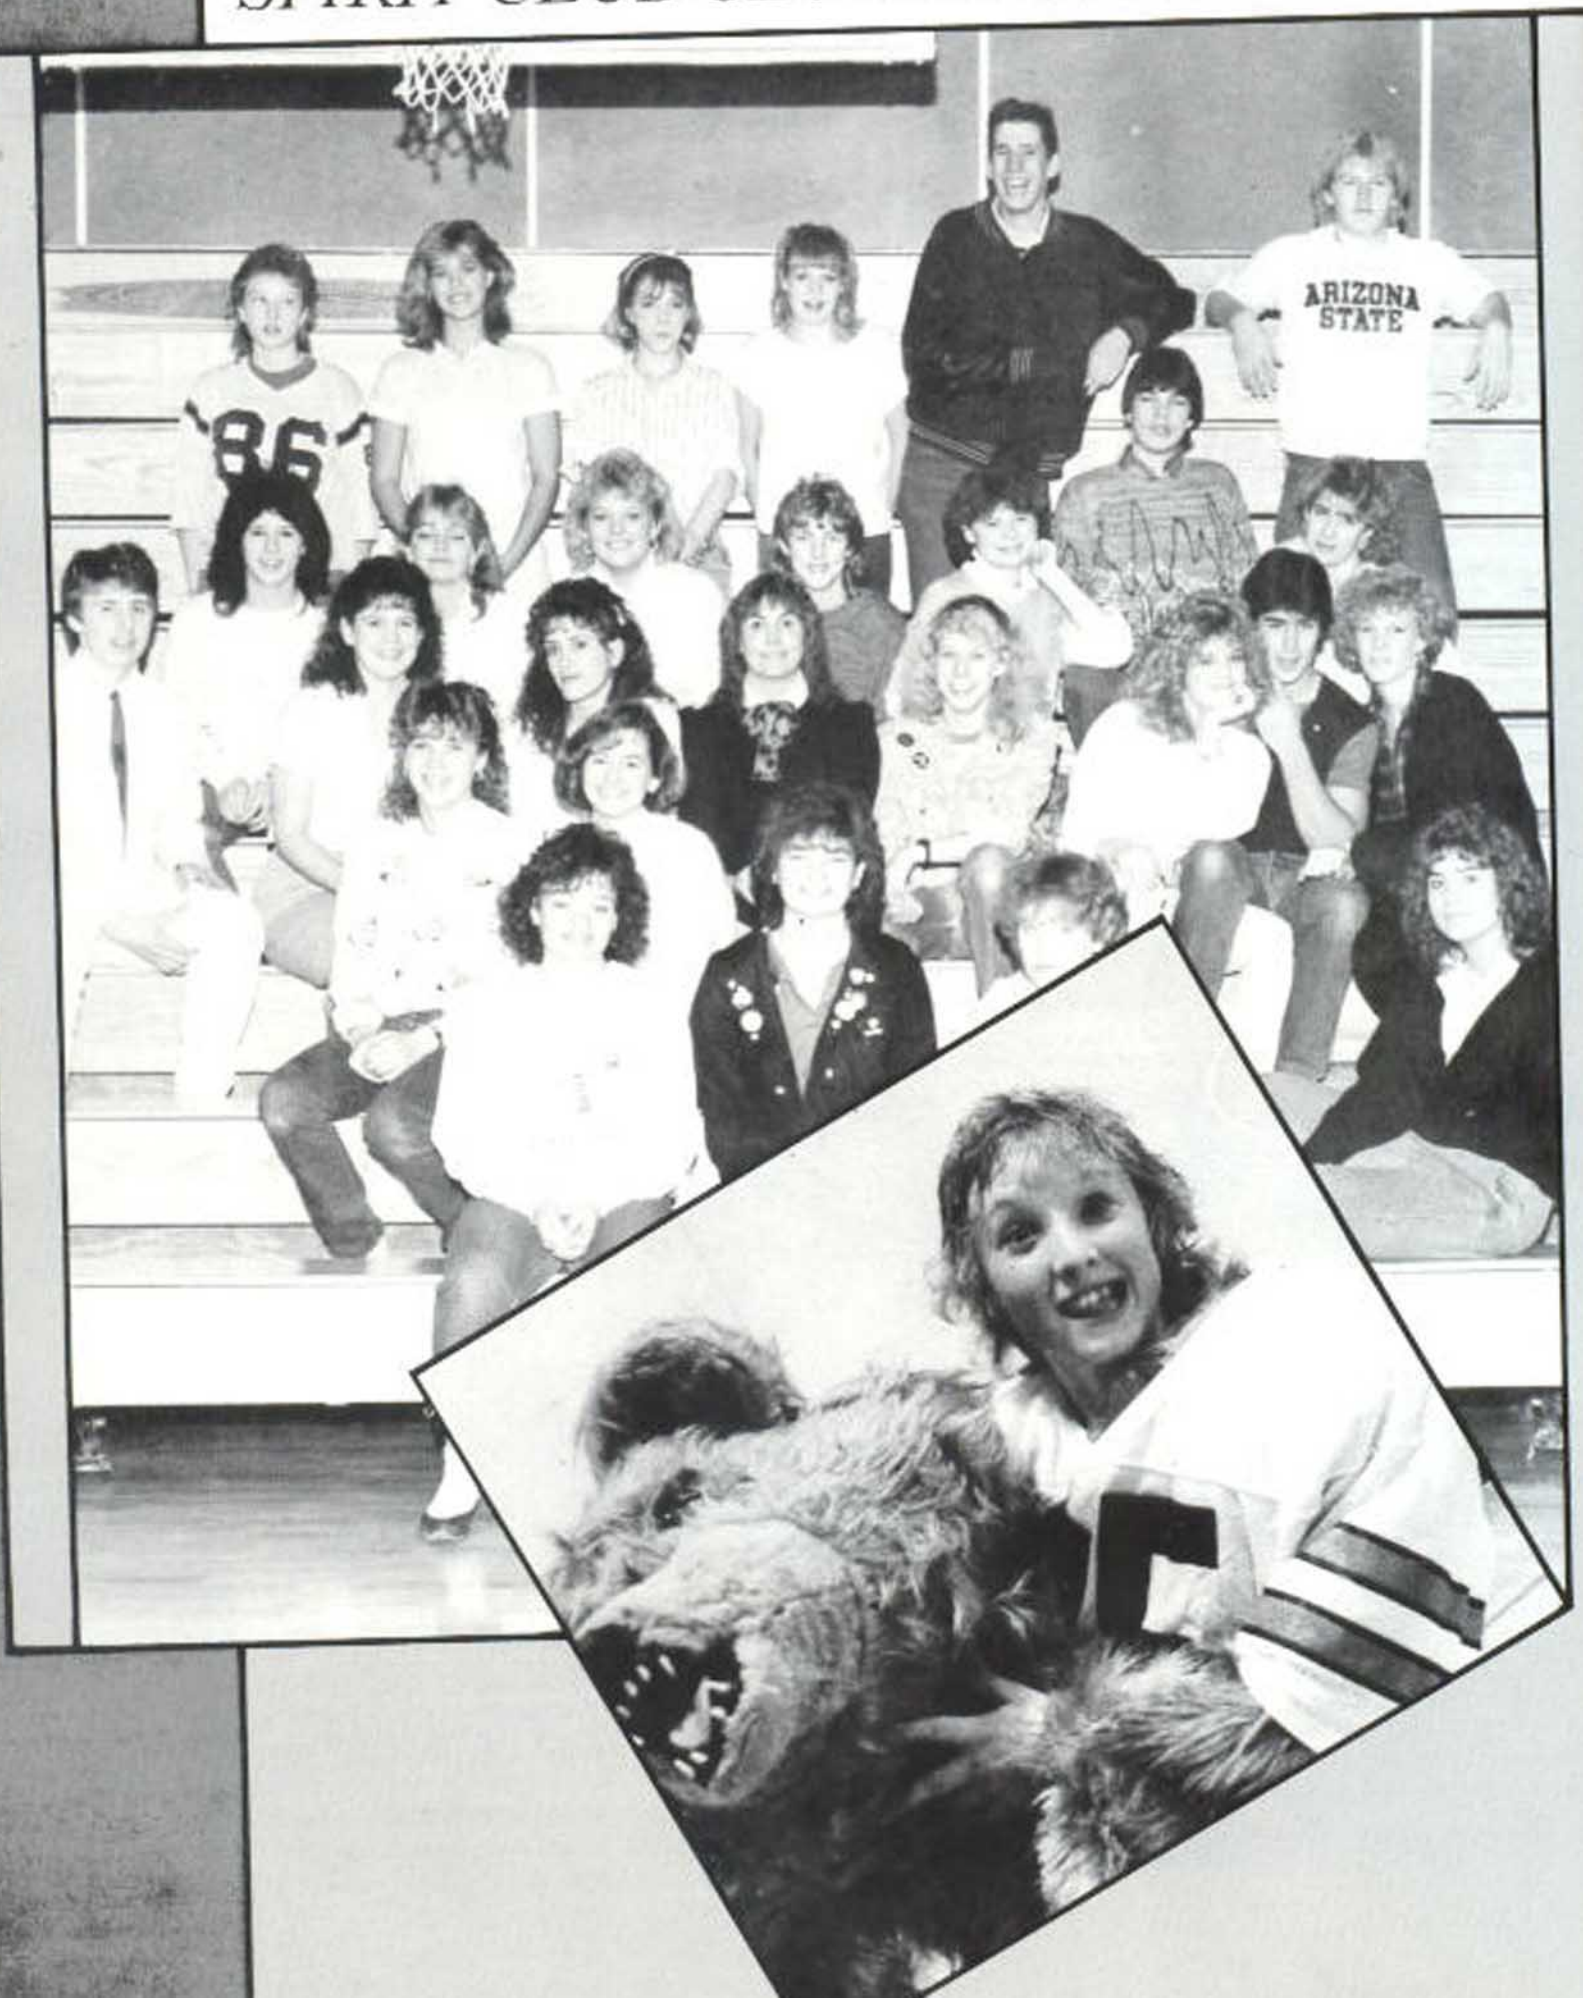

Mitch Statton, an alumni of Newport, has been teaching radio broadcasting classes for the past three years. He has also been the J.V. coach of football, basketball, and presently the J.V. girls' softball coach. He has also coached the junior high boys' basketball teams. Mitch participates in all extra-curricular activities including dress up days. The students find Mitch easy to identify with because he is for the most part, a kid at heart!!!

Marcy Hovey, a junior participates in Most Extra Curricular Activities including volleyball, basketball, and softball. Marcy also enjoys hunting, water skiing, and motorcycle riding.

BRING A FRIEND DAY PROVES A SUCCESS

Steve Smith was chosen the Mogul-Pecker of the Year Award. He has been in the ski program for 4 years, and was an instructor this year. Steve plans to attend WSU and major in business. Advice: If it's covered with snow, it can be skied.

Matt Castle was chosen the best all around skier this year. He has been in the ski program for 4 years, and was an instructor at 49° N. After high school, he plans to attend WSU, and be in the ski club. After college, Matt hopes to continue skiing. Advice: Watch out for trees!

SKIING 87

Larry Shaw has been head of the ski program for 17 years. He has been skiing actively for 25 years and plans to keep skiing beyond retirement. Over 1,000 students have learned to ski in the program and many of them have continued skiing recreationally.

On December 23, 1987, a special event took place. It was called "BRING A FRIEND DAY," and that's exactly what it was. Everyone in the ski program was allowed to invite a person of their choice to 49 degrees north to ski at a discount price.

Over 100 people went up on that day. Two people had injuries which included: Angie Holder, who suffered a leg injury, and Nancy Schoene who suffered a hip injury. Over all everyone had a great day.

In the Normal ski program, over 20 beginners signed up, and many of the past beginners signed up also. The ski program was an overall success.

Her future plans are to leave Newport and pursue singing profesionally in Europe. Miss Griffith is engaged to the music director at Priest River, Armando Campos. They are planning a July Wedding.

The chorus members were involved in three concerts this past year. "Winter Elegance" was a success by all. "Rock-N-Roll Explosion" we all went back into the fifties with poodle skirts, scarves, and slicked hair "spring into summer" was a challenge due to Miss Griffith's leave of absence in April. Chorus class was the largest group this year.

CATCH A WAVE

Miss Griffith, though sick during the spring, continued on with the concert entitled "Spring into Summer." Homecoming was quite a success with the band performing, "Catch a Wave" for the halftime program. Jazz Band has proved to be a hit under the direction of Miss Griffith as they showed at the concert, "Rock-N-Roll explosion" by playing "In the Mood" and "Rockin Around the Clock."

