PRINCIPAL'S MESSAGE

Hello Scottie Parents/Guardians/Families!

It is hard to believe how quickly this week has gone! As we settle into the rhythm of the school year, I have enjoyed spending time in classrooms and seeing our students actively engaged in learning. One of the things that continues to stand out is the variety of ways our teachers are creating opportunities for students to do the learning—not simply listen to it.

This week, I observed students using choral response and physical gestures to learn Spanish vocabulary, turning language learning into an energetic and memorable experience. In another classroom, students participated in a simulation game focused on early trading and bartering, experiencing first-hand some of the challenges and decision-making involved in those systems. I saw students analyzing written texts in small groups, discussing evidence and ideas with one another, while in another class, groups of students were examining the statistical differences between different types of graphs used in advertising and thinking critically about how information can be presented to influence an audience. I also observed students researching different career fields, connecting what they are learning today to possibilities for their futures.

These are great examples of the kind of active, meaningful learning we want to see throughout Freeman High School. Our goal is not simply for students to complete assignments, but to develop curiosity, critical thinking, communication, collaboration, and the confidence to apply what they know. I am proud of the work our teachers are doing to create these experiences and equally proud of the way our students are showing up and engaging in them. Enjoy the long holiday weekend!

Go Dawgs!

FREE/REDUCED LUNCH APPLICATION PROCESS

Each school year, students who were on the free/reduced eligibility meal program for the previous school year are allowed to carry over their eligibility into the new school year for 30 School Days from the first day of school. For SY 2026/27, that 30-day window ends on October 1, 2026. If we do not have an updated free/reduced price meal application, or other qualifying updated eligibility status for the new school year, any students who qualified for free/reduced price meals during the previous school year will automatically have their eligibility changed to Paid effective Oct 2, 2026. Applications can be completed online through Skyward Family Access. Additionally, applications may be picked up from the school district or sent home with students.

Every year we must have all back to school forms completed for every student. Please log in to Family Access and complete form sets for each student. To date, only 1/2 of our FHS students have completed forms. You can find this on the left side of your home page on the Skyward Family Access screen titled “FHS Registration for All Returning Students”. Also important in these forms is opting in or out of Chromebook Assurance Plan by September 15th. **Please note: you must also pay for the Chromebook Assurance by 9/15.**

LEO’S INDIVIDUAL SCHOOL PHOTOS

FALL 2026

BACK TO SCHOOL

YOUR SAFETY, SECURITY & TECH LEVY DOLLARS AT WORK

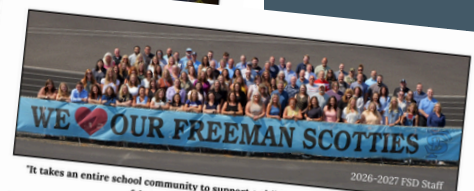

Thanks to the generous support of our community through the Safety, Security & Technology Levy, which provides funding for calendar years 2026 and 2027, we were able to make a number of important campus improvements this summer. Levy dollars are helping us maintain safe, welcoming, and technology-ready learning environments across our schools. This summer's projects included:

- Crosswalk lighting and flashers to improve visibility and pedestrian safety - \$42,000
- Creek repair and resurfacing of parking lots and the FES/FMS playground - \$34,343
- Updated lighting in the TK-8 Multi-Purpose Room - proposal is \$22,445
- Gym floor refinishing at all three schools - \$14,832 (paid by EFBO levy funds)
- FES playground bark replacement - \$4,218
- Technology repairs and updates across our campus - \$525,000 (includes the items below)
 - Chromebooks - \$283,000
 - District DataCenter (including replacement of 28 servers that were end of life) - \$126,000
 - Network switching (backbone of all connectivity for the district) - \$116,000

Thanks to student feedback from FHS and FMS, the district has added four new rapid flashing beacons at district crosswalks, along with lighting bars at our transportation entrances. These improvements enhance visibility in all conditions, support safe and independent crossing for students, staff, and community members and help strengthen a culture of safety throughout our community.

CHILD FIND

Child Find is a process that every school district must follow to identify, locate, and evaluate children who may be eligible for special education services. This process is designed to ensure that all children have an equal opportunity to receive a free appropriate public education (FAPE).

Help invest in the next generation by volunteering in the Freeman library! Library volunteers work directly with students by reading, helping students choose books and supporting literacy activities. Volunteers also help behind the scenes by shelving books, preparing new materials and making book repairs.

Weekly volunteer opportunities are available mornings and afternoons, Monday-Friday, with flexible hours. Interested? Contact Susan Chidluck, TK-8 Library Coordinator, at schidluck@freemansd.org. Complete the online volunteer application on the Freeman School District website at www.freemansd.org.

Welcome to the 2026-2027 School Year!

Dear Freeman Families and Community,

It is with tremendous gratitude and excitement that I welcome you to the 2026-2027 school year as your Superintendent. This year marks a special milestone in my own Freeman journey. Nearly 30 years ago, I began my career here as a teacher and coach. Since then, I have had the privilege of serving as an Elementary Principal, Assistant Superintendent, and now Superintendent.

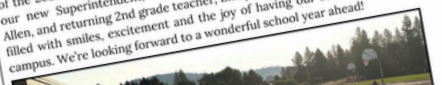

Through every role and every season, one thing that has remained constant is my deep love for Freeman and my belief in the people who make this community so special.

There is truly only one Freeman. One community, one team, united by our commitment to every student. Together, we will continue building a culture of belonging, strong relationships, high expectations, and opportunities for every student to learn, grow and succeed.

It is an honor to continue to serve this community. Thank you for your partnership and support.

Go Scotties!

Lisa Phelan
Superintendent

- You are almost done - it will then ask for some information about the picture, such as who is in it - please type in your child's name (we default to your student's given name in the yearbook. They may see me if they'd like to use a preferred name instead per state law). That's all there is to it!