FARMERS VISIT EXPO

Gary Yann grew up in Ridgefield, WA. He came to Newport in 1969 to teach agriculture and metal shop. He became the advisor to future farmers of America. Gary attended WSU and majored in ag.

The summer of '86 saw Gary Yann lead twenty-two faithful Future Farmers to see the World's Exposition in Vancouver, B.C. The farmers stayed at Silver Lake Camp ground in tents for the five day duration. Sandy Van Orsow commented "we went to all the exibits, and saw all sports of cultural events. There was also plenty of shopping in a near by mall."

Karen Welin said "I met all sorts of interesting people. One of the most exciting events was riding the sky train and monorail. There was also a radical McDonalds that was right on the water." Gary Yann said "I had a good time."

After a change in the future farmer roster, the club, represented by a delegation of fifteen, went to the ever impressive ag expo in Spokane. The expo features new farming equipment and farming products. Dina Barron commented "the best part of the day was eating at McDonalds."

Sandy Van Orsow came to Newport in fifth grade at the age of ten. She came from Elk and attended Riverside. She has been a member of F.F.A. for two years and became president this year. Other organizations that Sandy belongs to include F.H.A., natural helpers, spirit club, and drama. Her hobbies are cooking and softball. Sandy's definition of F.F.A. is challenging.

F.H.A.; SPEAKING UP AND SPEAKING OUT

Sally Silver is the advisor for F.H.A. and has been since her arrival at Newport in 1985. She says it is something which comes with the home economics teaching territory but something which she enjoys immensely, and wouldn't ever give up. Although F.H.A. has not been very active this year, she still feels it is an important part of not only the school, but also an important part of the community. This year's focus has been in the peer education area, student futures, student body (Nutritional Program), leadership, and promoting F.H.A.

1987 REGIONAL MEETING ATTENDANTS, TOP ROW, FROM LEFT TO RIGHT: Sally Silver, Karen Welin, Sandy Van Orsow, and Monica King. BOTTOM ROW: Meschelle Deluna, Michelle Peterson, and Katja Grebes.

The 1987 F.F.A. year was very exciting. They had a blast going to Spokane. It was so interesting to meet new people and do the new things they were doing. Although F.H.A. wasn't as active as usual, they plan to have a great, fun, and successful 1987-88 year.

This year's officers were: PRESIDENT, Sandy VanOrsow, VICE-PRESIDENT, Monica King, HISTORIAN, Karen Welin, SECRETARY, Cathi Carpenter, and TREASURER, Marianne Miller.

DRAMA '87

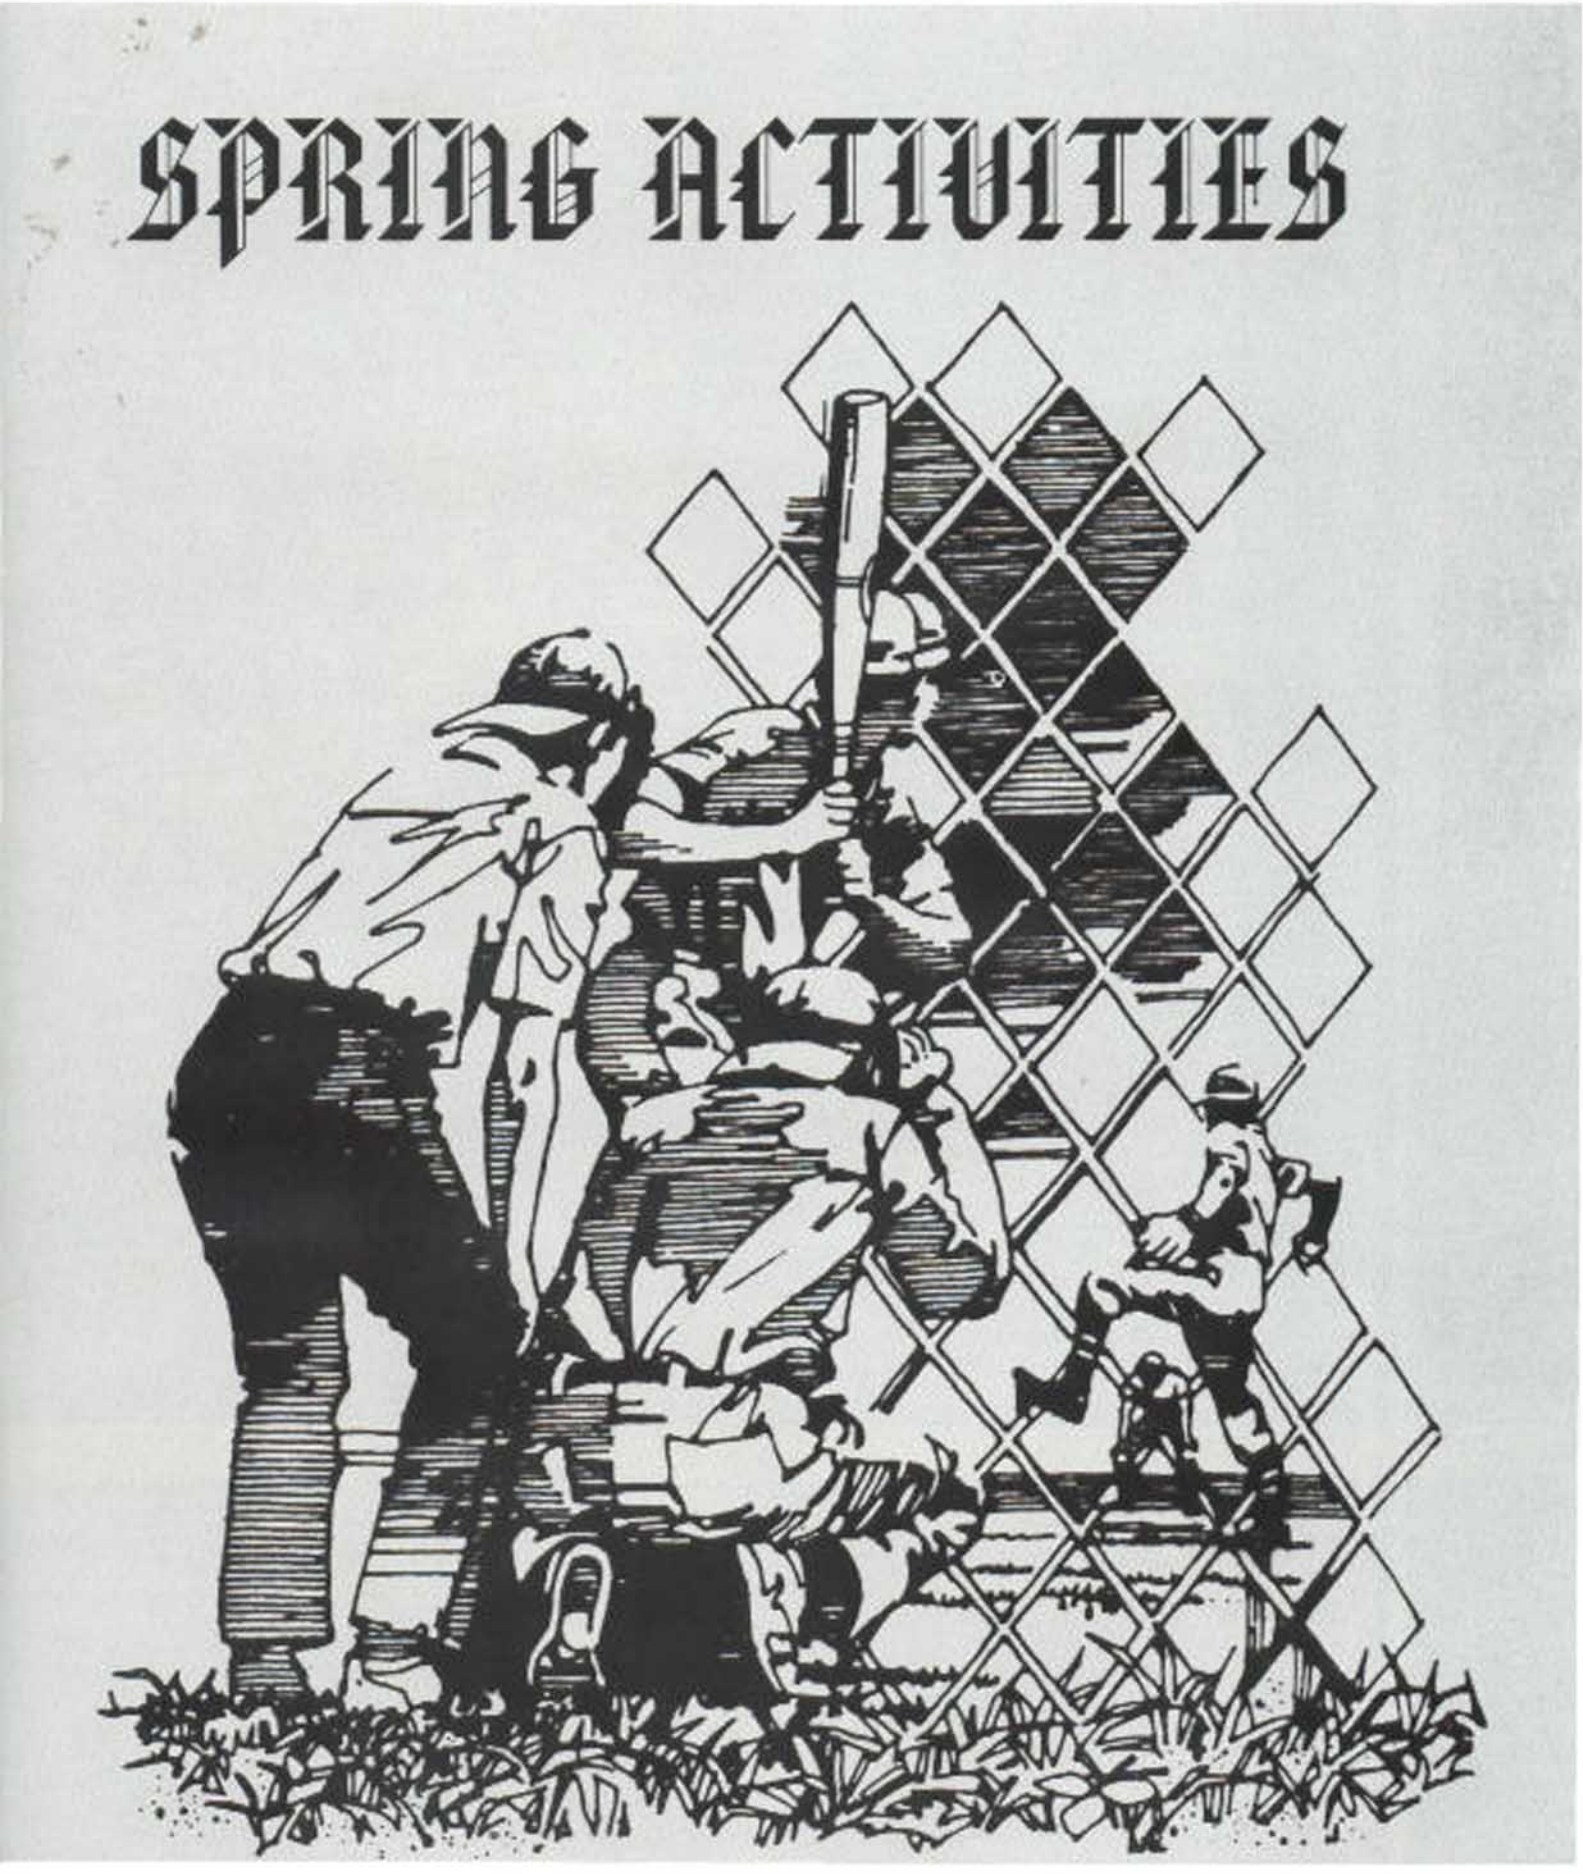

This year's drama class had an unpredictable year, with Ms. Smith taking a one year leave of absence from teaching. Mrs. Herron took over her duties along with Ms. Gamble. The drama didn't let that effect their acting potential. They worked hard in memorizing lines and improving their acting skills. Keep up the good work!!

Miss Smith was the spirit club and drama advisor. She was very active in school activities, but because of illness she had to take a one year leave of absence. Next year hopefully she will return to N.H.S.

SOFTBALL . . . GIRLS HIT IT OFF

Mr. Faire and Mr. Musso have been coaching softball for two years now. Before this they both coached baseball for a number of years. BASEBALL . . . . . HAHN HEADS HARD HITTER

VARSITY:

Starting from left to right in the back: Butch Virgil, Dale Swafford, Harold Cleaver, Chet Shining, Andy Pelleberg, Pierre Doda, Tim Geary, Paul Nordinger, Marcus Anderson, Coach: Lance Hahn, in front, David Smith, James Nordinger, Spencer Graff, Takaaki Sugiyama, Keif Fitzpatrick, Eric Swackhammer.

Newport's baseball team record was an 8-12 this year which was an improvement from our last year's team. But out of our 12 losses 5 were by one run. There was only one senior on the team last year, so we expect most of our players back. Our exchange student (Takaaki) ws our best hitter and was also the varsity pitcher. We also had our field redone and new dug outs were built.

TAKING ANOTHER LOOK

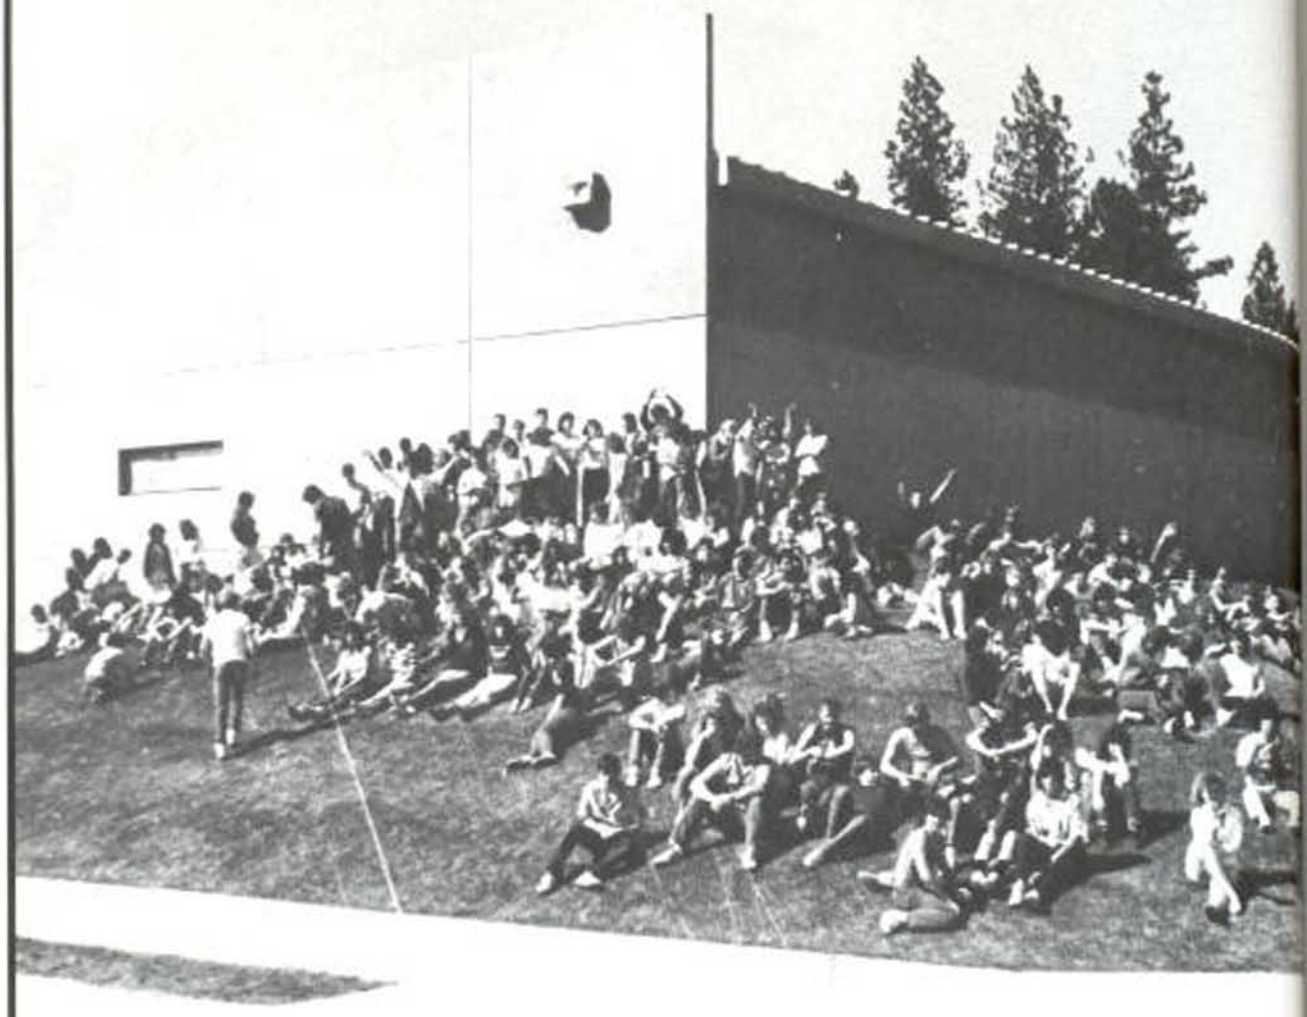

Mr. Musso came to Newport first as a teacher then as an administrator. He has always been known for his fair but strict treatment of students, while having a great love for all students as individuals. He always seems to know when to be strict and when to laugh. His love for students is also evident in his great coaching.

SPRING DAZE' AT NHS

APRIL FOOLS DAY 87

April 1st, all high school students at NHS got a little crazy, ran outside when told and skipped class, April Fool's Mr. Musso!! Unfortunately, Mr. Musso caught us in the act and motioned us (while laughing) back to class.

Who says Newport isn't fun??

IRBAND AVOIDS CANCELLATION

Airband '87 was almost cancelled due to lack of participation, but Matt Barker saved the Airband at the last minute. The show featured such groups as Hellion Steele, Ozzy, Ratt, Poison, and the theme from the Andy Griffith Show.

UNDERWATER FANTASIES

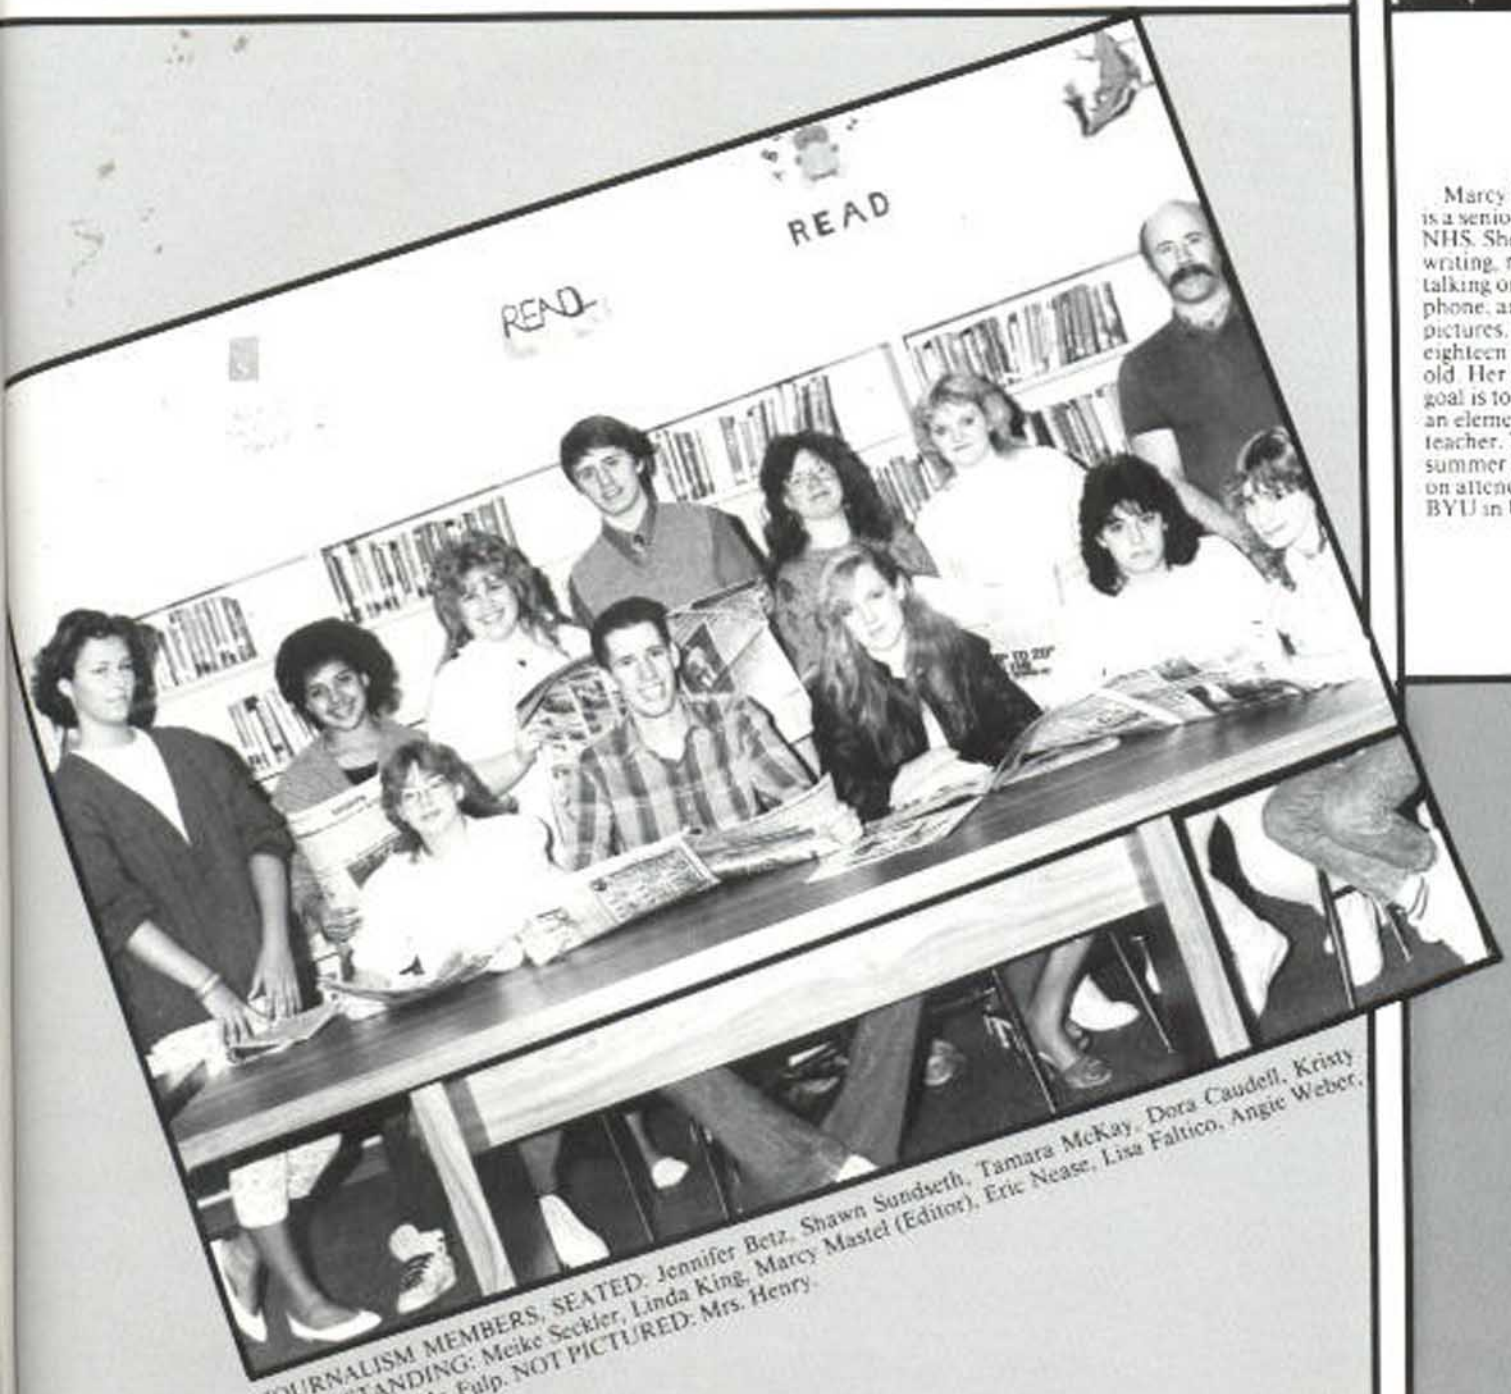

Would you like to be chauffeured to the prom? Well, Mr. Harding has been chauffeuring for the past two yrs. in his '57 Dodge Custom Royal for no charge, but gas money. Harding has been asked to chauffeur for weddings, proms, dates, and bachelor parties. Harding enjoys chauffeuring and when drinking is involved he likes to keep people from drinking and driving. Mr. Harding has had the custom royal for ten yrs. Each summer, he tries to improve the classic. The only problem is the car takes a lot of time and money and is hard to find parts for.

On May 9, the junior class presented their prom, "Underwater Fantasies." Couples danced to th sound of *Cheez* "Underwater Fantasies" was an enjoyable event. Many couples attended. The 198 junior prom royalty consists of:

Sr. Princess	JoAnn Vullo

SENIORS REMEMBER IT ALL — ALL 12 YEARS

Dana Winterfield — My most memorable moment happened in the third grade. Becky Averyt and I were swinging when Day Kimberling tried taking Becky's swing. Me, being the big, bad protector, told Day to give it back. Day got mad and punched me in the nose. I got a bloody nose, Becky yelled and of course, the whole gang came to rescue me. Leading the pack was Curt Wilkerson, Steve Schultz and Babe Witter. Then Dina Odell, Joann Vullo, Lisa Seeber, Arista Gray, Charlotte Gillespie, and everyone else. They were ready to kill. Lucky for Day, Mr. Weir got him first and gave him a hack. That was memorable to me 'cuz everyone was concerned for me.

Lisa Seeber — My most memorable moment was breaking the tedar-todar in the 6th grade, then bringing it into Mr. Smith's office.

Steve Schultz — My most memorable moment was when I met Sonja and getting caught by Mr. Hays with my hand up the pop machine.

Kief Fitzpatrick — My most memorable moment was being de-pantsed in the 5th grade and having to climb the baseball back-stop to get them.

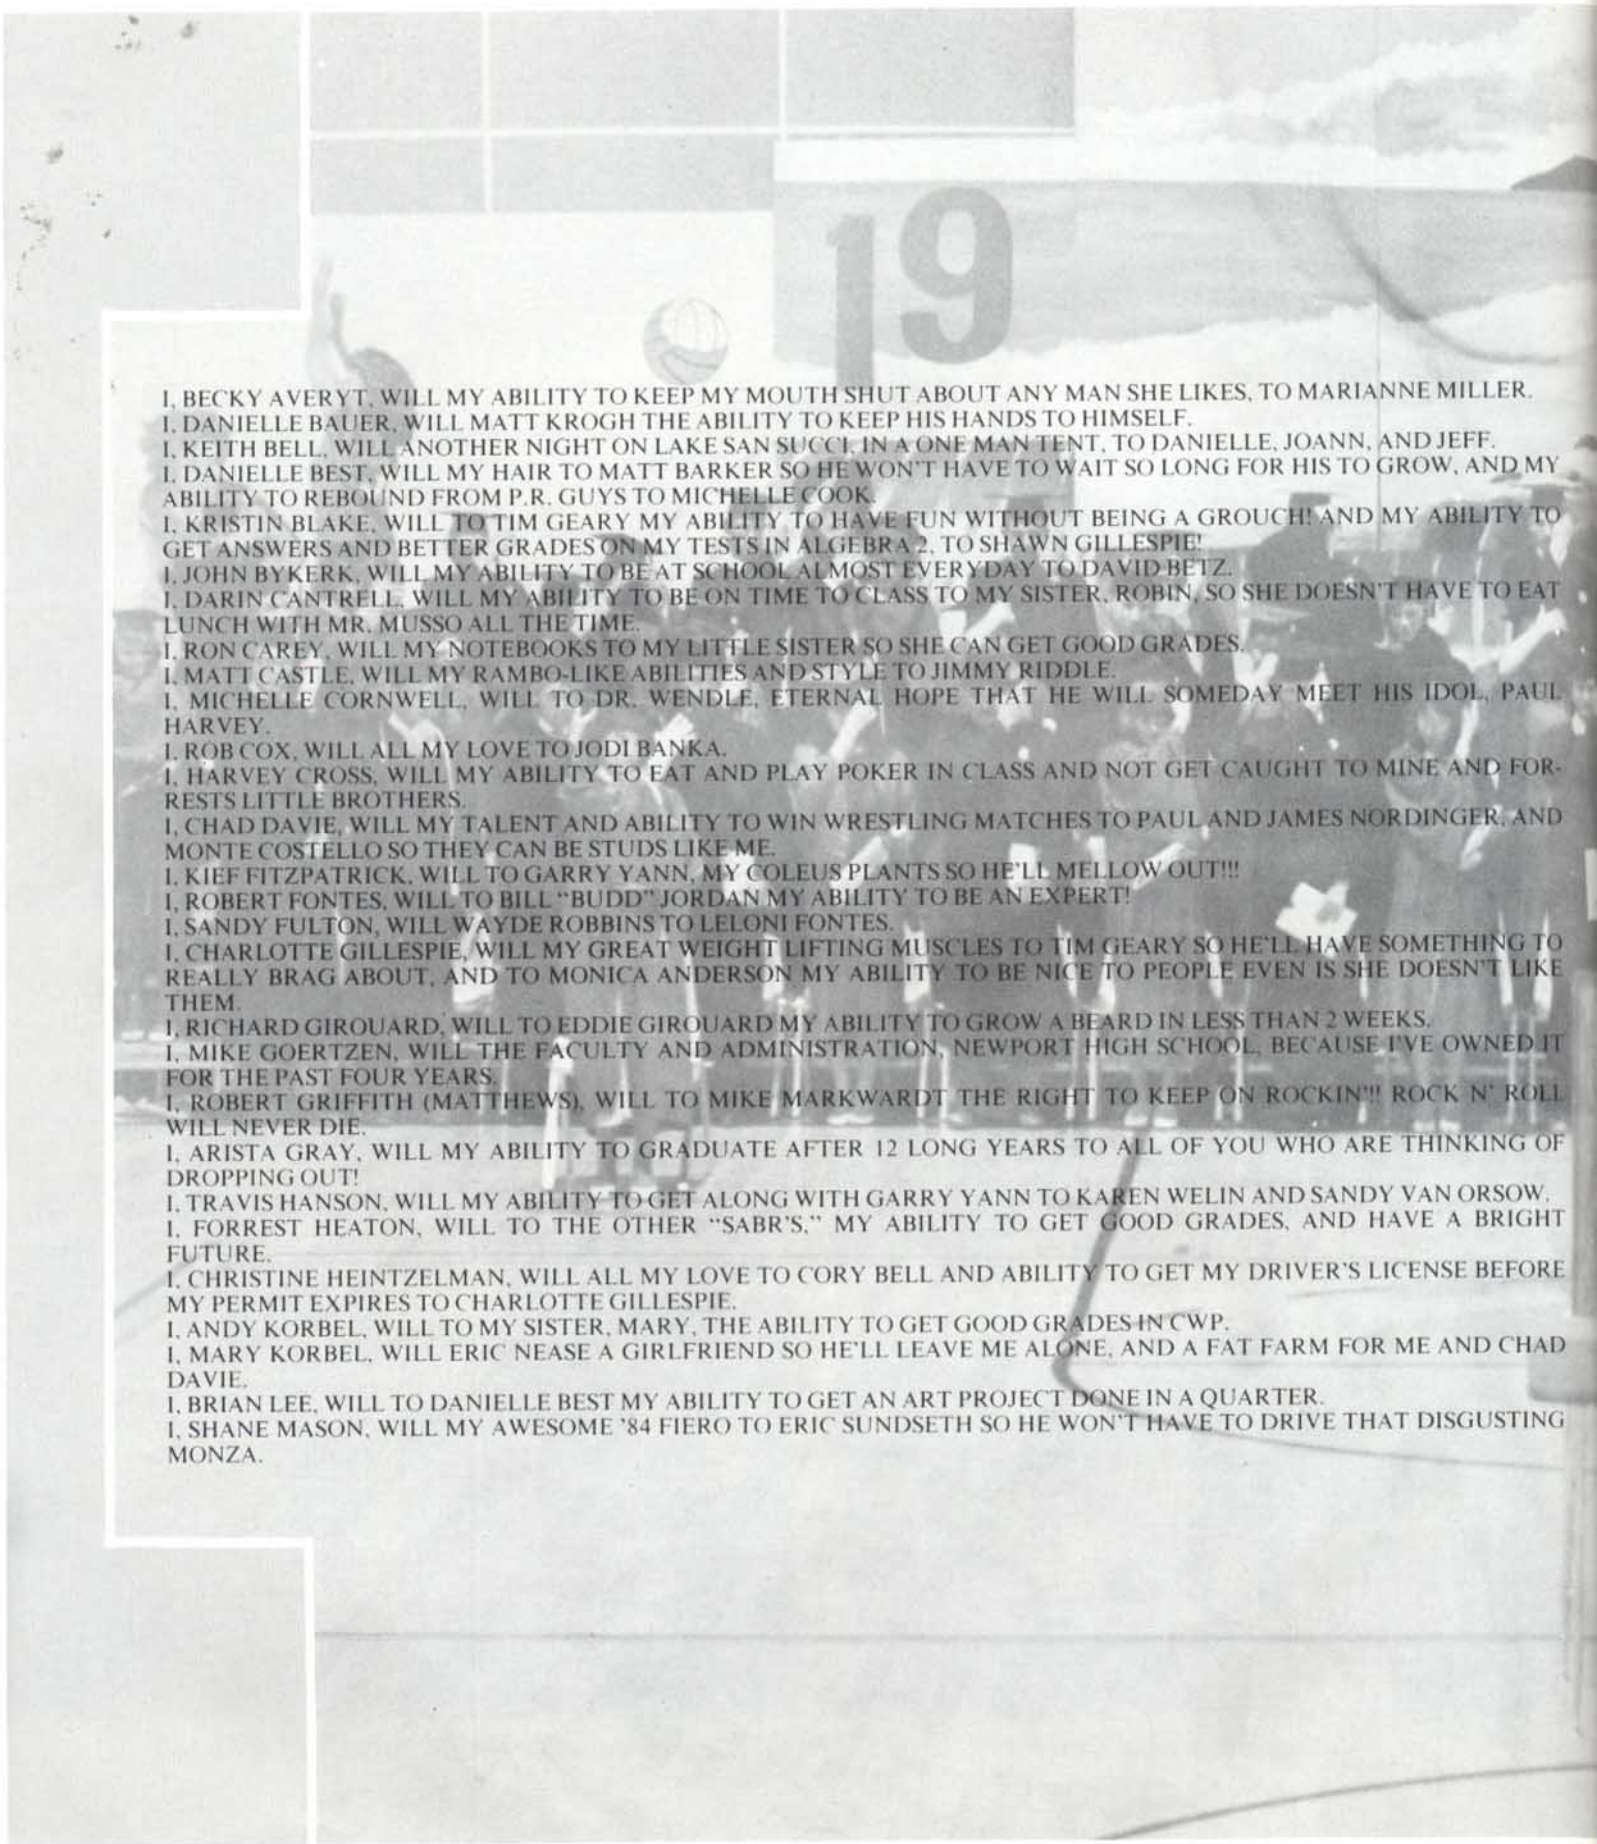

Joann Vullo — My most memorable moment was when Lisa Seeber, Mike Goertzen, Becky Smith, Curt Wilkerson, Jerry Farnsworth and I got sent to Mr. Noble's office in 6th grade for holding hands at an assembly.

Shane Mason — My most memorable moment was slave day my freshman year. It helped me get to know a lot of the older (juniors and seniors) students.

Jamie Earl — My most memorable moment was in the third grade when Becky Stern and Jerry Farnsworth got married on bee bee hill and we threw paper confetti, and the year that Dana Winterfield got hit in the head with a baseball bat.

Chet Shining — My most memorable moment was in the 6th grade, when Mike Squires got ink on me and when I tried to get him back, Mr. Sparks threw me up against the chalkboard in front of the class.

JOYCE WATTS RETIRES

"Joyce Watts announced her retirement from teaching effective this spring. The comments of Mrs. Watts when interviewed about her retirement were so appropriate that they are published below as is:

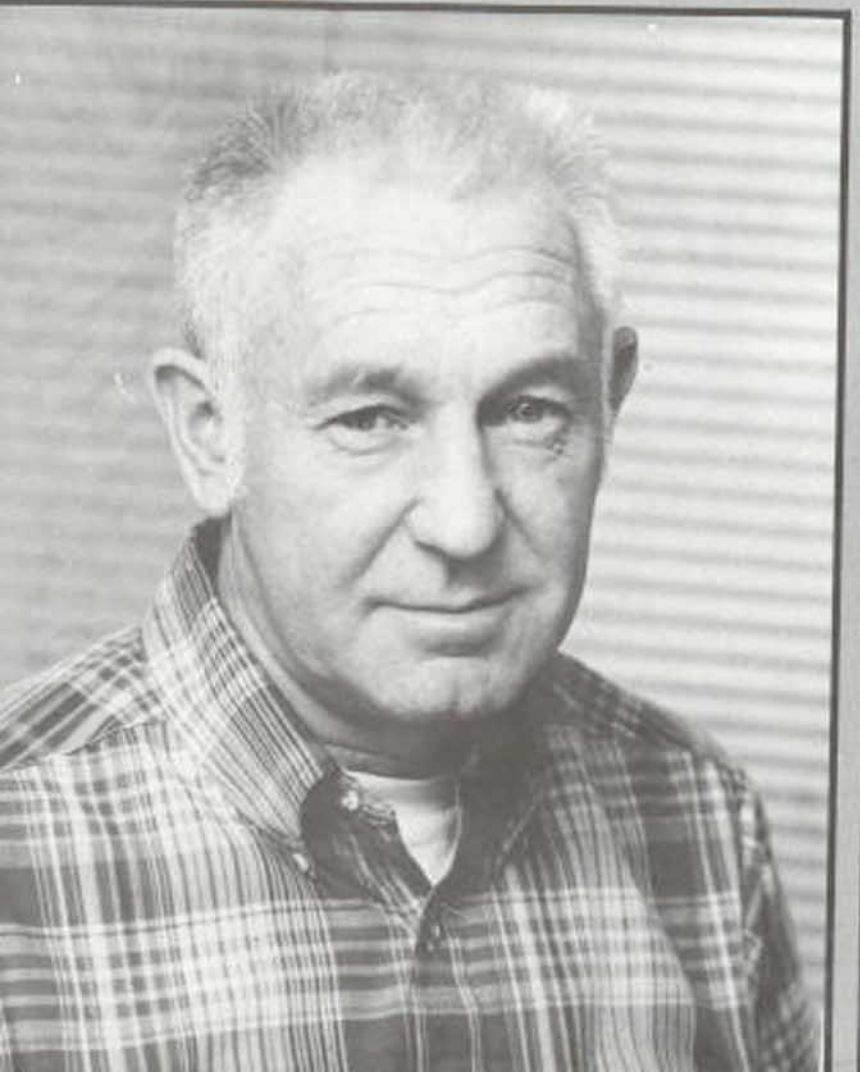

I joined the Newport teaching staff in 1967 beginning with sixth grade. When the Middle School was formed I became a member of the Language Arts Department and most of my work has been in that area — with some Math, Science, and Home Ec. for variety. It has been rewarding and frustrating, joyful and sad — but seldom boring. This year has been a special pleasure — to teach in the High School.

Teaching, for me, is the finest of professions. I feel privileged to have known so many young people and to have worked with the dedicated, caring people who have been my colleagues through the years.

My best to each of you.

'ALL TIMES ARE ONE IF HEART DELIGHT IN WORK, IF HANDS JOIN THE WORLD RIGHT.'

HAYS RETIRES FROM COACHING

Mr. Bill Hays has been a varsity coach in various sports for the past thirty years. His accomplishments in the coaching field place him among the elite in the state of Washington.

Mr. Hays came to Newport High School as Head Basketball Coach in 1974. Before Newport he coached at St. John, Washington. Few people outside of St. John probably fully understand Coach Hays' successes as a head football coach. They have been overshadowed by his basketball successes.

During his years at St. John, Coach Hays had a football record of 110 wins, 15 losses and one tie. This record included seven league championships and one stretch of 38 consecutive victories.

In seventeen years as head basketball coach for the St. John Eagles, his teams made twelve state tournament appearances winning first place four times, second place once, and third place five times. His state tournament successes as a coach are unequaled to date.

Mr. Hays was a finalist for the Inland Empire Sports Writers and Broadcasters Coach of the Year in 1961 and 1968. He was named *The* Coach of the Year by this organization in 1969. In 1980 he was also honored by this group with a 25 Year Service Award.

By 1982 many of coach's athletes were now referring to him as the "Silver Fox," for obvious reasons. It was also in this year that he was named The State "B" Tournament Silver Anniversary Coach.

Coming to Newport in 1974 did not stop the successful coaching record for Coach Hays. In ten years as Head Girls' Basketball Coach, the Grizzlies have made seven state tournament appearances. In one of those non-state years the girls tied with Freeman for the league championship but lost out in the district playoffs. The girls placed seventh in state in 1979 and sixth in state in 1980.

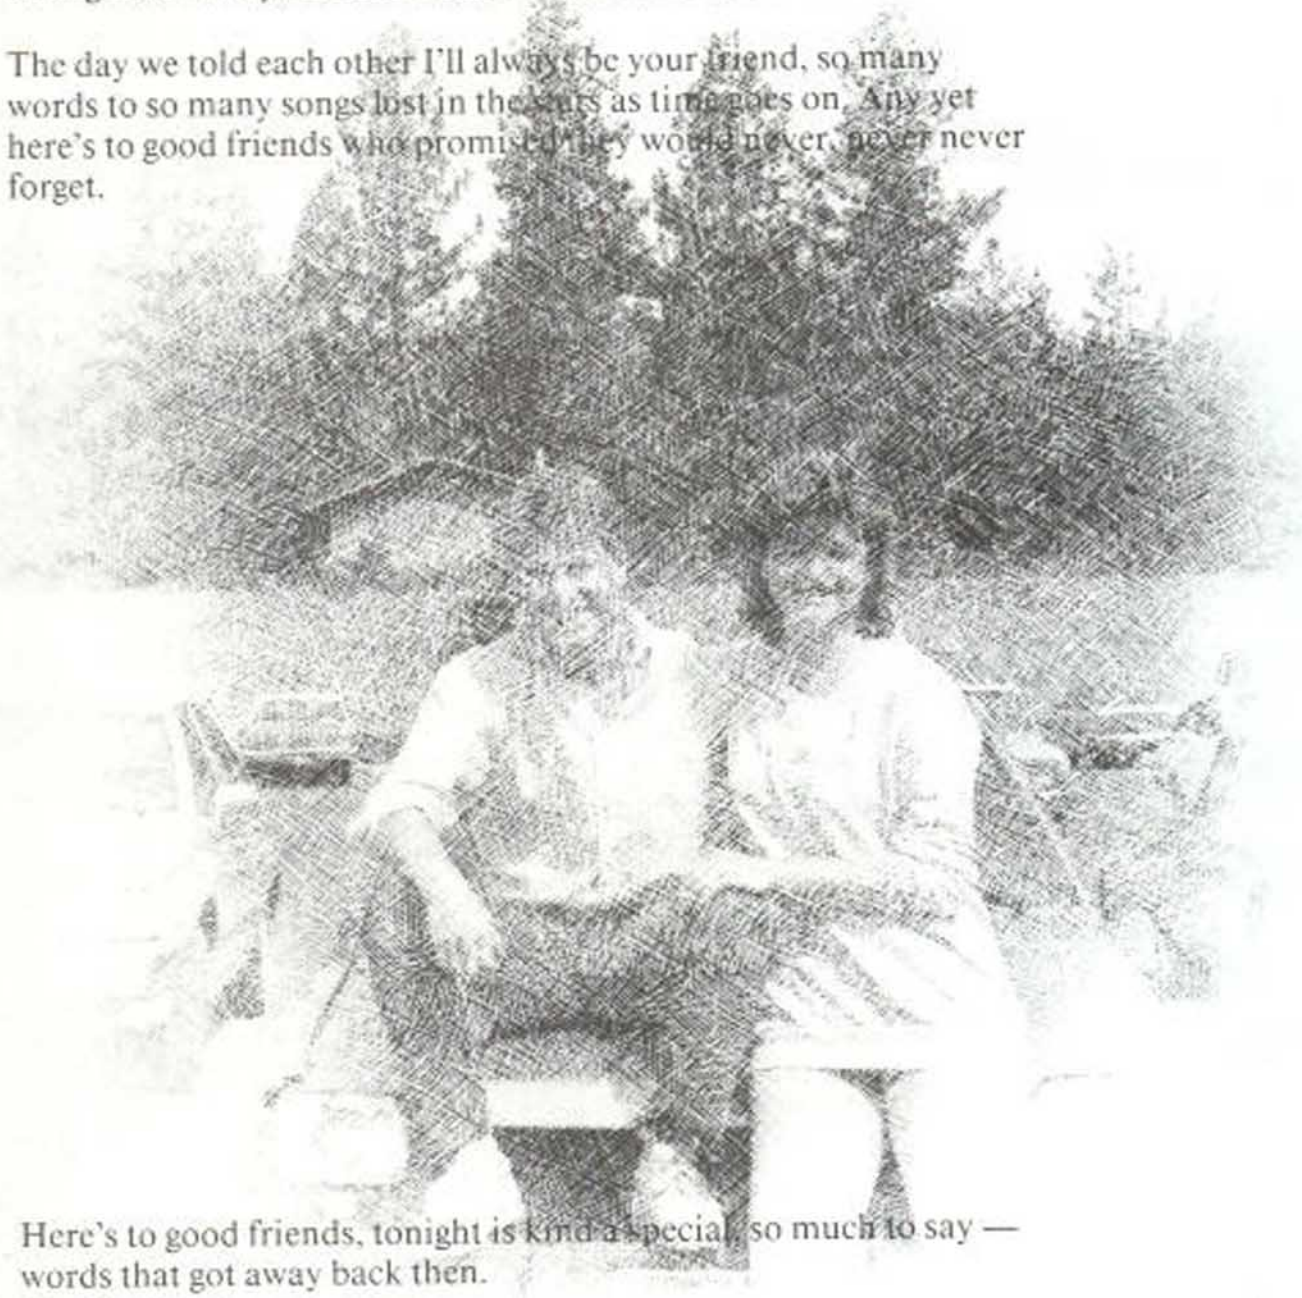

Add to all of this several district championships in track and one has a fairly successful coaching record.

HERE'S TO GOOD FRIENDS

Here's to good friends, tonight is kind a special, so much to say — words that got away back then.

Tonight let's begin again. It's been so long, gee I'm glad to see you, sitting here with you I know that we were true back when.

The day we told each other I'll always be your friend, so many words to so many songs lost in the hearts as time goes on. Any yet here's to good friends who promised they would never, never never forget.

Here's to good friends, tonight is kind a special, so much to say — words that got away back then.

Tonight, tonight let's be friends again, let there be good times, the warmth and the glow still be just as strong as long ago when we met.

O — Here's to good friends who promised they would never, never, never forget.

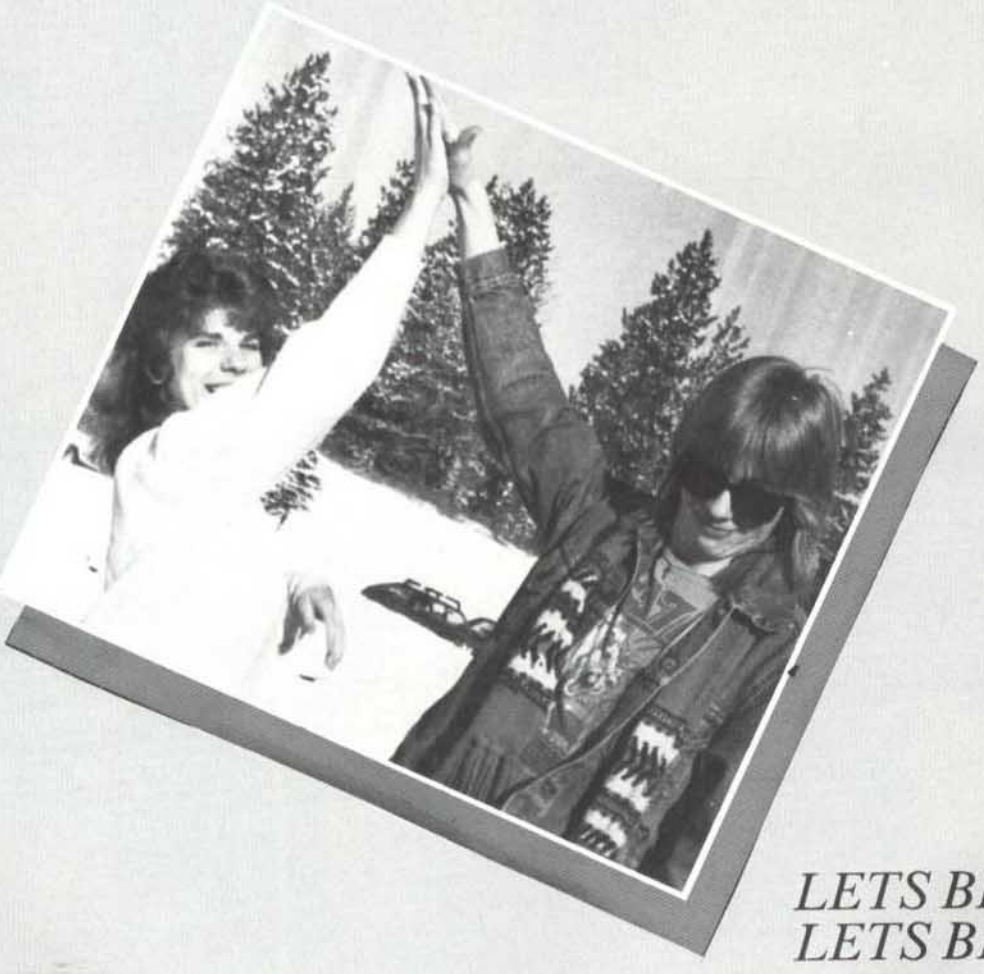

Let's begin again.
Let's begin again.

SPEAKING OF PICTURES . . . REMEMBER WHEN

O — HERE'S TO GOOD FRIENDS WHO PROMISED THEY WOULD NEVER, NEVER, NEVER FORGET
